INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Yellowjacket Oilfield Services 401(k) Plan
Kilgore, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Yellowjacket Oilfield Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Yellowjacket Oilfield Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yellowjacket Oilfield Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yellowjacket Oilfield Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yellowjacket Oilfield Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yellowjacket Oilfield Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

YELLOWJACKET OILFIELD SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Yellowjacket Oilfield Services 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Yellowjacket Oilfield Services, LLC (the “Company”). Employees of the Company are eligible to participate in the Plan on the next entry date after attainment of age eighteen (18) and completion of three (3) months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

CONTRIBUTIONS

Participants may elect to contribute amounts from eligible compensation not to exceed the limits of the Internal Revenue Service (“IRS”) Code Section 401(k). In addition, participants that reach age 50 before the close of the Plan year may make catch-up contributions. The Company may make discretionary matching contributions to the Plan as determined annually by the Company. In 2023, discretionary matching contributions were made equal to 100% of participant elective deferrals up to 4% of participant compensation. Matching contributions made for the year ended December 31, 2023 were \$497,375. The Company may also make a non-elective, profit-sharing contribution. The Company did not make any profit-sharing contributions to the Plan in 2023.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution and the Company matching and profit-sharing contributions. Allocations of Plan earnings and administrative expenses are based on participant account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are immediately vested in participant and rollover contributions and actual earnings thereon. For participants hired before January 1, 2023, employer matching contributions are 100% vested. For participants hired on or after January 1, 2023, employer matching contributions cliff vest fully after one year. Vesting of employer nonelective contributions is as follows:

<u>Vesting Schedule</u>	
<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans bear a reasonable rate of interest as determined by the Plan Administrator through a nondiscriminatory manner. As of December 31, 2023 and 2022, notes were secured by the balance in the participant’s account and interest rates on such loans ranged from 4.25% - 10.50%. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive their vested benefit in a lump-sum cash payment, a direct rollover to a qualified IRA or another tax-qualified plan, partial withdrawals, or equal installments. A participant must be age 59 ½ or have incurred a financial hardship, as defined in the Plan provisions, to qualify for an in-service distribution.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

FORFEITURES

Forfeitures may be used to pay Plan expenses and reduce employer contributions. During the year ended December 31, 2023, \$2,820 of Plan forfeiture amounts were used to pay Plan expenses and \$10,195 were used to reduce employer contributions. At December 31, 2023 and 2022, unallocated forfeitures totaled \$10,176 and \$10,195, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors, the custodian, and the insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

OTHER RECEIVABLES

Amounts receivable to the Plan due to current and prior year corrective contributions not yet made are recorded as receivables in the accompanying financial statements. At January 1, 2022, prior year corrective contributions not yet made amounted to \$781,346. During the year ended December 31, 2022, \$645,379 of corrective contributions deposited into the Plan reduced the receivables account. Additional corrective contributions and lost earnings were identified, resulting in a receivable at December 31, 2022 of \$144,945.

During the year ended December 31, 2023, additional corrective contributions and lost earnings were identified. No corrective contributions were deposited into the Plan in 2023, and the remaining unfunded corrective contributions as of December 31, 2023 amounted to \$161,564 and is recorded as other receivables in the accompanying financial statements.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

The administrative expenses (i.e., custodial fees, fund fees, loan fees, recordkeeping fees, and other similar expenses) of the Plan are paid by the Plan and allocated to the participants' accounts, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts invest its assets in the shares or units of an underlying mutual fund, and the investment objective of each subaccount corresponds to the investment objective of the underlying fund. Certain underlying investment funds are considered open-end mutual funds, meaning the that the fund is ready to redeem its shares at any time and offers its shares for sale to the public, either through retail outlets or through institutional investors continuously. These investments have a readily determinable fair value and are classified within Level 2 of the valuation hierarchy.

At December 31, 2023 and 2022, the Plan only invested in pooled separate accounts and the fair value of such investments were \$7,363,193 and \$4,811,983, respectively.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements as of December 31, 2023 and 2022, and for the year ended December 31, 2023, was obtained from data that has been prepared and certified to as complete and accurate by Minnesota Life Insurance Company, the Custodian.

	2023	2022
Investments at fair value	\$ 7,363,193	\$ 4,811,983
Notes receivable from participants	166,530	101,495
	<u>\$ 7,529,723</u>	<u>\$ 4,913,478</u>
Investment income (including interest income on notes receivable from participants)	<u>\$ 1,107,635</u>	

No auditing procedures were performed with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

YELLOWJACKET OILFIELD SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022
CONTINUED

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Investment securities held by the Plan are managed by The Standard, which is a related entity of the Custodian. Accordingly, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan Sponsor has adopted a prototype plan which received a favorable tax determination letter dated June 30, 2020 from the IRS that it qualifies under Section 401(a) of the Internal Revenue Code ("IRC") and is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - TRANSFER OF ASSETS INTO THE PLAN

During the year ended December 31, 2023, there was a transfer into the Plan of \$688,728, as a result of the acquisition of Peak Fishing Services, LLC. Transferred funds were invested according to the provisions of the Plan and related participants were considered employees of the Company and were subject to all Plan provisions, including requirements related to eligibility, contributions, vesting, and distributions.

NOTE 10 - CORRECTION OF OPERATIONAL ERRORS AND ERISA VIOLATIONS

During the year ended December 31, 2023, participant contributions and employer match contributions amounting to \$756, as well as lost earnings of \$274, were not remitted to the Plan. These amounts were not paid by the end of 2023 and are included within other receivables on the accompanying financial statements. Of this amount, participant contributions of \$640 were not deposited timely by DOL guidelines. This will be included on the Schedule of Delinquent Contributions.

During the year ended December 31, 2023, \$12,624 of participant forfeitures were determined to be incorrectly forfeited. By the time this was determined, Plan management had already used the balance in the account to offset qualified expenses. To reinstate these forfeitures, Plan management contributed \$12,624, as well as lost earnings of \$2,965, to the Plan as of the date of this report. The forfeitures were not reinstated by the end of 2023 and is accrued as other receivables on the accompanying financial statements.

In addition to the errors noted above, the Plan has in prior years had participant deferrals which were not deposited into the Plan within the timeline required by the IRS and DOL guidelines, which constitutes nonexempt prohibited transactions. These late remittances are summarized in the Schedule of Delinquent Contributions by year. Lost earnings have been calculated on the late remittances. As of the date these financial statements were available to be issued, lost earnings had not yet been deposited therefore the delinquent contribution amounts remain on the schedule until they are fully corrected.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 7, 2024, which is the date the financial statements were available to be issued.
