## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Lafata Contract Services, LLC 401(k) Profit Sharing Plan and Trust

### Opinion on the 2023 Financial Statements

We have audited the financial statements of Lafata Contract Services, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of January 27, 2023, and the related statement of changes in net assets available for benefits for the period January 1, 2023 through January 27, 2023, and the related notes to the financial statements (2023 Financial Statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of January 27, 2023, and the changes in its net assets available for benefits for the period January 1, 2023 through January 27, 2023, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2023 Financial Statements.

### Emphasis of Matter - Plan Merger

As described in Note 1 to the financial statements, the Plan merged into the Anser Advisory, LLC 401(k) Profit Sharing Plan effective January 27, 2023. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Auditor's Report on the 2022 Financial Statements**

We performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In our report dated October 16, 2023, we indicated that in our opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

### 1. DESCRIPTION OF PLAN

The following brief description of Lafata Contract Services LLC, (the Company) 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan that provides retirement benefits to all employees, age eighteen and older, of the Company, except employees covered by a collective bargaining agreement, non-resident aliens, and employees who become employees due to an asset or stock acquisition, merger, or similar transaction. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

#### ***Plan Merger***

Effective January 27, 2023, the Plan was merged into the Anser Advisory, LLC 401(k) Profit Sharing Plan. The assets distributed by the Plan related to the merger totaled \$13,978,363 and are included in transfer of funds due to plan merger into Anser Advisory, LLC 401(k) Profit Sharing Plan on the statement of changes in net assets available for benefits for the period January 1, 2023 through January 27, 2023.

#### ***Contributions***

Each year, participants may contribute up to 96 percent of annual eligible compensation, up to the maximum limit established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also permits employees to elect Roth contributions.

The Company makes safe harbor non-elective matching contributions on behalf of each eligible participant of up to four percent of the eligible participant's compensation. The Company reserves the right to recalculate the safe harbor non-elective matching contributions at the end of each fiscal year to ensure that participants with fluctuating rates of Plan contributions receive the full benefit of the safe harbor match up to four percent.

The Company may make discretionary non-elective profit sharing contributions for eligible participants age twenty- one and older with 500 hours of service during the year, who are employed on the last day of the plan year. Profit sharing contributions are made in the ratio that each qualifying

participant's compensation for the plan year bears to the total compensation of all qualifying participants for the plan year. No discretionary non-elective profit sharing contributions were made during the period January 1, 2023 through January 27, 2023.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and Company safe harbor non-elective matching contributions, as well as allocations of the Company's discretionary non-elective profit sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are vested immediately in their contributions, Company safe harbor non-elective matching contributions, and Company discretionary non-elective profit sharing contributions, plus actual earnings thereon.

#### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate is set at one percent above the prime lending rate, at the time of the borrowing. One loan is allowed at a time and must be repaid within 54 months unless for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

#### ***Payment of Benefits***

Upon termination of service due to death, disability, retirement, or separation, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Plan provisions require that a terminated participant's vested accrued account balance of less than \$5,000 be distributed to the participant. Vested account balances greater than \$1,000 will be automatically rolled over to an Individual Retirement Account (IRA), unless otherwise elected by the participant. Withdrawals from the Plan may also be made after reaching the age of 59 ½ in accordance with provisions specified in the Plan agreement.

## NOTES TO FINANCIAL STATEMENTS

### ***Forfeitures***

There are no forfeitures under the current Plan structure since all amounts vest immediately.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Company management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year, and indirect investment expenses.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 27, 2023 or December 31, 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, and a distributable event has occurred, the participant loan balance is reduced and a benefit payment is recorded.

## NOTES TO FINANCIAL STATEMENTS

### ***Payment of Benefits***

Benefits are recorded when paid.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

### ***Subsequent Events***

The Plan has evaluated subsequent events through April 16, 2024, the date the financial statements were available to be issued.

## **3. INVESTMENTS**

Mid Atlantic Trust Company (MATC), the custodian, holds the funds for the Plan and maintains an individual account for each participant. Contributions made on a participant's behalf under the Plan are directly allocated to that participant's account and are invested, based on the participant's direction, in a money market fund and/or mutual funds.

## **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board, Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## LAFATA CONTRACT SERVICES, LLC 401(k) PROFIT SHARING PLAN AND TRUST

### NOTES TO FINANCIAL STATEMENTS

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Money market fund:* Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end money market fund that is registered with the U.S. Securities and Exchange Commission. This fund is required to publish their daily net asset value (NAV) and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 1,642,656	\$ -	\$ -	\$ 1,642,656
Mutual funds	11,644,402	-	-	11,644,402
Investments at fair value	\$ 13,287,058	\$ -	\$ -	\$ 13,287,058

### NOTES TO FINANCIAL STATEMENTS

#### 5. INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information summarized below related to the accompanying financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by MATC, the custodian of the Plan.

- Investment balances included in the statement of net assets available for benefits at December 31, 2022, and in the notes to the financial statements.

#### 6. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

MATC provides certain custodial and administrative services to the Plan; therefore, these transactions qualify as party in interest transactions.

Paychex is the recordkeeper and provides recordkeeping and administrative services to the Plan; therefore, these transactions qualify as party in interest transactions.

Paychex receives revenue from mutual fund service providers for services provided for the managed funds. This revenue is used to offset certain amounts owed to Paychex for its administrative services to the Plan.

Morgan Stanley serves as the investment advisor to the Plan. The Plan made a payment to Morgan Stanley during 2023 for certain expenses; therefore, these transactions qualify as party in interest transactions.

The Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

#### 7. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As discussed in Note 1, effective January 27, 2023, the Plan was merged into the Anser Advisory, LLC 401(k) Profit Sharing Plan.

### NOTES TO FINANCIAL STATEMENTS

#### 8. TAX STATUS

The IRS has determined and informed the Company by a letter dated August 31, 2020, that the non-standardized pre-approved defined contribution plan and related trust adopted by the Plan are designed in accordance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan's Form 5500 for the period January 1, 2023 through January 27, 2023, will be filed under the Delinquent Filer Voluntary Compliance Program (DFVCP) and the applicable penalty will be paid.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
