INDEPENDENT AUDITORS' REPORT

February 16, 2024

To the Participants and Plan Administrator of the
DHT Holdings, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the DHT Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the DHT Holdings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the DHT Holdings, Inc 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the DHT Holdings, Inc 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DHT Holdings, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DHT Holdings, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the

related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that

management determined meets the requirements of ERISA Section 103(a)(3)(C).

DHT Holdings, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note A - Description of Plan

The following description of the DHT Holdings, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of DHT Employee Leasing, LLC, Voorheis-Hausbeck Excavating, LLC, and Rohr Gasoline Equipment, Inc., (collectively the “Company”). The Plan Sponsor is Hausbeck Bros. Inc, dba DHT, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Custodian and Name Change

Effective July 1, 2022, the Plan Custodian, Nationwide Financial Services Inc., was replaced by Newport Group, Inc. During this change, the Plan also changed its name from the Hausbeck 401(k) Plan to the DHT Holdings, Inc. 401(k) Plan.

Assets and Participants Transferred Into the Plan

In July, 2022, \$1,177,696 in assets from the Rohr Gasoline Equipment, Inc. 401(k) Plan, were merged into the DHT Holdings, Inc. 401(k) Plan. In addition, employees of Rohr Gasoline Equipment, Inc. were eligible to participate in the Plan.

Eligibility

Employees are eligible for Plan participation in all contributions after completing three months of service and are at least age 19. Upon becoming eligible, employees will enter the Plan quarterly. To share in Company profit-sharing contributions, eligible participants must be credited with 500 hours of service during the Plan year if not employed on the last day of the Plan year.

Contributions

Each year, participants may contribute a percentage of their annual compensation, not to exceed the limits of the Internal Revenue Code (IRC). A maximum deferral of \$20,500 and \$19,500 was allowed in the years ended 2022 and 2021, respectively. Participants who were age 50 or older were allowed to defer an additional \$6,500 in both 2022 and 2021. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various

investment options offered by the Plan.

The Company contributed 25 percent of the first 5 percent of compensation that a participant contributes to the Plan at the beginning of the year ended 2022. However, when the Company moved the Plan to Newport in July, 2022, the Company contribution formula changed to 50 percent of the first 4 percent of compensation that a participant contributed. Additional profit-sharing amounts may be contributed at the option of the sponsor. No profit-sharing contributions were made for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are initially paid by the Plan. Allocations of fees are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and any discretionary employer contributions to any of the available investment options. Participants may change their investment selections in any combination of funds and transfer between funds on a daily basis. Participants may also change their deferral percentages online and may stop contributing to the Plan at any time.

Plan Administration

Plan administration is provided by the Company as the Plan Sponsor, which has delegated responsibility for the custodial function to Nationwide Financial Services Inc. (the "Custodian") from January 1, 2022 through June 30, 2022, and Newport Group, Inc. (the "Custodian"), from July 1, 2022 through December 31, 2022.

Vesting

Participants are 100% vested in their voluntary contributions, including any earnings thereon, immediately upon their effective date of participation. Participants are vested on Company contributions as follows:

Number of Years of Service	Percentage Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants are credited with a year of service for vesting purposes upon completion of 1,000 hours of service during the year.

Distributions

The Plan provides for payment of 100% of the account balance to participants upon normal retirement at age 65, death, or total and permanent disability or early retirement age of 55. Participants terminating employment for any other reason are entitled to receive 100% of their vested account balances and any remaining non-vested portions would be forfeited. Participant distributions from the Plan can be made in a single lump payment, partial withdrawals, or installments. If the participant's vested benefit under the Plan exceeds \$5,000, then the participant must consent to the distribution before it is made. However, if the participant's vested benefit under the Plan does not exceed \$5,000, then the benefit may be distributed as soon as possible following the event that entitles the participant to a distribution. Once a participant reaches the age of 70 ½ there are minimum distribution requirements. Generally, a participant may receive a distribution from the Plan prior to termination of employment if certain conditions are satisfied. A participant may be entitled to receive a pre-retirement distribution from their vested account balance if they have reached the age of 59 ½. Participants may also request financial hardship distributions from vested accounts if they meet certain conditions defined in the Plan agreement.

Loans

Loans to participants from their accounts are permitted under the Plan but may not exceed 50% of the present value of the participant's non-forfeitable accrued benefit under the Plan or \$50,000, whichever is less. Interest is charged monthly at market rates over reasonable amortization periods as provided for under the Plan.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor, Trustee, Custodian, and insurance company. See Note I for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Following the guidance of Financial Accounting Standards Board (FASB) ASC 962-310-45-2, participant loans as of December 31, 2022 and 2021 are identified as "Notes Receivable from Participants" on the statements of net assets available for benefits and recorded at their unpaid principal balances plus any accrued and unpaid interest.

See independent auditors' report

DHT Holdings, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note B - Summary of Significant Accounting Policies - Continued

Forfeitures

At December 31, 2022, and 2021, forfeited non-vested accounts totaled \$5,396 and \$1,435, respectively. These accounts are used to pay certain administrative expenses of the Plan or are applied to reduce Company contributions made to the Plan. There were \$5,351 in forfeitures used in 2022 and no forfeitures used in 2021.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements, unless paid from the Plan's forfeiture account. Fees related to the processing and administration of notes receivable from participants, benefit payments, general administration, and recordkeeping are charged directly to the participant's account and are included in administrative expenses on these financial statements. Certain other expenses, such as for recordkeeping, investment advice, etc. are included in investment income as they are paid through revenue sharing. Investment related expenses are included in investment income.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

See independent auditors' report

DHT Holdings, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note C - Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their account balances.

Note D - DOL Limited Scope

Under Statement on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans*, the Plan qualifies for a Department of Labor (DOL) ERISA Section 103(a)(3)(C) audit for the years ended December 31, 2022 and 2021. Under this standard, certain investments held and certified by a qualified institution can be excluded from audit.

Note E - Related-Party Transactions and Parties-in-Interest Transactions

The Company, the Plan Sponsor, the participants, Nationwide Financial Services Inc. (the "Custodian"), Newport Group, Inc. (the "Custodian"), Michigan Securities (the "Advisor"), and Paylocity and Puckett, Clement and Schellenberg, P.C. (as service providers to the Plan) have all been identified as parties-in-interest. The Plan made payments to the Advisor for investment advisory services. These fees are netted with investment income and paid through revenue sharing (indirect compensation). The Plan's investments are managed by the Custodian. Therefore, expenses paid by the Company related to the administration of the Plan, transactions with participants and investment transactions executed and held by the Custodian qualify as party-in-interest transactions, but are not prohibited transactions.

Note F - Income Tax Status

The Company adopted a prototype plan, which received a favorable opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, indicating that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Note G - Information Certified by Plan Custodian (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator has elected to utilize the certifications of certain financial information by Nationwide Financial Services Inc. and Newport Group Inc. in compliance with the audit requirements of the Act. All investment and investment income information included below was derived from data certified by the Custodians. The following information has been certified by the Custodians as complete and accurate:

Investments and participant notes at December 31, 2021	\$2,850,468
Investments and participant notes at December 31, 2022	\$4,153,587
Interest and dividend income for the year ended December 31, 2022	\$ 102,991
Net realized and unrealized depreciation in fair value of investments for the year ended December 31, 2022	(\$528,139)

Note H - Investments

The following participant-directed investments represent 5% or more of the net assets available for benefits at December 31, 2022 and 2021:

	December 31, 2022 <u>Fair Value</u>	December 31, 2021 <u>Fair Value</u>
American Funds EuroPacific Growth	\$375,563	-
Dodge & Cox Income Fund I	275,213	-

Notes to Financial Statements

December 31, 2022 and 2021

Note I - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under US GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest and are considered Level 1 inputs by the Plan.

Note I - Fair Value Measurements - Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021.

	Fair Value	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2022		
Mutual Funds	\$4,087,386	\$4,087,386
Notes Receivable from Participants	66,201	66,201
Total	<u>\$4,153,587</u>	<u>\$4,153,587</u>

Mutual Funds	\$2,466,753	\$2,466,753
Notes Receivable from Participants	57,001	57,001
Total	<u>\$2,523,754</u>	<u>\$2,523,754</u>

For the years ended December 31, 2022, and 2021, there were no significant transfers between levels.

Note J - Fully Benefit-Responsive Investment Contracts

During 2021 and a portion of 2022, the Plan held a traditional investment contract. This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value at December 31, 2021. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

See independent auditors' report

DHT Holdings, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note J - Fully Benefit-Responsive Investment Contracts - Continued

The following represents the contract value for the investment contract held by the Plan.

	December 31 2022	2021
Traditional Investment Contract	-	\$326,714

With traditional investment contracts, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers. The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is reset quarterly; for 2021, the crediting rates were 1.29% (first quarter), 1.24% (second quarter), 1.23% (third quarter), 1.23% (fourth quarter); for 2022, the crediting rates were 1.29% (first quarter), and 1.23% (second quarter), this investment was terminated June 30, 2022 when the custodial function changed from Nationwide Financial Services, Inc. to Newport Group, Inc.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may have been affected by future economic and regulatory developments.

Certain events might have limited the ability of the Plan to transact at contract value with the contract issuer. These events may have varied depending on the contract. Examples of such events include, but are not limited to, the following:

- The Plan's failure to qualify under Section 401 (a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501 (a) of the Internal Revenue Code.
- Premature termination of the contract.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the Company or other Company events (for example: divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

See independent auditors' report

Notes to Financial Statements

December 31, 2022 and 2021

Note J - Fully Benefit-Responsive Investment Contracts - Continued

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may vary depending on the contract. Examples of such events include, but are not limited to, the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

Note K - Plan Amendment

The Plan was amended on May 27, 2022, to modify the hardship necessity provisions. The Plan will not make a hardship distribution to a participant unless the participant has obtained all other currently available distributions under the Plan and all other plans of deferred compensation, whether qualified or nonqualified, maintained by the employer. In addition, for a distribution that is made on or after the latest effective date, the participant must certify that he or she has insufficient cash or other liquid assets reasonably available to satisfy the need. The Plan will not suspend the participant from making elective deferrals if the participant receives a hardship distribution.

Note L - Subsequent Events

Management has evaluated subsequent events through February 16, 2024, which is the date the financial statements were available to be issued.

Fidelity Bond

The Plan's ERISA fidelity bond coverage amount did not meet prescribed requirements for the years ended December 31, 2022 and 2021. No claims were incurred during the period for which the bond amount was insufficient. Plan management increased the fidelity bond amount to \$500,000 on September 18, 2023, and will meet the ERISA fidelity bond coverage requirements for the year ended December 31, 2023.

There are no additional subsequent events which require adjustment or disclosure in the financial statements.
