INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
Harvey 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Harvey 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Harvey 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Harvey 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harvey 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harvey 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harvey 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, and the Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HARVEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1: Description of Plan

The following description of the Harvey 401 (K) Plan provides only general information. Participants should refer to the Plan's adoption agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Harvey & Madding Inc., dba Dublin Honda, Roveta J. Corp., dba Tracy Honda, Tracy F2, Inc., dba Tracy Mazda, Dublin F2, Inc., dba Dublin Mazda, Harvey & Sons, Inc dba San Ramon Service Outlet & Lafayette Service Outlet., East Bay F2, Inc., dba San Leandro Mazda, and Hayward F2, Inc, dba Hayward Honda, ("the Company"), except collective bargaining employees and non-resident aliens, who have 6 months of service, and 500 hours of service, and are age 21 or older. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Administration. Under the terms of the Plan, certain corporate officer's of the sponsor are designated as Plan Trustee. The Plan has contracted with Transamerica Life Insurance Company ("Transamerica") to act as custodian and perform all administrative functions for the plan, including record keeping services, performance of compliance testing, and preparation of required tax filings.

Contributions. Each year, participants may contribute from 1 - 100% of their compensation, as defined in the Plan, subject to IRS limits. The Company may make contributions equal to a discretionary amount to be determined by the Company. For the 2023 plan year, the Company made a matching contribution to non-highly compensated participants of 50% of each participant's deferral with a maximum of \$1,000, totaling \$100,403.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, if any, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts, and charged with an allocation of administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is one hundred percent vested after six years of service.

Forfeitures. The total non-vested portion of terminated employees account balances are used by the plan sponsor to offset plan expenses, and any unused balance is allocated to participants who are employed as of the last day of the plan year and have worked over 1000 hours during the year. During the year ended December 31, 2023, there were \$23,757 of forfeitures generated, and \$23,784 was used to pay plan expenses. As of December 31, 2023, there was \$1 of unused forfeitures available to offset plan expenses or be allocated to participants as an additional employer contribution.

Investment Options. Upon enrollment in the Plan, a participant may direct employee contributions in various increments to the investments administered by Transamerica Life Insurance Company. Participants may change their investment options on a daily basis. Participants can choose from a variety of pooled separate accounts that hold underlying mutual funds as detailed in the Transamerica new participant enrollment package.

Notes Receivable from Participants. Participants may borrow from their fund accounts in cases of financial hardship. Loans amounts may range from a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loans must be repaid in level installments and, except in limited circumstances, within five years. The loans are secured by the balances in the participants' accounts and bear interest at a commercially reasonable rate of interest as determined by the Plan Administrator.

HARVEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1: Description of Plan (continued)

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account as a lump sum distribution or in a series of installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. All investments available in the plan allow for daily redemptions with no redemption notice period required.

Amendments - Effective June 1, 2023, the plan was amended to allow Roth deferrals and Roth rollovers, and to add ECHF2, Inc., dba El Cerrito Honda, as a participating company.

Note 2: Summary of Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation - The Plan's investments in pooled separate accounts are stated at fair value as reported by Transamerica. Fair value is based on market prices of the underlying mutual funds held in each pooled separate account. The Plan's investment in the Transamerica Stable Value Option is stated at contract value as reported by Transamerica. Contract value is based on the principal amount invested with Transamerica by each plan participant, the cumulative compounded interest earned in each participant account, less any withdrawals and fees.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Risks and Uncertainties - The Plan provides for various investment options which are exposed to a variety of risks, including interest rate, market fluctuations, valuation, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. At December 31, 2023, the Plan's investment in the Stable Value Option represented 14% of plan assets. A significant deterioration in the creditworthiness of Transamerica may result in participants' receiving less than full contract value.

Purchases and Sales of Securities - Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 3: Information Certified by Trustee

Transamerica Life Insurance Company, the trustee of the Plan, has certified as to the completeness and accuracy of the investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, the investment activities and reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the investment information reflected in the supplemental Schedule of Investments Held at December 31, 2023, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has been certified as complete and accurate and is summarized below:

	2023	2022
Value of interest in Pooled Separate Accounts	\$ 18,752,424	\$ 15,468,437
Transamerica Stable Value Option	3,016,744	4,025,937
Value of Participant Notes Receivable	174,296	172,048
Net appreciation in fair value of investments	2,786,808	
Interest on Funds Held in General Account (Unallocated Contracts)	68,883	
Interest on Participant Notes Receivable	9,048	

Note 4: Transamerica Stable Value Option

The Plan has entered into a deposit contract with the Transamerica Life Insurance Company (Transamerica) to provide participants in the Plan the Stable Value Option. The Stable Value Option investment choice is an obligation of Transamerica, and invested assets are commingled with the other assets in Transamerica's general account. There is no specific portfolio of assets in which the Plan's Stable Value Option funds are invested. The crediting interest rate is backed by the income received from assets held in the general account.

Transamerica has stated that the contract value approximates fair value, and there is no fair value adjustment reflected in these financial statements. The investment is considered fully benefit responsive and normal participant withdrawals and transfers from the Stable Value Option are processed at contract value. If the Plan were to request a liquidation, surrender charges and/or market value adjustments may apply. At December 31, 2023, the Plan's investment in the Stable Value Option represented 14% of plan assets. A significant deterioration in the creditworthiness of Transamerica may result in participants' receiving less than full contract value.

Note 5: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 (formerly FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

HARVEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 5: Fair Value Measurements (continued)

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and December 31, 2022.

Pooled Separate Accounts: Valued at fair value as determined by Transamerica, based on the number of units held and market prices of the underlying mutual fund investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and December 31, 2022:

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>

Note 6: Tax Status

The Plan uses the prototype plan document Transamerica Retirement Solutions, LLC Defined Contribution Pre-Approved Plan, sponsored by Transamerica Retirement Solutions, LLC who received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 7: Administrative and Advisor Fees

Administrative and advisor fees deducted from the plan were \$131,879 for the year ended December 31, 2023. Fees charged to the Plan included \$58,631 for administrative fees paid to the custodian and record keeper, Transamerica Life Insurance Company, \$43,883 in commissions to the plan's advisor, Merrill Lynch, \$15,965 paid to DeRoo & Associates for administration of contribution and census data, and \$13,400 paid to Pomares & Co., LLP for audit fees. Total fund level fees range from .04% to .83%.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 9: Reconciliation of Financial Statements to Schedule H of Form 5500

The Plan's Form 5500 is prepared on a cash basis of accounting while these financial statements are on the accrual basis. The following is a reconciliation of contributions per the financial statement for the year ending December 31, 2023 and contributions as stated on Schedule H of Form 5500:

Total contributions received & receivable per schedule H of Form 5500	\$ 1,270,719
Add employer contributions receivable for the 2023 Plan year received by the Plan in 2024	100,403
Less employer contributions receivable for the 2022 Plan year received by the Plan in 2023	<u>(76,547)</u>
Total contributions per the financial statement	<u><u>\$ 1,294,575</u></u>

Net Assets Available for Benefits per the financial statements is \$100,403 higher than the amount reported on Schedule H. Net Income shown on Schedule H of form 5500 is \$2,284,606. Net income per these financial statements is \$2,308,462, or \$23,856 higher than the amount reported on Schedule H. The differences relates to the cash vs. accrual differences detailed above.

Note 11: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. All of the plan's pooled separate accounts and the investment contract are held by Transamerica, the trustee. Transamerica is also the investment advisor for some of these investments. These transactions qualify as party-in-interest transactions. Fees paid by the Plan to Transamerica for investment management services of these underlying mutual funds or the investment contract is included as a reduction of the return on each fund. Notes receivable from participants also reflect party-in-interest transactions.
