**Tax Deferred Annuity Plan of  
RiseBoro Community Partnership, Inc.**

## **Independent Auditors' Report**

### **The Plan Administrator and Participants of Tax Deferred Annuity Plan of RiseBoro Community Partnership, Inc.**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of the Tax Deferred Annuity Plan of RiseBoro Community Partnership, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information), by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

### ***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

***Supplemental Schedules Required by ERISA (continued)***

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Tax Deferred Annuity Plan of  
RiseBoro Community Partnership, Inc.**

Notes to Financial Statements  
December 31, 2023

**1. Description of Plan**

The following description of the Tax Deferred Annuity Plan of RiseBoro Community Partnership, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the Plan description for a more complete description of the Plan's provisions.

***General and Eligibility***

The Plan is a defined contribution plan covering all employees of RiseBoro Community Partnership, Inc. ("RiseBoro"), RiseBoro HomeCare, Inc. ("RiseBoro HomeCare") and Moffat Gardens Assisted Living Program, Inc. ("Moffat"). Employees are eligible to participate in the Plan on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Contributions***

Participants may elect to have a percentage deducted on a pre-tax basis from their compensation as defined by the Plan. A participant may elect to increase, decrease or suspend their contributions according to procedures established by RiseBoro. There is an annual dollar limit as to the amount that can be contributed on a pre-tax basis into the Plan which is determined by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the Plan year end are eligible to make catch-up contributions up to the statutorily permitted amounts. Rollovers from other plans and certain IRAs are allowed.

***Participant Accounts***

Each participant's account is credited with the participant's contributions and the investment earnings thereon. The contributions are allocated among investment options according to the participant's instructions. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the amount accumulated in the participant's vested account.

***Vesting***

A participant is fully vested in his or her own contributions and earnings thereon at all times.

***Notes Receivable from Participants***

Participants are limited to borrowing the lesser of one half of their vested account balance or \$50,000. Additionally, the minimum loan a participant may take is \$1,000. These loans are repaid over a period of time not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the repayment period of time may be extended, not to exceed ten years. Participant loans bear a reasonable rate of interest as determined by the Plan administrator. The loans are secured by the participant's account balance in the Plan. Principal and interest repaid is reinvested based on the participant's present investment allocation selection.

**1. Description of Plan (continued)**

***Payment of Benefits***

Participants are eligible to receive distributions of their account without penalty upon reaching age 59 ½. Upon termination of service due to death, disability, retirement or other reasons, a participant is entitled to receive a distribution in the amount equal to the total value of the participant's account.

Hardship withdrawals are allowed under the Plan, and are generally defined as an immediate and heavy financial need for which funds are not reasonably available from other resources. Hardship situations are limited to purchase of a primary residence, certain tuition expenses, certain funeral expenses, deductible unreimbursed medical expenses and the need to prevent eviction from, or foreclosure of a mortgage on a principal residence. The withdrawal cannot exceed the amount of the immediate need, including amounts necessary to pay any federal, state or local income taxes or penalties reasonably anticipated to result from the withdrawal. In accordance with IRS Regulations participants must first exhaust all other assets reasonably available to them prior to obtaining a hardship withdrawal. Contributions to the Plan are suspended for six months after receipt of a hardship withdrawal.

**2. Summary of Significant Accounting Policies**

***Basis of Presentation and Use of Estimates***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

RiseBoro Community Partnership, Inc.**

Notes to Financial Statements

**2. Summary of Significant Accounting Policies (continued)**

***Notes Receivable from Participants***

Participant loans are valued at their outstanding principal amounts plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is deemed to be a benefit distribution. There were no loans in default at December 31, 2023 and 2022.

***Investment Valuation and Income Recognition***

The Plan investments in mutual funds and separate accounts are stated at fair value based upon quoted market prices and the fair value of the underlying investments, respectively. The Insurance Company General Accounts are stated at contract value which represents contributions plus earnings, less participant withdrawals and administrative expenses. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's separate accounts are valued at the closing price reported on the active market on which the underlying individual securities of the pool are traded. Securities in the active market are adjusted for internal fees and pooled into an adjusted market price.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Administrative fees may be paid from the assets of the Plan. RiseBoro, in its discretion, may decide to pay for any or all of these expenses. Investment related expenses are included in net depreciation in fair value of investments.

***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date October 15, 2024.

**3. Information Certified by Custodian (Unaudited)**

**5. Fully Benefit-Responsive Investment Contracts**

The Plan invests in two fully benefit-responsive investment contracts called the Mutual of America Interest Accumulation Account and the Fixed Income Guaranteed Option (collectively the "Funds"). The Funds maintain their contributions in insurance company general accounts. The contracts consist of guaranteed investment contracts which are valued based on the net asset value of the Funds as reported by the investment advisor. The Funds are recorded at contract value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The principal and previously credited interest is guaranteed by MOA and Principal. This guarantee is subject to MOA's and Principal's financial strength and claims-paying ability.

The Mutual of America Interest Accumulation Account represents approximately 4% and 6% of the net assets available for benefits at December 31, 2023 and 2022, respectively. The Fixed Income Guaranteed Option represents approximately 0.8% of the net assets available for benefits at both December 31, 2023 and 2022.

There are several risks specific to investment contracts. One of the primary risks involved is credit risk of the contract issuer. Credit risk for security-backed contracts includes risks arising from the potential inability of the issuer to meet the terms of the contract wrapper and the potential default of the underlying fixed-income securities. Participants may ordinarily withdraw or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

**6. Plan Termination**

Although it has not expressed any intent to do so, RiseBoro has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

**7. Tax Status**

The Plan's prototype plan document preparer has obtained an opinion letter dated March 31, 2017 from the Internal Revenue Service ("IRS") stating that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition or disclosure. The Plan is no longer subject to examination by the applicable taxing jurisdictions for periods prior to December 31, 2020.

**8. Party-in-Interest Transactions**

Certain Plan investments are managed by Mutual of America Life Insurance Company ("MOA") and Principal Financial Services, Inc. ("Principal"). MOA and Principal are the custodians as defined by the Plan and, therefore, these transactions are considered exempt party-in-interest transactions under ERISA.

Certain employees of RiseBoro, RiseBoro HomeCare and Moffat who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements on net assets available for benefits.

**9. Prohibited Transactions**

During 2023, the Employer failed to remit to the Plan certain participants' contributions totaling \$3,818 within the period prescribed by the Department of Labor Regulations. The Employer is in the process of calculating lost earnings on these contributions.

**10. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
