## **Report of Independent Auditors**

To the Administrator of CB Neptune Holdings LLC 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of CB Neptune Holdings LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America<sup>4</sup>, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following brief description of the CB Neptune Holdings LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. CB Neptune Holdings LLC (the “Company”) is the Plan’s sponsor. Participants should refer to the Plan document for more complete information.

The Plan is administered by members of Company management. Ascensus Trust Company is the trustee and custodian of the Plan (the “Trustee”).

#### **General**

The Plan is a defined contribution plan that was established on September 1, 2020, retroactive to July 1, 2020. Under such a plan, the participant is not provided with any fixed benefit. Plan contributions are made at specified rates and are credited to an individual account for the benefit of each participant. Investment income of the Plan is allocated daily to individual participant accounts based on participant account balances, as provided in the Plan. The ultimate benefit to be received by a participant depends on the aggregate amount contributed by the participant and the Company over the years and the investment results allocated to the participant’s individual account. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

#### **Contributions**

Eligible participants may elect to have made on their behalf, through salary reductions, a contribution at each payroll period of up to 100% of annual compensation. Participants may contribute up to the maximum allowable amount as prescribed in the Internal Revenue Code (\$22,500 per annum for 2023 and \$20,500 per annum for 2022, based on the calendar year). Contributions for highly compensated employees are further reduced if certain nondiscrimination tests are not complied with. Contributions made to the Plan are recorded during the Plan year to which they relate. In addition, participants aged 50 and over may contribute a “catch-up” contribution up to \$7,500 and \$6,500 for calendar years 2023 and 2022, respectively. Participants are permitted to make rollover contributions from certain other qualified plans.

The Company has the discretion to match each participant’s compensation as defined in the Plan. Participants are eligible for Company contribution after six months of service, as defined in the plan document. The matching contribution is calculated after the end of the fiscal year, June 30<sup>th</sup>, and is based upon the Company’s EBITDA performance.

#### **Vesting**

Participants are immediately vested in all employee contributions and the earnings thereon, and in the matching employer contributions once they have met the service requirements.

#### **Forfeitures**

Participants who terminate employment, but have not become fully vested in Company contributions, forfeit their unvested balances. In accordance with the Plan, the amount of forfeitures will be applied to reduce Company contributions. Forfeitures for the year ended June 30, 2023 were not material.

#### **Administrative Expenses**

For the year ended June 30, 2023, expenses related to the administration of the Plan were paid by the participants.

## **Notes to Financial Statements**

### **June 30, 2023 and 2022**

---

#### **Eligibility**

Participants who have attained age 21 are generally eligible to participate on their hire date.

#### **Payments of Benefits**

A participant's vested interest in Plan assets is distributable generally upon termination, disability, retirement or death. Active participants may receive distributions from the vested amounts in their accounts at any time after attaining the age of 59-1/2 or due to hardships as defined in the Plan. Participants may elect to receive their account balance as a single lump-sum payment (which payment would generally be eligible to be rolled-over to an Individual Retirement Account of the participant's choosing) or as a direct transfer to an Individual Retirement Account established by the Trustee.

#### **Notes Receivable From Participants**

Under certain conditions, participants may borrow up to the lesser of 50% of the participant's vested account balance or \$50,000 from their account balances, subject to the provisions of the Plan. The repayment term of the loans may vary from one to five years (with the exception of a loan used to purchase a primary residence, in which case the term of the loan may exceed five years) with interest payable at a fixed rate equal to the prime rate (as of the first day of the month following receipt of the loan application), plus 1%.

The loans are evidenced by promissory notes and require repayments of principal and interest to be deducted from the participants' salaries. The loans to a participant are collateralized by the participants' interests in the Plan's assets. If a participant terminates service with the Company prior to repayment of the loan, the outstanding balance of the loan becomes due immediately and the amount of the participant's distribution from the Plan is reduced accordingly.

As of June 30, 2023, loans outstanding bear interest at rates ranging from 3.25% to 8.25% with maturity dates ranging from 2023 through 2028.

#### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants in September 2023.

#### **Amendment and Termination of the Plan**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and to discontinue contributions at any time, subject to the provisions of ERISA. Upon termination or complete discontinuance of contributions to the Plan, all earned benefits credited to each participant's account shall be distributed at the time and in the manner provided for in the Plan. However, neither through amendment, nor by termination, may any part of the Plan's assets be used for purposes other than the exclusive benefit of the participants.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Presentation**

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

## Notes to Financial Statements

June 30, 2023 and 2022

---

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### **Investments and Investment Income**

Investments in mutual funds are stated at fair value. Quoted market prices are used to determine fair value. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

The Plan presents in the statement of changes in net assets available for benefits the net (depreciation) appreciation in the fair value of its investments, which consists of the realized gains and losses and unrealized (depreciation) appreciation in these investments.

### **Contributions Receivable**

An employer contribution receivable is recorded for amounts due to the Plan related to the current fiscal year at year-end.

### **Notes Receivable From Participants**

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the participant loan is deemed to be in default, at the time when the participant becomes eligible for a distribution under the terms of the Plan, the participant's account is reduced by the unpaid loan amount, plus any applicable interest, and the reduction is treated as a distribution.

### **Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

### **Risks and Uncertainties**

The Plan provides for investments in various investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events that could impact the value of investment securities, such as a pandemic or an international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in investment values in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan is exposed to credit loss in the event of nonperformance by the investment managers of the funds. However, the Plan does not anticipate nonperformance by the investment managers.

The following information as of and for the year ended June 30, 2023 and 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, an authorized representative of Ascensus Trust Company (the trustee of the Plan), in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under the ERISA. Ascensus Trust Company has authorized Ascensus, LLC to act as its agent for this purpose pursuant to a written agreement between the parties.

| Interest and dividend income                          | 250,220       |               |

Information contained in the supplemental Schedule of Assets (Held at End of Year) has been certified as to its completeness and accuracy by Ascensus, LLC, an authorized representative of Ascensus Trust Company.

#### 4. Related Parties and Parties-In-Interest

Certain Plan investments are shares of mutual funds managed by the Vanguard Group. Vanguard Group, Ascensus Trust Company and Ascensus LLC are the investment advisor, trustee and record keeper, respectively, as defined by the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$86,330 for the year ended June 30, 2023.

#### 5. Income Tax Status

The Plan has adopted a plan document that was pre-approved, and the Internal Revenue Service issued an opinion letter dated December 1, 2018 indicating that the plan document meets the applicable sections of the Internal Revenue Code. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### 6. Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification 820 ("ASC 820"), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
