INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Mid Florida Community Services, Inc. 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mid Florida Community Services, Inc. 403(b) Thrift Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the Mid Florida Community Services, Inc. 403(b) Thrift Plan ("the Plan") provides only general information. Refer to Plan documents for a more complete description of Plan provisions.

General

The Plan is a 403(b) defined contribution plan covering all employees of Mid Florida Community Services, Inc. (the "Company," the "Agency," or "Employer"). The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by American United Life Insurance Company (OneAmerica), Reliastar Life Insurance Company (Reliastar), National Life Group – Life Insurance Company of the Southwest (LSW), and Allianz Life Insurance Company of North America (Allianz) (collectively, the "contract issuers"), the custodians and qualified institutions for the Plan. OneAmerica act as the third-party administrator for the Plan and performs certain recordkeeping, plan administration and annual ERISA compliance testing. Also, Florida Retirement Consultants (FRC) serves as Plan Administrator.

Eligibility

All employees of the Employer are eligible for participation in the Plan. An eligible employee may enter the Plan on the first day of each calendar month.

Contributions

Each year, participants may contribute any amount of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. Employer matching contributions are not permitted under the Plan. Participants who have attained age 21 and have completed one year of service, as defined by the Plan, are eligible to receive an employer base contribution equal to 8% of the participant's compensation for the year ended December 31, 2023, whether or not the participant has made salary deferral contributions to the Plan.

During the year ended December 31, 2023, the Company made an \$874,123 profit sharing contribution. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Agency's contribution, and allocations of the Plan's earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Mid Florida Community Services, Inc. 403(b) Thrift Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and employer based contributions, plus any earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant can have only two loans currently outstanding from the Plan. Annuities are treated as loans directly from the contract issuers, and balances are used as collateral. At December 31, 2023 and 2022, the vested interest in accounts used as collateral for loans made outside of the Plan were approximately \$33,000 and \$36,000, respectively.

Benefit Payments

On termination of service due to death, disability, retirement, or other reasons a participant may receive the value of the vested interest in his or her account as a lump sum distribution or an annuity.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC) and in accordance with the plan agreement, a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value, but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for further discussion of fair value measurements, contract value, and NAV.

The Plan Administrator determines the Plan's valuation policies utilizing information provided by the contract issuers.

Mid Florida Community Services, Inc. 403(b) Thrift Plan

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

During the year ended December 31, 2023, expenses of \$33,343 were paid by the Plan and allocated to participant accounts.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 17, 2024, and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Mid Florida Community Services, Inc. 403(b) Thrift Plan

Notes to Financial Statements

Note 3: INFORMATION CERTIFIED BY QUALIFIED INSTITUTIONS

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by the contract issuers, the qualified institutions:

- a) Total investments, at fair value and contract value, included in the statements of net assets available for benefits at December 31, 2023 and 2022.
- b) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- c) All amounts included in Note 4, *Fair Value Measurements*.
- d) All amounts included in Note 5, *Contract with American United Life Insurance Company*.
- e) All amounts included in Note 6, *Annuity Contracts with Other Contract Issuers*.
- f) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2023.

Note 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mid Florida Community Services, Inc. 403(b) Thrift Plan

Notes to Financial Statements

Note 4: FAIR VALUE MEASUREMENTS (Continued)

Pooled separate accounts: valued at NAV of units of the separate account. The NAV, as provided by the contract issuer, is based on fair value of the underlying investments, which are traded on an active market, held by the account less its liabilities, then divided by the number of units outstanding. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

Fixed annuity contracts: valued at fair value based on a discounted cash flows methodology using a rate of interest as of the financial statement date that reflects a market rate of interest for a contract with similar terms and credit risk.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
December 31, 2023				
Pooled separate accounts	\$ 6,240,888	\$ -	\$ -	\$ 6,240,888
Annuity contracts	-	-	1,659,758	1,659,758
Total investments at fair value	\$ 6,240,888	\$ -	\$ 1,659,758	\$ 7,900,646
December 31, 2022				
Pooled separate accounts	\$ 5,164,871	\$ -	\$ -	\$ 5,164,871
Annuity contracts	-	-	1,909,658	1,909,658
Total investments at fair value	\$ 5,164,871	\$ -	\$ 1,909,658	\$ 7,074,529

Changes in Fair Value of Level 3 Assets

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in the economic conditions or model-based valuations techniques may require the transfer of financial instruments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the financial instruments and size of the transfer relative to total net assets available for benefits.

Changes in Fair Value of Level 3 Assets (continued)

Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2023 and 2022, respectively, and the significant unobservable inputs:

Instrument	Fair Value 2023	Fair Value 2022	Principal Valuation Technique	Significant Unobservable Inputs
Annuity Contracts	\$ 1,659,758	\$ 1,909,658	Discounted Cash Flow	Composite Credit Rate

Note 5: CONTRACT WITH AMERICAN UNITED LIFE INSURANCE COMPANY

In a prior year, the Agency entered into a deposit administration group annuity contract with OneAmerica to which contributions under the Plan are made. Participants can elect to invest their account balances in either a fixed option account or a pooled separate account maintained by OneAmerica.

Fixed option account: considered a cash equivalent as it presents the following characteristics: 1) there are no front-end or back-end charges, so the investments in the general account are completely liquid; 2) the interest rate credited is a current rate and is not dependent on the length of time the assets are invested with OneAmerica; 3) withdrawals can be made at any time and are processed on the day the request is received; and, 4) the published value is the redeemable value of the fund as there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of the withdrawal request. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Mid Florida Community Services, Inc. 403(b) Thrift Plan

Notes to Financial Statements

Note 5: CONTRACT WITH AMERICAN UNITED LIFE INSURANCE COMPANY (Continued)

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. OneAmerica is contractually obligated to repay the principal and a specified interest rate (1% at December 31, 2023) that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer. The crediting rate is reviewed periodically for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Stable value account: alternatively, participants may direct that all or a portion of their account balance be used to purchase units in various funds of the OneAmerica Pooled Separate Account. The Separate Account funds include a wide variety of managed portfolios, including registered investment companies. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. OneAmerica does not guarantee the monies invested in the Separate Account as to principal or income. Benefit payments to participants or their beneficiaries are made directly by OneAmerica from the funds accumulated under the contract.

Note 6: ANNUITY CONTRACTS WITH OTHER CONTRACT ISSUERS

Prior to entering into the deposit administration group annuity contract with OneAmerica, the Plan allowed for several 403(b) fund providers to accept new contributions under the Plan. From the Plan's inception through February 28, 2009, contributions were made to fixed annuity contracts issued by Reliastar, LSW, and Allianz. The contracts accumulate value by receiving contribution premiums and earnings as defined in each type of annuity contract. The annuity contracts accumulate earnings based on the current crediting interest rate, and certain annuity contracts are subject to bonus adjustments if certain length-of-contract criteria are met. Each annuity contract is subject to guaranteed crediting interest rate reflected at the time of contract issuance. Withdrawals may be subject to a fee, as defined in the annuity contract, based on certain length-of-contract criteria and provisions of federal law. There are no reserves against contract value for credit risk of the contract issuers or otherwise.

Note 7: TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan Administrator and the Plan's tax counsel believe that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by OneAmerica. OneAmerica provides certain administrative services to the Plan. As such, these transactions qualify as party-in-interest transactions.

Note 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

IRS announces tax relief for victims of Milton; various deadlines postponed to May 1, 2025 in all of Florida

FL-2024-10, Oct. 11, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in parts of Florida that were affected by Hurricane Milton that began on Oct. 5, 2024. These taxpayers now have until May 1, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the [Federal Emergency Management Agency \(FEMA\)](#), individuals and households that reside or have a business in Alachua, Baker, Bradford, Brevard, Broward, Charlotte, Citrus, Clay

Collier, Columbia, DeSoto, Dixie, Duval, Flagler, Gilchrist, Glades, Hamilton, Hardee, Hendry, Hernando, Highlands, Hillsborough, Indian River, Lafayette, Lake, Lee, Levy, Madison, Manatee, Marion, Martin, Miami-Dade, Monroe, Nassau, Okeechobee, Orange, Osceola, Palm Beach, Pasco, Pinellas, Polk, Putman, Sarasota, Seminole, St. Johns, St. Lucie, Sumter, Suwannee, Taylor, Union, and Volusia counties qualify for tax relief.

Combined with earlier tax relief provided for taxpayers in counties affected by Hurricane Debby and Hurricane Helene, **affected taxpayers in all of Florida now have until May 1, 2025, to file various federal individual and business tax returns and make tax payments**, including 2024 individual and business returns normally due during March and April 2025 and 2023 individual and corporate returns with valid extensions and quarterly estimated tax payments.

The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Oct. 5, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025. As a result, affected individuals and businesses will have until May 1, 2025, to file returns and pay any taxes that were originally due during this period.

The May 1, 2025, filing deadline applies to:

- Any individual or business that has a 2024 return normally due during March or April 2025.
- Any individual, C corporation or tax-exempt organization that has a valid extension to file their calendar-year 2023 federal return. The IRS noted, however, that payments on these returns are not eligible for the extra time because they were due last spring before the hurricane occurred.
- 2024 quarterly estimated tax payments normally due on Jan. 15, 2025, and 2025 estimated tax payments normally due on April 15, 2025.
- Quarterly payroll and excise tax returns normally due on Oct. 31, 2024, Jan. 31, 2025, and April 30, 2025.

In addition, penalties on payroll and excise tax deposits due on or after Oct. 5, 2024, and before Oct. 21, 2024, will be abated as long as the tax deposits are made by Oct. 21, 2024. Localities eligible for this relief are: Alachua, Baker, Bradford, Brevard, Broward, Charlotte, Citrus, Clay, Collier, Columbia, DeSoto, Dixie, Duval, Flagler, Gilchrist, Glades, Hamilton, Hardee, Hendry, Hernando, Highlands, Hillsborough, Indian River, Lafayette, Lake, Lee, Levy, Madison, Manatee, Marion, Martin, Miami-Dade, Monroe, Nassau, Okeechobee, Orange, Osceola, Palm Beach, Pasco, Pinellas, Polk, Putman, Sarasota, Seminole, St. Johns, St. Lucie, Sumter, Suwannee, Taylor, Union and Volusia counties.

Deposit penalty relief and other relief was previously provided to taxpayers affected by Debby and Helene. For details, see the [Florida](#) page on IRS.gov. The [Disaster assistance and emergency relief for individuals and businesses](#) page also has details, as well as information on other returns, payments and tax-related actions qualifying for relief during the postponement period

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](#) to request this tax relief. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the [Bulk requests from practitioners for disaster relief](#) option, described on IRS.gov.

Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected are eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to

meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until May 1, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Oct. 5, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

Affected taxpayers that have an estimated income tax payment originally due on or after Oct. 5, 2024, are postponed through May 1, 2025, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before May 1, 2025.

The IRS also gives affected taxpayers until May 1, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (Dec. 10, 2018), that are due to be performed on or after Oct. 5, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Oct. 5, 2024, and before May 1, 2025, are postponed through May 1, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Oct. 5, 2024, and before Oct. 21, 2024, will be abated as long as the tax deposits were made by Oct. 21, 2024.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. See [Publication 547 for details](#). Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and [its instructions](#) [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, FEMA-3622--EM on any return. See [Publication 547 for details](#).

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number **(3622-EM)**, in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See [Publication 525 for details](#).

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
