INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Board of Directors
403(b) Thrift Plan of Gulfstream Goodwill, Inc.
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Gulfstream Goodwill, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and the supplemental schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator and Board of Directors
403(b) Thrift Plan of Gulfstream Goodwill, Inc.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Gulfstream Goodwill, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which was established on May 1, 1994 and subsequently amended, is classified as a defined-contribution plan covering substantially all employees of Gulfstream Goodwill, Inc. (the “Company”), regardless of age or length of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Custodian

Plan assets are held in the custody of Mutual of America Life Insurance Company (the “Plan Custodian”/“MOA”).

Contributions

Eligible employees may contribute a percentage of their pre-tax, or after-tax, annual compensation, as defined in the Plan, up to the annual limit, as determined by the Internal Revenue Service (“IRS”). Catch-up contributions are allowed for participants who are at least 50 years of age by the end of the Plan year. Contribution deferral percentages can be changed throughout the year.

The Plan includes a Safe Harbor provision. The Safe Harbor contribution is the lesser of 4% of participant’s compensation or the amount contributed to the Plan by the participant. A participant must complete one year of service (at least 1,000 hours) and be at least 21 years of age to be eligible to receive Company contributions.

The Plan provides for eligible participants to be automatically enrolled in the Plan, unless they affirmatively decline to participate.

Participant Accounts

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations of Plan earnings and administrative expenses are primarily based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Vesting

Participants are immediately vested in their salary deferral contributions, employer matching contributions, and rollovers, plus actual earnings thereon.

Investment Options

Participants may direct their account balance among any of the Plan's investment options offered by MOA. Participants may change their investment options at any time.

Benefits and Forfeitures

Upon termination of employment, death, or disability of the participant, benefit payments will be made based on Plan provisions and participant elections. As of a participant's termination of employment, the participant is entitled to receive a distribution of their entire vested interest. All non-vested benefits are forfeited by participants should they terminate employment prior to becoming vested. Amounts forfeited are used to reduce future Company contributions. There were no unallocated forfeitures as of December 31, 2023 and 2022. During the year ended December 31, 2023, approximately \$-0- of the forfeited account balances were used to offset Company contributions to the Plan.

Participant Loans with Plan Custodian

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from 1 to 5 years, or up to 10 years for the purchase of a principal residence. A participant may only have two loans outstanding at a time. The notes are collateralized by the balance in the participant's account and bear interest at a rate of the Wall Street Journal's published prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Participant notes are recorded at their unpaid principal balance, plus accrued but unpaid interest.

Investment Risk

The Plan's investments are not insured by the Plan Custodian, the Company, the Federal Deposit Insurance Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with money market funds, mutual funds, stocks, bonds, and other similar types of investments that it may elect.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with U.S. GAAP and with the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosures under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

As of December 31, 2023 and 2022, the Plan’s funds were invested in registered investment companies. The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Registered investment companies are valued at the reported net asset value (“NAV”) of shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets owned less any fund liabilities.

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on the accrual basis. The net change in the fair value of the Plan’s investments include the Plan’s gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits

Benefits are recorded when paid. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan at December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Administrative and Investment Expenses

Administrative expenses of the Plan, including compensation for the Plan Custodian, consultants, and legal counsel, may be paid by the Plan sponsor. Commissions and other investment-related expenses are netted against the change in fair value of investments. Certain administrative expenses are paid directly by the Company at its discretion and are not reimbursed by the Plan. Participant notes receivable administration fees are paid by the participants.

Subsequent Events

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition through October 15, 2024, the date the financial statements were available to be issued.

NOTE 3 - PLAN CERTIFICATION

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment and participant notes receivable information disclosed in the financial statements and supplemental schedules of assets (held at end of year) including investments held at December 31, 2023 and 2022, change in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments reported at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	<u>\$ 8,815,975</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,815,975</u>

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	<u>\$ 7,657,833</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,657,833</u>

NOTE 5 - INCOME TAX STATUS

The original plan is a prototype plan prepared and maintained by a third party. The prototype plan obtained its latest determination letter on March 31, 2017, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and tax exempt.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan's investments are managed by the Plan Custodian; therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - NON-EXEMPT TRANSACTIONS

During the Plan year ended December 31, 2022, the Plan failed to remit employee and employer deferral contributions for certain payroll periods within the timeframe prescribed by the DOL. These are deemed prohibited transactions with ERISA and the IRC. Through the date of the audit report, the Plan sponsor is in the process of funding the applicable lost earnings to the Plan's affected participants.
