INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
CareMetx, LLC 401(k) Plan
Bethesda, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of CareMetx, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company, the trustee of the Plan, a qualified institution, as of and for the year ended December 31, 2022, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the 2022 Financial Statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2022 Financial Statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

The Plan does not have sufficient accounting records and supporting documents relating to certain contributions made to the Plan during 2022. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the 2022 Financial Statements may have been affected by these conditions.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of CareMetx, LLC 401(k) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of CareMetx, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - 2022 Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the table of contents as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the statement of net assets available for benefits as of December 31, 2021 and the related notes to the financial statements (2021 Financial Statements) of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In our report dated October 14, 2022, we indicated that in our opinion (a) the amounts and disclosures in the 2021 Financial Statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the CareMetx, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

CareMetx, LLC (the Company, Plan Administrator, and Plan Sponsor) formed the Plan effective January 1, 2016. The Plan is a defined contribution plan covering all employees of the Company who have completed three months of service as defined by the Plan and are at least 21 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by a third-party administrator.

Effective April 2, 2021, the Company terminated a group of employees in a specific department. The Plan was amended in April 2021 to override the existing vesting schedule for the affected participants, who became 100% vested as of April 2, 2021.

The Plan was amended in May 2021 to recognize participants' prior years of service with Phyz Healthcare Solutions, LLC, which the Company acquired in 2021. The Plan was amended and restated effective October 6, 2022 to recognize participants' prior years of service with Human Care Systems, LLC, which the Company acquired in 2021.

Plan Mergers

Human Care Systems, LLC and Phyz Healthcare Solutions, LLC were acquired by the Company in 2021. Effective October 6, 2022 and September 1, 2021, the Plan was amended to merge Human Care Systems, LLC 401(k) Plan and Phyz Healthcare 401(k) Plan, respectively, into the Plan. Transfers in of \$2,744,937 and \$672,998 were recorded during the years ended December 31, 2022 and 2021, respectively, for these mergers.

Contributions

Participants may elect to defer up to 90% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. Employees who have not declined participation in writing or completed a salary deferral election form as of the date of their eligibility to participate in the Plan will be automatically enrolled in the Plan with a pre-tax deferral rate of 3% and their contributions are invested in a fund designated by the Plan Administrator until changed by the participant. The Plan provides for a discretionary employer matching contribution to eligible participants, which is 25% of the first 4% of compensation that a participant contributed to the Plan. The Plan also provides for a discretionary non-elective contribution for participants employed on the last day of the Plan year. There were no discretionary employer non-elective contributions made during 2022. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of fifty by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's non-elective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in discretionary employer matching and non-elective contributions plus actual earnings thereon is based on years of continuous service at a rate of 20% each year. Participants are fully vested in their employer matching and discretionary profit sharing contributions after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the balance in the participants' accounts and bear interest at rates that range from 4.25% to 8.50% at December 31, 2022. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon attaining age 59½ or termination of service, a participant may elect to receive a lump-sum amount, installments over a certain period, or partial withdrawal amounts equal to the value of the participant's vested account. If the value of the vested benefits credited to the participant's account is \$5,000 or less at the time of termination, the entire account will be automatically distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator.

Active participants may request hardship withdrawals from their elective deferral account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures of employer contributions may be used to reduce future employer contributions, or to pay Plan administrative expenses. Unallocated forfeiture balances as of December 31, 2022 and 2021 were \$13,910 and \$35, respectively. Forfeitures of \$28,490 were used to reduce employer contributions for the year ended December 31, 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make repayments on a note receivable and the Plan administrator deems the note receivable to be in default, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the trustee from the Company. Any contributions attributable to the Plan year but not received by the trustee by the last day of the Plan year are recorded as a receivable.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan accrued \$72,752 and \$143,372 in excess contributions payable at December 31, 2022 and 2021, respectively, which were paid to the applicable participants prior to March 15, 2023 and 2022, respectively.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements

December 31, 2022 and 2021 and Year Ended December 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees for distributions are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

The Company received funds from the RIA ERISA budget account totaling \$52,056 in 2022 which were used to pay certain Plan expenses. The receipt of these funds is included in other income.

Income Taxes

The Company adopted a non-standardized pre-approved profit sharing/money purchase plan with a cash or deferred arrangement which received an opinion letter from the IRS dated October 6, 2020 stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2022 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 13,352,686</u>	<u>\$ 13,352,686</u>
Total investments in the fair value hierarchy	<u><u>\$ 13,352,686</u></u>	<u><u>\$ 13,352,686</u></u>

The Plan's investments accounted for at fair value as of December 31, 2021 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 11,248,493</u>	<u>\$ 11,248,493</u>
Total investments in the fair value hierarchy	<u><u>\$ 11,248,493</u></u>	<u><u>\$ 11,248,493</u></u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the investment in the funds of the trustee, and related dividend income, interest, and the payment of expenses to the trustee by the Plan. Such transactions are exempt from being prohibited transactions.

NOTE H - DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Company is required to segregate participant contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages.

During 2022, the Company did not remit \$122,685 of participant deferrals and loan repayments to the Plan timely. As of December 31, 2022, the participant deferrals and the lost earnings associated with \$209 and the lost earnings associated with \$122,476 of these delinquent contributions have not been remitted to the Plan. In 2024, the participant deferrals and lost earnings were remitted to the Plan.

NOTE J - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 4, 2024, the date which the financial statements were available to be issued.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE 2.0 Act of 2022 (SECURE Act 2.0). SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.
