INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Plan 1081.0l(d) de Ashford Presbyterian Community Hospital

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Plan 1081.0l(d) de Ashford Presbyterian Community Hospital (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements – (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 and the Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter — Supplemental Schedule Required by ERISA – (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of plan

The following description of the Plan 1081.01(d) de Ashford Presbyterian Community Hospital (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on February 9, 2001 as a defined contribution plan, covering all regular employees of Presbyterian Community Hospital, Inc. (the Plan Sponsor), who have 21 years of age or older and have completed 1 year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 1081.01 of the Puerto Rico Internal Revenue Code (the Code).

Contributions

Each year, participants may contribute an amount of their compensation not exceeding the maximum deferral as specified by local law. Participants may also contribute amounts representing distributions from other qualified plans, subject to the conditions and limitations set forth in the Plan agreement. The Plan's Sponsor makes discretionary matching contributions and contributed 50% of participant contributions up to 1.5% of the participant compensation. The Sponsor may also make profit sharing contributions.

Investments options

The Plan Sponsor's and participants' contributions are invested in various investment funds provided by the Custodian as permitted in the Plan agreement.

Participant accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's contribution and (b) Plan earnings. Allocations of Plan earnings are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan's Sponsor matching portion of their accounts plus actual earnings thereon is based on years of continuous service since the inception of the Plan.

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

Note 1 - Description of the plan – (continued)

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 1 full year	0%
2 years less than 3	25%
3 years less than 4	50%
4 years less than 5	75%
5 years or more	100%

Notes receivable from participant

Notes receivable from participants are not permitted.

Excess participant's contribution payable

Participants may contribute excess contributions which will be reimbursed to the participants. Excess contributions are recorded as a liability and as a reduction of participant-directed contributions for the year in the Plan's financial statements.

Payments of benefits

On termination of service due to death, disability or retirement, a participant or participant's beneficiaries may elect to receive a distribution equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, the Plan provides for in-service distributions in certain circumstances, including financial hardship withdrawals, subject to certain limitations.

Also, in-service distributions may be available to participants as special disaster distributions, as determined by the Puerto Rico Treasury Department.

Note 1 - Description of plan – (continued)

Forfeitures

Upon participant's termination from employment or withdrawal from the Plan for any reason other than death, retirement or disability, the Plan Sponsor contributions on behalf of the participants not then vested are forfeited. Forfeitures shall be used to pay for Plan expenses, allocate to the participant accounts, or to reduce the Plan Sponsor contribution. At December 31, 2023 and 2022, the forfeitures account balance amounted to \$24,399 and \$41,383, respectively.

Administrative expenses

The Plan Sponsor is responsible for the general administration of the Plan. All administrative fees, to the extent not paid from the Plan's assets, are paid by the Plan Sponsor.

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting and in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

Note 2 - Summary of significant accounting policies – (continued)

Investments valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2023, the Plan's investments appreciated in value by \$859,768.

Payment of benefits

Benefits are recorded when paid.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefits payable

The Plan accounts for benefits payable in accordance with the guidance provided by the American Institute of Certified Public Accounts (AICPA) *Audit and Accounting Guide, Audits of Employee Benefit Plans*. This guidance requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as liability of the Plan. As of December 31, 2023 and 2022, benefits payable due to participants amounted to \$11,392 and \$26,298, respectively.

Note 3 - Information certified by Custodian (unaudited)

The plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan 1081.0l(d) de Ashford Presbyterian Community Hospital

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

Note 3 - Information certified by Custodian (unaudited) – (continued)

Accordingly, Empower Trust Company, LLC (the Custodian), has certified as to the completeness and accuracy of all investment related information reflected in the accompanying financial statements as of December 31, 2023 and 2022, and for the year ended December 31, 2023, and the related notes to the financial statements, and the schedule H, part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023. The Custodian maintains all records, executes investment transactions, and holds all the assets of the Plan.

Note 4 - Fair value measurements

In accordance with the provisions of Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) No. 820, Fair Value Measurements, the Plan uses valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible to estimate fair values.

The Plan determines fair values based on assumptions that market participants would have used in pricing an asset or liability in the principal or most advantageous market.

ASC 820 provides a fair value hierarchy that prioritizes the use of observable inputs in the valuation techniques used to measure fair value, as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

Plan 1081.0l(d) de Ashford Presbyterian Community Hospital

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

Note 4 - Fair value measurements – (continued)

Following is a description of the valuation methodologies used by the Plan for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds are valued at the net asset value of shares held by the plan at year end. These investments are classified as Level 1.

Fixed annuities are valued based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. These investments are classified as Level 2.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets recorded at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total

Note 6 - Non-discrimination test

The Plan did not comply with the discrimination test for the years ended December 31, 2023 and 2022. This test requires compliance with a determined percentage of contributions to the Plan as established in Section 1081.01 of the Code. The Plan Sponsor elected to reimburse highly compensated employees the excess contributions made during the years ended December 31, 2023 and 2022, amounting to \$9,107 and \$8,306, respectively. Such participants received the 2023 and 2022 excess contributions in June 2024 and May 2024, respectively.

Management has evaluated the Plan tax position and concluded that the Plan has maintain its tax-exempt status and had a taken no uncertain tax positions that require adjustment to the financial statements.

Note 8 - Subsequent event

The Plan's management evaluated subsequent events through October 10, 2024, which is the date the financial statements were available to be issued. “Tax relief for victims of Tropical Storm Ernesto in Puerto Rico – Filing Deadline Postponed - No Late Filing”

The accompanied return is subject to tax relief pursuant to the provisions of IRS news release PR-2024-05 (updated as of Oct 4, 2024 - “IRS announces tax relief for victims of Tropical Storm Ernesto in Puerto Rico; various deadlines postponed to Feb. 3, 2025”).

In general, due to the disaster declaration issued by the Federal Emergency Management Agency as a result of the passage of Tropical Storm Ernesto through Puerto Rico on August 13, 2024, the IRS has postponed until February 3, 2025, certain filing deadlines falling on or after August 13, 2024, and before February 3, 2025.

IRS news release PR-2024-05 indicates that “this relief also includes the filing of Form 5500 series returns that were required to be filed on or after Aug. 13, 2024, and before Feb. 3, 2025, are postponed through Feb. 3, 2025”.

Based on the aforementioned relief, Puerto Rico taxpayers may timely file the enclosed Form 5500 Series Return on or before February 3, 2025. Accordingly, no late filing penalty applies in this case.

IRS announces tax relief for victims of Tropical Storm Ernesto in Puerto Rico; various deadlines postponed to Feb. 3, 2025

Updated 10/04/2024: This news release has been updated to reflect a correction on payroll and excise tax deposits due dates.

PR-2024-05, Aug. 23, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in Puerto Rico that were affected by severe storms and flooding that began on Aug. 13, 2024. These taxpayers now have until Feb. 3, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the [Federal Emergency Management Agency \(FEMA\)](#) , individuals and households that reside or have a business in all 78 municipalities qualify for tax relief.

The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Aug. 13, 2024, and before Feb. 3, 2025, are granted additional time to file through Feb. 3, 2025. As a result, affected individuals and businesses will have until Feb. 3, 2025, to file returns and pay any taxes that were originally due during this period.

The Feb. 3, 2025, filing deadline applies to:

- Individuals who had a valid extension to file their 2023 return due to run out on Oct. 15, 2024. The IRS noted, however, that because tax payments related to these 2023 returns were due on April 15, 2024, those payments are not eligible for this relief.
- Businesses with an original or extended due date including, among others, calendar-year partnerships and S corporations whose 2023 extensions run out on Sept. 16, 2024, and calendar-year corporations whose 2023 extensions run out on Oct. 15, 2024.

The Feb. 3, 2025, deadline also applies to any payment normally due during this period, including the quarterly estimated tax payments due on Sept. 16, 2024, and Jan. 15, 2025, and the quarterly payroll and excise tax returns normally due on Oct. 31, 2024, and Jan. 31, 2025. In addition, penalties on payroll and excise tax deposits due on or after Aug. 13, 2024, and before Aug. 28, 2024, will be abated as long as the tax deposits are made by Aug. 28, 2024.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the [Bulk requests from practitioners for disaster relief](#) option, described on [IRS.gov](https://www.irs.gov).

Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until Feb. 3, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Aug. 13, 2024, and before Feb. 3, 2025, are granted additional time to file through Feb. 3, 2025.

Affected taxpayers that have an estimated income tax payment originally due on or after Aug. 13, 2024, are postponed through Feb. 3, 2025, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before Feb. 3, 2025.

The IRS also gives affected taxpayers until Feb 3, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after Aug. 13, 2024, and before Feb. 3, 2025, are granted additional time to file through Feb. 3, 2025.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Aug. 13, 2024, and before Feb. 3, 2025, are postponed through Feb. 3, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Aug. 13, 2024, and before Aug. 28, 2024, will be abated as long as the tax deposits were made by Aug. 28, 2024.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. See [Publication 547](#) for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, 3610-EM on any return. See [Publication 547](#) for details.

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number (**3610-EM**), in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See [Publication 525](#) for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
