Independent Auditor's Report

To the Plan Administrator and
Those Charged with Governance
Elephant Insurance Services, LLC 401(k) Plan
Henrico, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Elephant Insurance Services, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Elephant Insurance Services, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1 – Plan Description

The following description of the Elephant Insurance Services, LLC 401(k) Plan (the “Plan”) is provided for general informational purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a defined contribution plan covering substantially all employees of Elephant Insurance Services, LLC, its subsidiaries, and related companies (the “Company”) who have at least three months of service and who have attained 18 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan allows participants to make voluntary deferral contributions up to the maximum percentage allowable, subject to *Internal Revenue Code (IRC)* limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a target date fund until changed by the participant. Participants who are automatically enrolled will have their deferred percentage increased by 1% each year until it reaches a maximum of 10% of eligible compensation, unless an election is made otherwise.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options. All employer contributions are made at the discretion of the Company. During the year ended December 31, 2023, the Company elected to make matching contributions equal to 100% of the first 5% of base compensation that a participant contributed to the Plan. The Company may also make a discretionary contribution, in addition to the matching contribution, as outlined in the Plan document.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contributions, Plan earnings (losses), and reasonable fees charged against such accounts at the direction of the Plan Administrator. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

A participant is fully vested in voluntary contributions and earnings thereon. A participant vests in employer contributions and earnings thereon according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 3	0%
3 or more	100%

Elephant Insurance Services, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

Any participant, who reaches normal retirement age or dies, will have a 100% vested interest regardless of years of service. All voluntary contributions made by employees are immediately 100% vested and nonforfeitable.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or the greater of 50% of their vested account balance or \$10,000. The notes are secured by the balance in the participant's account and bear interest at rates currently being charged on similar commercial loans by persons in the business of lending money. At December 31, 2023, outstanding notes bore interest rates of 4.25% - 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, a participant or their beneficiary may elect to receive the total amount equal to the value of the participant's vested interest in his or her account according to one of the options as described in the Plan and as elected by the participant. For vested balances of \$5,000 or less, participant consent is not required for the distribution. An in-service distribution is permitted under certain situations and generally is limited to the amount of a participant's account that is 100% vested.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$272,723 and \$121,617, respectively. These accounts will be used to reduce future Company contributions or to pay administrative expenses, and any remaining funds will be allocated amongst participants. During the year ended December 31, 2023, \$-0- was used to reduce Company contributions or pay administrative expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4, *Fair Value Measurements*, for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are reported on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Elephant Insurance Services, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the *Internal Revenue Service* is recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative fees are paid by the Plan. Other administrative expenses are absorbed by the Company.

Subsequent Events

The Plan has evaluated subsequent events through September 4, 2024, the date the financial statements were available to be issued.

Note 3 – Certified Information

Certain information was certified as complete and accurate by Delaware Charter Guarantee & Trust Company (dba Principal Trust Company), the Plan's Trustee. That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
- Notes receivable from participants

Note 4 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Elephant Insurance Services, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Measurements

The fair value of the stable value fund is based on quoted market prices of the shares held by the Plan at year end, or if the trust includes contractual components, the fair value is based on quoted prices for similar assets or liabilities in active or non-active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Total
Mutual funds	\$ 32,083,127	\$ -	\$ 32,083,127
Stable value fund	-	1,001,109	1,001,109
Total investments at fair value	<u>\$ 32,083,127</u>	<u>\$ 1,001,109</u>	<u>\$ 33,084,236</u>

Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Total
Mutual funds	\$ 27,475,626	\$ -	\$ 27,475,626
Stable value fund	-	482,913	482,913
Total investments at fair value	<u>\$ 27,475,626</u>	<u>\$ 482,913</u>	<u>\$ 27,958,539</u>

Note 5 – Investment Contracts

The Plan has investments in the Principal Stable Value Fund. Included in this fund are certain guaranteed investment contracts and synthetic investment contracts. These contracts are considered to be benefit-responsive and are presented at fair value. The average yields for this fund are as follows:

	2023	2022
Based on annualized earnings	2.66%	1.82%
Based on interest rate credited to participants	2.66%	1.83%

Elephant Insurance Services, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

The objective of the Principal Stable Value Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit responsive plan or participant payments. The percentage of contributions allocated to the stable value fund is determined by the participants.

Note 6 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits as reported in the financial statements	\$ 33,966,930	\$ 28,785,388
Excess contributions	-	20,342
Net assets as reported in the Form 5500	<u>\$ 33,966,930</u>	<u>\$ 28,805,730</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits as reported in the financial statements	\$ 5,181,542
Change in excess contributions	(20,342)
Net income as reported in the Form 5500	<u>\$ 5,161,200</u>

Note 7 – Party-in-Interest Transactions

Investments are held and managed by the Plan's trustee. Therefore, these investments and accounting transactions qualify as party-in-interest transactions. Fees paid for investment and recordkeeping services totaled \$106,803 for the year ended December 31, 2023.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9 – Tax Status

The Plan adopted a non-standardized prototype plan sponsored by Principal Life Insurance Company and has not requested a determination letter but rather has relied upon the *Internal Revenue Service* opinion letter dated June 30, 2020, issued on the prototype plan, stating the Plan and related trust are designed in accordance with applicable provisions of the *Internal Revenue Code (IRC)*.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the *IRS*. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
