INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
U.A. Local Nos. 343 and 355 Defined Contribution Plan:

Opinion

We have audited the financial statements of U.A. Local Nos. 343 and 355 Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; and the related statements of changes in net assets available for the years then ended; and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of U.A. Local Nos. 343 and 355 Defined Contribution Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the U.A. Local Nos. 343 and 355 Defined Contribution Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the U.A. Local Nos. 343 and 355 Defined Contribution Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the U.A. Local Nos. 343 and 355 Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt the U.A. Local Nos. 343 and 355 Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements
December 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition

General

Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Mutual Funds: The fair value of mutual funds is based on quoted market prices in active markets (Level 1).

Money Market Funds: The fair value of the money market funds is based on the total value of all the securities held using the amortized cost method. Generally, the amortized cost approximates the current fair value. The funds seek to maintain a net asset value of \$1.00 (Level 2).

U.A. Local Nos. 343 and 355 Defined Contribution Plan
Notes to Financial Statements
December 31, 2023 and 2022

Collective Investment Trust: The fair value of the MG Trust Company (dba the Matrix) is based on the unit net asset value and is estimated by the insurance company, based on the valuation of the underlying investments. The net asset value is being used as a practical expedient to estimate fair value. The Matrix invests in Metropolitan Life Insurance Company's fully benefit-responsive investment contracts. This investment is a direct filing entity with the Department of Labor; therefore, information regarding the investment strategy is not disclosed. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a 60-day redemption notice to liquidate its entire share in the Matrix. The Plan will receive the lesser of the guaranteed value or the market value when terminating this investment as an option in the Plan.

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains and losses and the unrealized appreciation (depreciation) on those investments.

Contributions Receivable

Employer and employee contributions due and not paid prior to year-end are recorded as contributions receivable. Allowance for credit losses is considered unnecessary and is not provided. Employer contributions due as a result of payroll audits have been recorded net of an allowance equal to the amount due because collectability is uncertain. Therefore, delinquent employer contributions due as a result of payroll audits are recorded when received. Reciprocity is recorded when employer contributions, income or payments are identified.

Notes Receivable from Participants

Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results may differ from those estimates.

Participant distributions

Distributions to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

U.A. Local Nos. 343 and 355 Defined Contribution Plan
Notes to Financial Statements
December 31, 2023 and 2022

Risks and Uncertainties

The Plan invests in mutual funds, money market funds, and a collective investment trust. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Leases

The Plan categorizes leases with contractual terms longer than twelve months as either operating or finance. Finance leases are generally those leases that allow the Plan to substantially utilize or pay for the entire asset over its estimated life. All other leases are categorized as operating leases. Leases with contractual terms of 12 months or less are not recorded on the statements of net assets available for benefits. The Plan had no finance leases during 2023 and 2022.

Options to extend lease terms, terminate leases before the contractual expiration date, or purchase the leased assets, are evaluated for their likelihood of exercise. If it is reasonably certain that the option will be exercised, the option is considered in determining the classification and measurement of the lease. The Plan has included a right of early termination clause in its lease with the Vaca 343 MT LLC in that the Vaca 343 MT LLC and the Plan each have the unconditional right to terminate the lease early, without penalty or payment of any kind, by delivering to the other party not less than 90 calendar days' prior written notice of the early termination date of the lease. Therefore, the lease with the Vaca 343 MT LLC is considered a short-term lease and is not required to be recorded on the statements of net assets available for benefits. See Note 9 for additional information on these leases.

Accounting Pronouncements Currently Adopted

In June 2016, the FASB issued an Accounting Standards Update ("ASU") amending the accounting for credit losses on financial statements. This methodology replaced the incurred loss methodology with the expected credit losses using a wide range of reasonable and supportable information. The amendment affects loans, debt securities, trade receivables, net investments in leases, off-balance-sheet credit exposure and other financial instruments recorded at amortized cost.

The Plan adopted the new standard effective January 1, 2023, using the modified retrospective approach. Comparative prior periods were not adjusted upon adoption. Upon adoption, there was no cumulative-effect adjustment to the opening fund balance.

2. DESCRIPTION OF THE PLAN

The Plan is a defined contribution plan maintained under collective bargaining agreements by and between Local Union Nos. 343 and 355 of United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada, AFL-CIO, and various associations of employers and individual employers engaging in the plumbing and pipe fitting industry in Northern California. The Plan was effective July 1, 1981, and was restated as of July 1, 2014. The agreements require that an individual's signatory employer pay into the Plan a specified amount per hour for hours worked by each of their employees in covered employment, depending upon each employee's classification.

U.A. Local Nos. 343 and 355 Defined Contribution Plan
Notes to Financial Statements
December 31, 2023 and 2022

Upon the restatement date, a participant may elect to enter into a written wage reduction agreement. The wage reduction agreement shall provide that the participant agrees to accept a reduction in wages from their employer. The total compensation deferral may not exceed the limitations prescribed by law. In accordance with such wage reduction agreement, the employer shall make monthly employee contributions to the employee's account on behalf of the participant for each such month in an amount equal to the total amount by which the participant's compensation from the employer was reduced during the month pursuant to the wage reduction agreement. The Plan is a multiemployer defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Participants are eligible to participate in the Plan if they have been employed for 300 hours in any one Plan year in a position for which contributions are required to be made to this Plan under a collective bargaining agreement or for which U.A. Local No. 343, U.A. Local No. 355 or another collectively bargained entity has agreed to contribute to this Plan, commencing on the participant's effective date.

A separate account shall be maintained for each participant, which will be funded by the following:

- 1) All mandatory contributions required to be made by an employer on behalf of a participant; and
- 2) All contributions that are required to be made on behalf of any employee who has elected to take a qualified cash or deferred arrangement, subject to the following limitations:
 - a. In no case may the elective contributions for an employee in any year total more than permitted under Section 402(g) of the Internal Revenue Code.
- 3) All qualified rollover contributions; and
- 4) All contributions made pursuant to the Uniform Services Employment and Reemployment Rights Act of 1994; and
- 5) Any funds transferred to the Plan (with appropriate records) from a U.A. Defined Contribution Plan that has adopted an agreement with this Plan providing for such transfers, if the funds are transferred on behalf of, and at the behest of, an employee who has an effective date under this Plan, and the employee has transferred their union membership to U.A. Local No. 343 or U.A. Local No. 355.

Vesting

Each participant's right, title and interest in their employer-contributed account shall be 100% vested at all times on or after their effective date. Each participant's right, title and interest in their elective account and voluntary account shall be 100% vested at all times.

Investment Options

A participant may direct the Plan to allocate their Plan account or contributions among the options available under the Plan. Contributions to the Plan are invested as directed by the participant in various mutual funds or a common collective trust fund. Participants must evaluate their own investment goals and objectives and choose the mutual funds best suited to achieve those goals and objectives. Poor investment performance by the mutual funds selected by the participant may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

U.A. Local Nos. 343 and 355 Defined Contribution Plan
Notes to Financial Statements
December 31, 2023 and 2022

Notes Receivable from Participants

Participants are able to borrow a portion of their account balance depending on the dollar value of their account balance but may borrow no less than \$2,500 and no more than \$50,000 (or 50% of their account balance). Each loan must be repaid within five years, unless the loan is specifically for the purchase of a primary residence, which must be repaid over a period of no more than 30 years. The applicable interest rate is determined periodically by the Board of Trustees. The interest rates on current outstanding loans are between 8% and 11.5%.

Payment of Benefits

The Trustees of the Plan shall determine the method of distribution of a participant's interest in the Plan. These methods include lump-sum distributions or installments.

Participants of the Plan shall be entitled to distribution of their accounts upon the date of their actual retirement under the Plan. The Plan also allows for early distribution to participants who apply and provide evidence that they are suffering a substantial economic hardship. In the event of termination of employment or onset of permanent disability within the meaning of the Plan, the participant or their beneficiary shall be entitled to distribution of their entire interest in the Plan. A participant may also be entitled to a distribution of benefits upon the lapse of 12 months since the participant's last hour of employment in the plumbing and pipefitting industry, as defined in the Plan. The Plan also allows a participant to take a one-time distribution of benefits upon the lapse of three months since the participant's last hour of employment in the plumbing and pipefitting industry, as defined in the Plan.

The Board of Trustees may, prior to the annuity commencement date, order immediate distribution of any qualified joint and survivor annuity or pre-retirement survivor annuity without the consent of the participant or the participant's spouse, when the total value of the employee's account is less than \$5,000. When the value of the account is greater than or has ever exceeded \$5,000, a lump-sum distribution may be ordered, but only with the written consent of the participant and the participant's spouse.

Any benefits to which a participant or beneficiary is entitled under the rules of this Plan and which remain unclaimed after three years from the date of notification shall be applied to the expenses of the administration of the Plan but shall be restored should a valid claim be made. If the Plan is terminated, any benefits that remain unclaimed and ineligible for forfeiture will escheat to the State of California.

3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right to terminate the Plan subject to the provisions of ERISA. Benefits would be distributed to the participants and their beneficiaries as if the Plan had not been terminated.

4. TAX STATUS

The Plan obtained its latest determination letter, dated March 6, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the determination letter, the Plan's administrator and the Plan's legal counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, they believe that the Plan is qualified and the related trust is tax exempt.

U.A. Local Nos. 343 and 355 Defined Contribution Plan
Notes to Financial Statements
December 31, 2023 and 2022

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. FUNDING POLICY

This Plan is funded by contributions from contributing employers and participants and by the net earnings of the investments of the Plan.

6. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2023 and 2022, are as follows:

Description	Fair Value Measurements at Reporting Date Using			December 31, 2023
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

7. REDUCTION OF ADMINISTRATION FEES

Certain expenses for administration and bookkeeping services are reduced or completely subsidized by funds received directly by one of the Plan's service providers from various mutual fund companies ("Sub-TA fees"). These Sub-TA fees are initially paid to the Plan's record keeper under its contract with the mutual fund companies. During the years ended December 31, 2023 and 2022, expenses for administration and bookkeeping services were offset by \$39,834 and \$51,200, respectively, and were recorded as other income in the statements of changes in net assets available for benefits. If these Sub-TA fees were discontinued or if modifications were made to the agreement between the Plan and the respective service provider, the expense reduction of certain administration and bookkeeping expenses would cease, which may result in possible increases in administration expenses.

8. RELATED-PARTY TRANSACTIONS

This Plan and the United Association of Plumbers and Steamfitters, Local Union No. 343 (the "Local") have common Trustees/Officers. The Plan received administrative services from the Local. The Plan reimburses the Local for its share of the administrative costs in proportion to the time, effort and expense expended on its behalf. The Plan's share of these administrative costs during the years ended December 31, 2023 and 2022, totaled \$139,212 and \$77,256, respectively. As of December 31, 2023 and 2022, the amount owed to the Local for administrative services is \$386,791.

9. OBLIGATION UNDER OPERATING LEASE

The Plan entered into a ten-year lease (with an option to extend for five additional years) with the Vaca 343 MT, LLC (the "LLC"). The lease expires on November 30, 2029, with an option to extend until November 30, 2034. The LLC's only member is the UA Local No. 343 Defined Benefit Plan (the "DBP"). The Plan and the DBP share a common Board of Trustees. The Plan's annual rent expense under this lease was \$15,949 for the year ended December 31, 2023. For the year ended December 31, 2023, the annual base rent was \$9,712 and the CAMS and other rental fees totaled \$6,237. The Plan's base rent expense for the year ended December 31, 2022, was \$9,400 and was included in accounts payable. The lease contains a mutual termination clause, yielding it a short-term lease under the accounting principles generally accepted in the United States of America. However, should the lease be fulfilled throughout the remaining stated terms, the future minimum rental payments are as follows:

2024	\$	10,004
2025		10,304
2026		10,613
2027		10,932
2028		11,259
Thereafter		10,604
	\$	<u>63,716</u>

10. CASH CONCENTRATION

The Plan has significant cash balances at financial institutions which throughout the year regularly exceed the federally insured limit of \$250,000. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Plan's financial condition, results of operations, and cash flows.

11. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2023, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 10, 2024, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
U.A. Local Nos. 343 and 355 Defined Contribution Plan:

We have audited the financial statements of U.A. Local Nos. 343 and 355 Defined Contribution Plan as of and for the years ended December 31, 2023 and 2022, and have issued our report thereon dated October 10, 2024, which contained an unmodified opinion on those financial statements. Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying information, which appears on the supplementary information of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and the Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
