Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ARMANINO LLP**

(2) EIN: **94-6214841**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Tarzana Treatment Centers, Inc.
Tarzana, California

Opinion

We have audited the accompanying consolidated financial statements of Tarzana Treatment Centers, Inc. (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Tarzana Treatment Centers, Inc. as of June 30, 2023, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tarzana Treatment Centers, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As described in Note 2 to the financial statements, the Organization has adopted Financial Accounting Standards Board ("FASB") Accounting Standard Codification ("ASC") Topic 842, *Leases*, as of July 1, 2022. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tarzana Treatment Centers, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tarzana Treatment Centers, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tarzana Treatment Centers, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2023, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

1. NATURE OF OPERATIONS

The consolidated financial statements include the accounts of Tarzana Treatment Centers, Inc. ("TTC") and those of TTC Foundation (the "Foundation"), referred to collectively as the "Organization."

Nature of activities

Founded in 1972, TTC's mission is to provide high-quality, integrated health care that improves the quality of life and health of patients regardless of financial resources and contributes to a reduction in the total cost of care. This mission is aligned with the intent of the Affordable Care Act and specifically parallels the goals of the Triple Aim of (a) improving the quality and overall experience of care; (b) improving population health; and (c) reducing per capita cost.

Today, TTC is a leader in providing integrated health care services for Substance Use Disorders, Mental Illness and Primary Medical Care, including specialty HIV/AIDS medical care. TTC's integrated model of care is based on its decades of health service delivery experience and is not replicated in the same comprehensive nature by any other provider in California.

TTC provides a full continuum of adult and youth substance use disorders treatment services, including inpatient medical detoxification, residential detoxification, psychiatric stabilization, residential and outpatient rehabilitation and an array of mental illness treatment services both inpatient and outpatient. TTC is also well-versed in the care of those suffering from both mental illness and substance use disorders.

TTC integrates behavioral health services into all of its primary and specialty care clinics and integrates primary care into all of its behavioral health services. TTC provides services for mental illness to all age groups and provides supportive services that include housing, benefits assistance and transportation. Guided by population-health metrics and patient-centered care standards, TTC provides integrated services that are coordinated, comprehensive and team-based. All patients are screened and assessed for medical and behavioral health conditions and receive whole-person care guided by an integrated treatment plan.

The Foundation was incorporated on February 25, 2020. The Foundation operates to hold assets for, and on behalf of, TTC, and invest such assets in furtherance of TTC's charitable purposes. The Foundation is a supporting organization of TTC. TTC is required to consolidate the Foundation because it has both control and an economic interest.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Organization is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management who are responsible for its integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America ("U.S. GAAP") and have been consistently applied in the preparation of the consolidated financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Change in Accounting Principle

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-02, Leases, Accounting Standards Codification ("ASC") Topic 842 ("ASC 842"). ASC 842 is the comprehensive lease standard that supersedes the previous authoritative lease accounting guidance contained in ASC 840. ASC 842 requires a lessee to recognize assets and liabilities related to long-term leases that were classified in its statement of financial position as operating leases under previous guidance. A leased asset, referred to as a right-of-use asset, is to be recognized related to the right to use the underlying asset and a lease related liability is to be recognized related to the lease payment obligations over the term of the lease, and includes options to extend that management reasonably expects to exercise. ASC 842 also requires expanded disclosures surrounding leases.

The Organization adopted ASC 842, with an initial application date of July 1, 2022, by applying the modified retrospective transition approach and using the additional and optional transition method provided by ASU No. 2018-11, Leases (Topic 842): Targeted Improvements. The Organization did not restate prior periods as presented under ASC 840 and, instead, evaluated whether a cumulative impact adjustment to net assets as of July 1, 2022, was necessary for the cumulative impact of adoption of ASC 842. Management determined no cumulative effect adjustment to net assets as of July 1, 2022, was necessary.

As part of the allowable transition method, the Organization elected to apply the following practical expedients:

- Election not to reassess whether any expired or existing contracts are, or contain, leases.
- Election not to reassess the lease classification for any expired or existing leases.
- Election not to reassess initial direct costs on any existing leases.
- Election to use the risk-free interest rate as the discount rate.
- Election whereby the lease and nonlease components will not be separated for leases of office space, warehouse and equipment.
- Election not to record right-of-use assets and corresponding lease liabilities for short-term leases with a lease term of 12 months or less, but greater than one month. Leases of one month or less are not included in short-term lease costs.

The Organization evaluates whether new contracts are a lease at the contract inception or for a modified contract at the modification date. In calculating the present value of the right-of-use assets and liabilities, the Organization includes lease renewals and or termination options. If it is reasonably certain that a renewal or termination option will be exercised, the exercise of the options is considered in calculating the term of the lease.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of accounting and financial statement presentation

The accompanying consolidated financial statements were prepared on the accrual basis of accounting.

The Organization reports information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. Typically, the Organization only has net assets without donor restrictions.

- *Net assets without donor restrictions* - Net assets available for general use and not subject to donor (or certain grantor) restrictions.
- *Net assets with donor restrictions* - Net assets subject to donor- (or certain grantor-) imposed restrictions. The Organization has no net assets with donor restrictions as of June 30, 2023.

Income tax status

The Organization is a nonprofit public benefit corporation organized under the laws of California and, as such, is exempt from federal and state income taxes under Internal Revenue Code ("IRC") Section 501(c)(3) and corresponding state provisions.

Use of estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from these estimates.

Insurance coverage

The Organization is exposed to risk of loss related to professional and general liability. Management believes that the levels of coverage carried are adequate so that no potential claim could negatively impact the Organization's operations in future periods.

Concentration of credit risk

Frequently, the Organization's bank balances exceed the FDIC-insured limits. The Organization has not experienced and does not anticipate any losses relating to cash held in these balances.

The Organization derived approximately 67% of its total revenues during the year from the County of Los Angeles through a number of contracts and agreements, each of which is negotiated, performed and monitored on an individual basis. Management anticipates this funding will continue at the present levels.

Tarzana Treatment Centers, Inc.
Notes to Consolidated Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of long lived assets

Management reviews each asset or asset group for impairment whenever events or circumstances indicate that the carrying value of an asset or asset group may not be recoverable, but at least annually. No impairment provision was recorded by the Organization during the year.

Cash and cash equivalents

The Organization considers all highly-liquid financial instruments purchased with an original maturity of three months or less to be cash equivalents.

Investments in marketable securities

Investments in marketable securities with readily determinable fair values and all investments in debt securities are recorded at their fair values in the consolidated statement of financial position. Realized and unrealized gains and losses are included in the statement of activities.

Fair value measurements

The Organization follows an accounting standard which defines fair value for those assets (and liabilities) that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. The statement applies to fair value measurements already required or permitted by existing standards.

- *Level 1* - utilize quoted prices (unadjusted) in active markets for identical assets (or liabilities).
- *Level 2* - utilize data points that are observable such as quoted prices, interest rates and yield curves.
- *Level 3* - unobservable data points for the asset (or liability) and include situations where there is little, if any, market activity for the asset (or liability).

Investments in private mortgage pools

The Organization has purchased a one-percent interest in private mortgage pools which are carried at cost minus impairment. No impairment provision was recorded by the Organization during the year.

Accounts receivable

Accounts receivable are unsecured and the Organization is at-risk to the extent that such amounts become uncollectible. Management has provided an allowance for doubtful accounts based on known events and historical activity.

Tarzana Treatment Centers, Inc.
Notes to Consolidated Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Restricted cash

Restricted cash consists of funding received for facility construction made available from the revenue bond financing (see Note 8). These funds are administered by the trustee, U.S. Bank, and are disbursed to the Organization as facility construction costs are incurred.

Other assets

Other assets consist of the following:

Deposits	\$ 586,150
Investments in security options trust	108,734
Rental incentive payments	<u>279,909</u>
	<u>\$ 974,793</u>

Deposits - consist primarily of security deposits pursuant to facility lease agreements (see Note 12).

Investments in security options trust - the Organization holds investments in a financial institution for the benefit of its participants in the Discounted Employee Security Option Program (see Note 10).

Rental incentive payments - represents payments to incentivize the lessors to negotiate and enter into new leases with extended terms with the Organization.

Property and equipment

Purchases of property and equipment are recorded at cost. Donated items are recorded at fair value when received.

Depreciation and amortization on both purchased and donated items are recorded using the straight-line method over the shorter of the estimated useful life of the related asset or the term of the lease for leasehold improvements as follows:

Buildings	39 years
Hospital and house equipment	7 years
Computer and office equipment	5 years
Computer software	5 years
Transportation equipment	5 years

Normal repairs and maintenance are expensed as incurred, whereas significant charges that materially increase values or extend useful lives are capitalized and depreciated over the estimated useful lives of the related assets.

Tarzana Treatment Centers, Inc.
Notes to Consolidated Financial Statements
June 30, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Deferred compensation

The Organization maintains a deferred compensation plan for the benefit of certain management employees. Assets of the deferred compensation plan are discussed in this note at "other assets" and the corresponding liability is discussed at Note 10.

Deferred revenue

Deferred revenue represents money received from contracts/grants prior to being earned. Grant and contract revenue is recognized in subsequent years as services are rendered.

Government grants

The Organization receives a portion of its public support based on reimbursable costs as defined by the respective grants. These grants meet the criteria to be classified as conditional contributions under U.S. GAAP revenue recognition for nonprofit organizations as they contain barriers related to the incurrence of qualifying expenditures and a right of return or release. The Organization has elected the simultaneous release option to account for these grants. Therefore, they are recorded as government grants without donor restrictions upon satisfaction of the barriers. In the event amounts are received and have not been earned, the Organization records such amounts as refundable advances until earned. At June 30, 2023, the Organization had conditional contributions related to open state and federal government grants and contracts in the approximate amount of \$21,200,000 that have yet to be recorded. Reimbursements recorded under these grants are subject to audit by the granting agency. Management anticipates no material adverse outcomes as a result of these granting agency audits.

Cost allocation

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program or support service are allocated directly according to functional expense classifications. Costs common to multiple functions have been allocated among the various functions benefited.

Cost settlements

Given general uncertainties with their funding sources, it is the policy of the Organization to record cost settlements, resulting in either reimbursements or additional funding, only when notification has been received directly from the funding source. Future cost settlement notifications will be recognized in the period they are received. The Organization did not receive any cost settlement notifications during the year ended June 30, 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Organization has evaluated events subsequent to June 30, 2023, to assess the need for potential recognition or disclosure in the consolidated financial statements. Such events were evaluated through December 27, 2023, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the consolidated financial statements.

7. REVOLVING NOTE

The Organization has a revolving line of credit with City National Bank ("CNB") for funds available to borrow up to \$1,000,000 with interest equal to the greater of (i) 2.5% or (ii) the "Prime Rate" of CNB (8.25% at June 30, 2023) less 0.75%. There was no outstanding balance as of June 30, 2023.

8. LONG-TERM DEBT

On February 1, 2023, the Organization entered into four auto loans totaling \$117,308, with interest at 6.94%. The Organization has scheduled total payments of \$3,629 each month through the maturity of the auto loans on February 18, 2026. At June 30, 2023, the balance totaled \$105,615.

On March 1, 2019, the California Health Facilities Financing Authority issued revenue bonds (the "Bonds") in the amount of \$13,500,000 on behalf of the Organization to finance construction of three facilities located in Lancaster and Long Beach, California. The Bonds consist of Series A and Series B bonds, with interest ranging between 3.80% and 4.95%, and secured by deeds of trusts on the real properties in Lancaster and Long Beach, California. Series A and Series B bonds are scheduled to mature on June 1, 2044 and June 1, 2032, respectively. The Organization is scheduled to make payments ranging from approximately \$53,000 and \$76,000 each month over the life of the bonds. As of June 30, 2023, the outstanding balance was \$12,524,167.

The future maturities of the long-term debt are as follows:

<u>Year ending June 30,</u>	
2024	\$ 379,363
2025	400,064
2026	412,035

9. WORKERS' COMPENSATION LIABILITY

The Organization is partially self-insured for workers' compensation. The program is supplemented with commercial excess insurance from third-party insurance carriers for total claims above the Organization's self-insurance retention of \$500,000. The Organization has retained an outside administrator to monitor, process and administer its claims. The administrator also establishes an accrual for future payments on known claims. Historically, the Organization has had a very low frequency of incurred but not reported claims.

Changes in the balance of claim liabilities are as follows:

Balance July 1, 2022	Current Year Claims and Changes in Estimates	Claims/Payments	Balance June 30, 2023
\$ 1,330,081	\$ 455,197	\$ (248,824)	\$ 1,536,454

The liability has been included in accrued expenses in the accompanying consolidated financial statements.

California's private insurance program requires that self-insured employers post collateral to cover estimated future claim liabilities. The Organization participates in California's "Alternative Security Program," part of the Self-Insurer's Security Fund. Membership in this program allows the Organization to fulfill the collateral requirement through its membership and investment in the program and without posting the Organization's assets as collateral.

10. DEFERRED COMPENSATION

The Organization has a non-qualified deferred compensation plan structured as a Discounted Employee Security Option Program ("DESOP") for the benefit of certain management employees. The Organization's board makes annual grants of options in publicly-traded mutual funds which the Organization has purchased to fund the DESOP and the account balance fluctuates with the investment returns on those funds. The DESOP assets are held in a separate trust, subject to the claims of the Organization's creditors in the event that the Organization becomes insolvent. Consequently, the trust qualifies as a grantor trust for income tax purposes. Charges to deferred compensation expense are included within personnel costs in the consolidated statement of functional expenses.

401(k) Plan

The Organization has established a defined contribution plan under IRC Section 401(k) covering certain employees aged 18 years and older who have completed six months of service. The terms of the plan provide that employees, once eligible, may participate in the plan by making contributions up to the maximum allowed under the IRC. The Organization makes discretionary matching contributions of 100% of the elective deferral up to 2.5% of eligible earnings. Employer contributions to the plan for the year totaled \$660,000 and are included in retirement plan expenses in the consolidated statement of functional expenses.

11. RELATED PARTY TRANSACTIONS

The Organization leases properties from entities in which an officer/director who is a non-voting Ex Officio member has invested, but holds a noncontrolling interest.

The officer/director who is a non-voting Ex Officio member owns a noncontrolling interest in the following entities:

Property	Lease Termination	Rent Paid	Property Taxes Paid
18700 Oxnard St.	November 2027	\$ 596,587	\$ 37,344
44447 10th St. West	June 2028	1,139,139	51,616

907 West Lancaster Blvd.	March 2028	<u>214,595</u>	<u>18,028</u>
		<u>\$ 3,244,186</u>	<u>\$ 202,697</u>

The officer/director who is a non-voting Ex Officio member is the sole owner of another property which the Organization leases on a month-to-month basis. Total rent during the year ended June 30, 2023 was \$36,000.

The Organization has had valuations performed on all of the significant properties by a third-party appraiser. These appraisals support the Organization's position that it is paying fair rental value (or less) for each property.

12. OPERATING LEASES

The Organization leases buildings and equipment under noncancelable operating lease agreements expiring through December 2053 which are classified as right-of-use assets and liabilities.

The adoption of ASC 842 resulted in the recognition of right-of-use assets and liabilities totaling \$94,210,339 on July 1, 2022.

The right-of-use lease assets are detailed as follows:

Right-of-use-assets- operating \$ 87,249,502

The right-of-use lease liabilities are detailed as follows:

Operating lease liabilities \$ 88,894,037

Weighted-average discount rate	3.04%

13. CONTINGENCIES

Litigation

The Organization operates its mission in an environment that is subject to professional and general liability risks. Management believes it is adequately insured so that no potential claim could create a significant adverse financial impact.

13. CONTINGENCIES (continued)

Regulatory environment

Laws and regulations governing the programs pursuant to which the Organization is reimbursed for its services are extremely complex and subject to interpretation. During the last few years, as a result of investigations by federal and state governmental agencies, various health care organizations have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which investigations have resulted in some instances in organizations entering into significant settlement agreements. The Organization's compliance with such laws and regulations may be subject to future government review and interpretation. Moreover, the Organization expects that the level of review and audit to which it and other care providers are subject will increase. As a result, there is a reasonable possibility recorded amounts will change by a material amount in the near term. To foster compliance with applicable laws and regulations, the Organization maintains a compliance program designed to detect and correct potential violations of laws and regulations related to its programs. The Organization believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigation involving allegations of potential wrongdoing.

State funding

Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. During the last few years, as a result of nationwide investigations by governmental agencies, various health care organizations have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which, in some instances, have resulted in organizations entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation, as well as regulatory action, which could include fines, penalties, exclusion from the Medicare and Medicaid programs and revocation of federal or state tax-exempt status. Moreover, the Organization expects that the level of review and audit to which it and other health care providers are subject to increase.

Various state and federal agencies routinely initiate audits of healthcare providers, including the Organization. These funding agency audits are continually in various stages of discovery and relate to reimbursement, billing practices and other matters of the Organization. There can be no assurance that regulatory authorities will not challenge the Organization's compliance with these laws and regulations and it is not possible to determine the impact, if any, such claims or penalties would have on the Organization. As a result, there is a possibility that recorded amounts will change by a material amount in the near-term, although management currently has no information that would suggest there will be a material change. To foster compliance with applicable laws and regulations, the Organization maintains a compliance program designed to detect and correct potential violations of laws and regulations related to its programs. Management has received no letters of noncompliance as of June 30, 2023.

14. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 6,381,285
Accounts receivable, net	34,282,674
Investments in marketable securities	<u>12,013,396</u>
	<u>\$ 52,677,355</u>

The Organization has a line of credit available for use with a limit of \$1,000,000. There was no outstanding balance as of June 30, 2023 (see Note 7).

15. PROVISION FOR UNRECONCILED CLAIMS

During the year ended June 30, 2022, TTC became aware that it had received payments greater than amounts it had billed to the County of Los Angeles totaling approximately \$10,800,000, wherein TTC notified the County of Los Angeles. The amounts paid by the County of Los Angeles is currently being reconciled, and as of the date of the consolidated financial statements the reconciliation has not been finalized. Management has recorded its estimate of the total overpayments received as of June 30, 2022 within the provision for unreconciled claims in the accompanying consolidated financial statements. TTC and the County of Los Angeles do not believe there is any noncompliance in this matter with respect to these amounts, and both parties are cooperating and have agreed to work out a viable solution.

SINGLE AUDIT REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Tarzana Treatment Centers, Inc.
Tarzana, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Tarzana Treatment Centers, Inc. (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the consolidated financial statements, and have issued our report thereon dated December 27, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies.

Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY
THE UNIFORM GUIDANCE

Board of Directors
Tarzana Treatment Centers, Inc.
Tarzana, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Tarzana Treatment Centers, Inc. (the "Organization")'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards
June 30, 2023

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Tarzana Treatment Centers, Inc. (the "Organization") under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement. Pass-through entity identifying numbers are presented where available and applicable.

3. INDIRECT COSTS

The Organization does not use the 10% de minimus cost rate.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name:

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
