INDEPENDENT AUDITOR REPORT

To the Plan Administrator
French Camp Academy 403(b) Plan
French Camp, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We were engaged to perform an audit of the accompanying 2023 financial statements of French Camp Academy 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the French Camp Academy 403(b) Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2023 Financial Statements

We do not express an opinion on the accompanying 2023 financial statements of French Camp Academy 403(b) Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2023 financial statements.

Basis for Disclaimer of Opinion on the 2023 Financial Statements

French Camp Academy 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the French Camp Academy 403(b) Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about French Camp Academy 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Our responsibility is to conduct an audit of French Camp Academy 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2023 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of French Camp Academy 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2023 Financial Statements section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

Auditors' Report on the 2022 Financial Statements

Predecessor auditors Haddox Reid Eubanks Betts, PLLC, who merged with BMSS, LLC as of December 1, 2023, performed an audit of the 2022 financial statements of French Camp Academy 403(b) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 16, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the

2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

FRENCH CAMP ACADEMY 403(B) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the French Camp Academy 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1994, and was amended and restated effective January 10, 2017. The Plan is a defined contribution 403(b) plan covering all employees of French Camp Academy and French Camp Radio (collectively the Employer), except employees who are students performing services under Internal Revenue Code (IRC) Section 3121(b)(10) and employees who normally work less than 20 hours per week. Employees are eligible to participate in the elective deferral portion of the Plan immediately upon hire. Participants become eligible to receive a matching contribution upon attainment of age 21 and completion of one year of service. The Board of Trustees of French Camp Academy are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of compensation, as defined by the Plan document and subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are not eligible to receive a matching contribution on catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer contributes a matching contribution of \$0.50 for each \$1.00 of deferrals up to \$75 per month. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer matching contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer matching portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Notes to Financial Statements

December 31, 2023 and 2022

(Continued)

NOTE 1 - PLAN DESCRIPTION - Continued

Forfeitures

Forfeitures of non-vested participant accounts are used to reduce employer contributions. For the years ended December 31, 2023 and 2022, participants forfeited \$0 and \$723, respectively. The Plan held \$3,211 and \$3,089 in a suspense account at December 31, 2023 and 2022, respectively, for the purpose of reducing future employer contributions. For the years ended December 31, 2023 and 2022, no forfeitures were used to reduce Employer contributions.

Notes Receivable from Participants

Participants who meet the requirements for a safe harbor hardship withdrawal may apply for a plan loan. All loans will be limited to the lesser of 50% of the participant's vested account balance or \$50,000. The minimum loan amount is \$1,000. Only one loan per participant may be outstanding at any time. There were no participant loans outstanding at December 31, 2023 and 2022.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation of service, a participant, or his or her beneficiary, may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account or installment payments. If a terminated participant's vested interest in his or her account is less than \$1,000 and he or she does not elect to receive a distribution from the Plan, benefits will be paid in a single, lump-sum distribution as soon as administratively feasible. Benefits are recorded when paid. Participants may also receive an in-service distribution upon attainment of age 59 ½.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

FRENCH CAMP ACADEMY 403(B) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Because the plan administrator has elected to exclude certain contracts in accordance with DOL Field Assistance Bulletin (“FAB”) 2009-02, the excluded contracts are not in accordance with GAAP and, accordingly, it is not intended that these financial statements be presented in accordance with GAAP. In preparing the financial statements, management evaluated subsequent events through October 28, 2024, the date the financial statements were available to be issued.

Excluded Contracts and Accounts

The Plan’s financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The plan administrator has elected to exclude these contracts and accounts and the related activity from the Plan’s financial statements as of December 31, 2023 and 2022 in accordance with the transition relief provided by DOL FAB 2009-02 due to the fact that:

- The contract of account was issued to a current or former employee before January 1, 2009;
- The employer ceased to have any obligation to make contributions (including employee salary reduction contribution) and, in fact, stopped making contributions to the contract or account before January 1, 2009;
- All the rights under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
- The individual owner of the contract is fully vested in the contract or account.

Presentation of this information is required by accounting principles generally accepted in the United States of America. The effects of this departure from Generally Accepted Accounting Principles (GAAP) on these financial statements are not reasonably determinable.

Due to inadequate documentation and records, the Plan is unable to determine the balances for all of the participants as of January 1, 2009.

On July 20, 2009, the Employee Benefits Security Administration issued FAB 2009-02, addressing the application of certain Form 5500 annual reporting requirements to tax-sheltered annuity programs described in Section 403(b) of the Internal Revenue Code (403(b) plans). Specifically, FAB 2009-02, in recognition of compliance challenges facing many 403(b) plans subject to Title I of ERISA, provided transitional relief from the annual reporting and related auditing requirements for plans with respect to certain tax-sheltered annuity contracts and custodial accounts entered into prior to January 1, 2009.

Notes to Financial Statements

December 31, 2023 and 2022

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Excluded Contracts and Accounts - Continued

The FAB stated that, for purposes of the Plan's annual reporting and related audit requirements, an annuity contract or custodial account does not need to be treated as part of the Plan or as Plan assets if it meets the following conditions: (1) the contract or account was issued to a current or former employee before January 1, 2009; (2) the employer ceased to have any obligation to make contributions (including employee salary reduction contributions) and, in fact, ceased making contributions to the contract or account before January 1, 2009; (3) all of the rights and benefits under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement of the employer; and (4) the individual owner of the contract or account is fully vested. Accounts that met these criteria have been removed from the Plan for reporting purposes and are not presented in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Concentration of Market Risk

As of December 31, 2023 and 2022, approximately 47% and 55% of the Plan's net assets were invested in three and four registered investments, respectively. The underlying value of the investments are dependent on the performance of the individual investment holding and the market's evaluation of such performance. It is at least reasonably possible that changes in the fair value of the registered investments and their investment holdings in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Fair Value

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value is the price the Plan would expect to receive to sell an asset or pay to transfer a liability in an orderly transaction with a market participant at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Fair Value - Continued

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs which are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Realized gains and losses from security transactions are reported on the average cost method.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, Empower Annuity Insurance Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value included in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income, which includes the net appreciation in fair value of investments and interest and dividend income included in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- The schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023, included in the supplemental information.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 - FAIR VALUE

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2023 and 2022.

- *Registered investments:* Valued at the closing price reported on the active market on which the individual securities were traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2023 and 2022.

	Quoted Prices in Active Markets for Identical Assets (Level 1)			Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value				
<u>December 31, 2023</u>					
Registered investments	\$ 5,725,411	\$ 5,725,411	\$	-	\$ -
<u>December 31, 2022</u>					
Registered investments	\$ 5,074,101	\$ 5,074,101	\$	-	\$ -

NOTE 6 - RELATED PARTY TRANSACTIONS

Empower serves as the third-party administrator of the Plan. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan for record keeping services amounted to \$46,573 and \$48,835 for the years ended December 31, 2023 and 2022, respectively.

NOTE 7 - PLAN TERMINATION

Although it has not expressed intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts would become 100% vested in their employer contributions.

NOTE 8 - INCOME TAX STATUS

The IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2017, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been modified since receiving the opinion letter, the plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Tax positions are recognized in the financial statements when it is more likely than not that the position will be sustained upon examination by the tax authorities.

The Company has concluded that as of December 31, 2023 and 2022, the Plan had no significant uncertain tax positions or material amounts of unrecognized tax benefits that qualify for either recognition or disclosure in the financial statements for open tax years based on an assessment of many factors including experience and interpretations of tax laws.
