Independent Auditors' Report

To the Plan Administrator
Service Management Group 401(k) Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Service Management Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator
Service Management Group 401(k) Plan
Page four

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

SERVICE MANAGEMENT GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

1. Description of Plan

The following description of the Service Management Group 401(k) Plan, (the "Plan"), provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

a. General

The Plan, most recently restated June 1, 2022, is a defined contribution plan covering all full time and leased eligible employees of the Company who have met service requirements and are age 18 or older. Effective October 1, 2021, the plan was amended to include a 30-day service requirement. Prior to October 1, 2021, the service requirement was one hour of service. An employee's entry date is the first day of the month following the date he or she meets the eligibility requirements. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may elect to contribute any percentage of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. A participant's deferral percentage will be automatically increased by 1% each July 1st, up to a maximum deferral percentage of 10%, unless the participant opts-out of the automatic escalation annually.

The Company may declare a matching discretionary contribution at the option of the Company's board of directors. For December 31, 2022, the Company matched 100% of the first 2% contributed by a participant. To be eligible for the matching contribution, a participant must be employed on the last working day of the Plan year and have 1,000 hours of service. Contributions are subject to certain IRS limitations. The Company made matching contributions of \$353,058 for the year ended December 31, 2022.

1. **Description of Plan (Continued)**

c. **Participant Accounts**

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. **Vesting**

Participants are immediately vested in their contributions plus the earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. Effective June 1, 2017, the Plan was amended such that participants are 100% vested after four years of continuous service. Prior to the amendment, participants were 100% vested after six years of continuous service. Subsequent to year end, the plan was amended such that participants are immediately 100% vested in Company matching contributions.

e. **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participants may not have more than two loans outstanding at a time. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions.

f. **Payment of Benefits**

Distributions from the Plan are made upon death, disability, retirement, or termination pursuant to the Plan provisions and as permitted by law. A participant may elect to receive a lump sum amount equal to all or any portion of the participant's vested interest in his or her account. For distributions greater than \$1,000 but not exceeding \$5,000 the account balance will be rolled over into an individual retirement account unless otherwise directed by the participant. The Plan allows in-service withdrawals for participants who are at least 59½ years old. The Plan also allows for hardship withdrawals to Plan participants meeting specific conditions, as defined in the Plan Document. Hardship withdrawals are limited to the participant's vested accounts. The Plan also allows for qualified reservist and deemed severance distributions to Plan participants meeting specific conditions. Qualified reservist distributions are limited to the participant's elective deferral accounts. Benefits are recorded when paid.

1. Description of Plan (Continued)

g. Forfeited Accounts

Under the provisions of the Plan, when certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. Forfeitures related to the employer match are utilized to reduce the Company's matching contribution for the Plan year. At December 31, 2022 and 2021, forfeited nonvested accounts total \$89,594 and \$48,703, respectively. During the year ended December 31, 2022, \$36,349 was used to reduce employer contributions.

h. Administrative Expenses

The Plan sponsor bears substantially all administrative costs of the plan, including the costs of officers and employees who perform certain administrative functions. Administrative expenses that are paid by the Plan consist of fees charged by the Plan's recordkeeper.

2. Summary of Significant Accounting Policies

The following are the significant policies followed by the Plan:

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and the changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SERVICE MANAGEMENT GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2022

2. Summary of Significant Accounting Policies (Continued)

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, and 2021.

e. Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net depreciation of the fair value of investments.

f. Income Taxes

The Plan's income tax filings are subject to examination by various taxing authorities. The Plan's open examination periods are 2019 and forward.

g. Subsequent Events

Subsequent events have been evaluated up to March 5, 2024, the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

SERVICE MANAGEMENT GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2022

3. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy within is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2022, and 2021.

Interest-bearing cash: Valued based on amortized cost which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued at the net asset value (NAV) of units of the collective investment trust. The NAV is based on the fair value of the underlying investments and is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ -	\$ 36,451	\$ -	\$ 36,451
Mutual funds	19,130,148	-	-	19,130,148
Investments measured at net asset value	-	-	-	5,113,990
Total investments at fair value	\$ 19,130,148	\$ 36,451	\$ -	\$ 24,244,138

3. Fair Value Measurements (Continued)

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,772,399	\$ -	\$ -	\$ 27,772,399

Total investments at fair value	<u>\$ 27,772,399</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 35,778,358</u>

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022, and 2021. There are no participant redemption restrictions for these investments; the redemption notice period applies only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently	Redemption Notice Period
Collective investment trusts	\$ 5,113,990	n/a	Daily	7 days

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective investment trust	\$ 8,005,959	n/a	Daily	7 days

4. Investment Contract with Insurance Company

The Plan entered into a benefit-responsive insurance contract with Massachusetts Mutual Life Insurance Company which is managed by Great West Investments ("Great-West"). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

SERVICE MANAGEMENT GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2022

4. Investment Contract with Insurance Company (Continued)

As described in Note 2, because the guaranteed insurance contract is fully benefit-responsive, the contract value is the relevant measurement attribute of that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates are based on a formula agreed upon with the issuer and were 3.75% and 2.43% on December 31, 2022, and 2021, respectively. Such interest rates are reviewed semi-annually for resetting. Each reset of the interest rate is based upon the expected market yield to maturity of the assets invested. Normally at least 80% of assets will be invested in investment-grade fixed income debt securities.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment of the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from the Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs.

5. Information Certified by Trustees

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, Great-West Life & Annuity Insurance Company on behalf of Mass Mutual Life Insurance Company (January 1, 2021 through May 31, 2022), Reliance Trust Company (June 1 through October 28, 2023), Empower Trust Company, LLC, and Empower Annuity Insurance Company of America (October 29 through December 31, 2023), the trustees of the Plan, have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments held at December 31, 2022, and 2021
- Notes receivable from participants on December 31, 2022, and 2021
- Net depreciation in fair value of investments for the year ended December 31, 2022
- Interest and dividends for the year ended December 31, 2022
- Interest income on notes receivable from participants for the year ended December 31, 2022
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2022

SERVICE MANAGEMENT GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2022

5. Information Certified by Trustees (Continued)

The Plan's independent auditors did not perform auditing procedures concerning this information, except for comparing such information to the related information included in the financial statements and supplemental Schedule of Assets (Held at End of Year).

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

7. Tax Status

The Plan has adopted a prototype plan document, which obtained its latest opinion letter dated November 2022, in which the Internal Revenue Service stated that the Plan, as then designed, complied with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS and the plan and related trust continue to be exempt. However, the Company and the Plan administrators believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. Risks and Uncertainties

The Plan invests in various investment instruments. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Exempt Party-in-Interest Transactions

The guaranteed insurance contract is managed by Great West Investments. Great West Investments is an affiliated company of Reliance Trust Company, trustee of the Plan through June 1, 2022; therefore, these transactions qualify as exempt party-in-interest transactions.
