Independent Auditors' Report

To the Participants and Plan Administrator of
Burlington Stores Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Burlington Stores Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits—modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits—modified cash basis for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Burlington Stores Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Emphasis of Matter — Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America and, as a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Burlington Stores Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of Plan

The following description of the Burlington Stores Savings Plan (the Plan) provides only general information. Members should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a voluntary defined contribution plan established effective November 1, 1983, as restated April 3, 2023, intended to provide participating employees (Members) with additional retirement income. The Plan covers substantially all U.S. employees of Burlington Stores, Inc. (the Company) who are age 21 or older. Members must meet the one year of service and 1,000 hours requirement to be eligible for the Company match. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Empower Trust Company (the Trustee) serves as the Trustee for the Plan from April 3, 2023 to December 31, 2023. Prior to April 3, 2023, State Street Bank and Trust Company served as the Trustee for the Plan. The 401(k) Committee is responsible for oversight of the Plan. The Plan's 401(k) Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors.

The Plan is also intended to qualify as a profit sharing plan under the Internal Revenue Code (IRC), as amended, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

During 2023, the 401(k) Committee approved a name change from Burlington Coat Factory Warehouse Corporation 401(k) Profit Sharing Plan to Burlington Stores Savings Plan. The 401(k) Committee also approved the transfer of trustee and record keeper from State Street Bank and Trust Company and Transamerica to Empower. The transfer of plan assets took place in April 2023 to Empower.

Contributions and Vesting

Each year, Members may contribute up to 100% of pretax annual compensation, as defined in the plan document, up to the maximum limits of the IRC. Members also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Members who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Members also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company's matching contribution is 100% of the first 3%, and 50% of the next 2%, of compensation deferred by a Member in a plan year. Members' salary deferrals are always 100% vested immediately. Members must meet the one year of service and 1,000 hours requirement to be eligible for the Company match. Company matching contributions made for plan years commencing on and after January 1, 2000 are fully vested immediately. Company matching contributions made for plan years commencing prior to January 1, 2000 were 20% vested after three years of service and continued to vest an additional 20% each year, becoming fully vested after the Member completed seven years of service. Members direct the investment of their contributions into various investment options offered by the Plan.

Additional profit sharing amounts may be contributed at the option of the Board of Directors. The amount contributed for any plan year will be allocated proportionately, based on compensation, among all eligible Members who have completed at least 1,000 hours of service during the plan year and are employed on the last day of the plan year. For the years ended December 31, 2023 and 2022, there were no profit sharing contributions to the Plan. Effective January 1, 2007, the vesting schedule for the Company profit sharing contributions was amended to reflect a vesting rate of 20% after two years of service, and 20% for each year thereafter up to 100% upon completion of six years of service. Notwithstanding the vesting schedules, a Member becomes 100% vested in his or her account upon reaching normal retirement age, or upon death or disability. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

December 31, 2023 and 2022

Rollovers

An employee with the approval of Empower, Trustee and record-keeper, is eligible to rollover directly to the Plan, accrued benefits from another employer's tax-qualified plan. Rollovers are not eligible for Company matching contributions. For the 2023 and 2022 plan years, \$7,856,391 and \$3,957,220 of assets were rolled over into the Plan, respectively.

Member Accounts

Each Member's account is credited with the Member's contributions, allocations of the Company's contributions and an allocation of the Plan's earnings. Member accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on Member earnings, account balances, or specific Member transactions, as defined. The benefit to which a Member is entitled is the benefit that can be provided from the Member's vested account.

Notes Receivable From Members

Members may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the Member's account. Notes receivable transactions are treated as transfers between the investment funds and the loan account. The loan interest rate, determined monthly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence. The notes are due and payable 90 days following termination of employment or earlier in certain circumstances.

Payment of Benefits

On termination of service due to death, disability, or retirement, a Member may elect to receive either a lump sum amount equal to the value of the Member's vested interest in his or her account, or installment payments as provided in the plan document. For termination of service due to other reasons, a Member may receive the value of the vested interest in his or her account as a lump sum distribution. If a terminated Member's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of lump sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$31,198 and \$3,480, respectively. These accounts will be used to reduce future employer contributions or to pay plan administrative expenses. During 2023, there were no forfeited nonvested amounts used to reduce Company contributions. During 2022, \$183,507 of forfeitures were used to offset Company contributions.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, additions are included in the year in which they are collected and deductions are included in the year in which they are disbursed; however, earnings on investments include adjustments to fair value.

Burlington Stores Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Members

Notes receivable from Members are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these modified cash basis financial statements. Fees related to the administration of notes receivable from Members are charged directly to the Member's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

Subsequent events were evaluated through October 10, 2024, the date the modified cash basis financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Burlington Stores Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market fund: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Reliance MetLife GAC Series 25053 CL M Fund (the Fund): A collective trust fund, is valued at the NAV based on declared credited rates. This fund is a bank collective trust fund. Credited rates are declared in advance of each quarter based on transparent re-set formula. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Fund will sell the investment for an amount different than the reported NAV. Member transactions (purchases and sales) may occur daily. Plan level liquidation with a 60 day notice, will be at lower of book or market value. The Fund's objective is the safety and preservation of principal and accumulated interest for Member-initiated transactions. The interest credited to balances in the Fund will reflect both current market conditions and performance of the underlying investments in the Fund. The Fund invests entirely in the MetLife Group Annuity Contract 25053 which consists of separately managed investment portfolios directed by Reliance Trust Company.

The Reliance MetLife Stable 25157 Class 35 Fund (the Fund): A collective trust fund, is valued at the NAV based on declared credited rates. This fund is a bank collective trust fund. Credited rates are declared in advance of each quarter based on transparent re-set formula. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Fund will sell the investment for an amount different than the reported NAV. Member transactions (purchases and sales) may occur daily. Plan level liquidation with a 60 day notice, will be at lower of book or market value. The Fund's objective is the safety and preservation of principal and accumulated interest for Member-initiated transactions. The interest credited to balances in the Fund will reflect both current market conditions and performance of the underlying investments in the Fund. The Fund invests entirely in the MetLife Group Annuity Contract 25157 which consists of separately managed investment portfolios directed by Reliance Trust Company.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023	Level 1	Level 2	Level 3	Total

Fair Value of Investments That Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2023 and 2022. There are no Member redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023		Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust: Reliance/MetLife GAC Series 25053 CL M		\$ 39,155,205	N/A	Daily	60 days

December 31, 2022		Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust: Reliance/MetLife Stable 25157 Class 35 Fund		\$ 43,690,764	N/A	Daily	60 days

4. Concentrations

As of December 31, 2023 and 2022, the Plan had investments of \$39,155,205 and \$43,690,764, respectively, that were concentrated in one fund. These concentrations expose the Plan to financial risk. Management does not believe this risk is significant.

5. Information Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Empower Retirement, LLC, the current Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available for Benefits—Modified Cash Basis and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits—Modified Cash Basis for the period from April 3, 2023 through December 31, 2023. Transamerica Retirement Solutions, the previous Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available for Benefits—Modified Cash Basis as of December 31, 2022, and the related investment activity reported in the Statements of Changes in Net Assets Available for Benefits—Modified Cash Basis for the period from January 1, 2022 through April 3, 2023.

6. Related-Party and Party in Interest Transactions

Certain plan investments are managed by Empower Retirement, LLC, the Trustee, from April 3, 2023 through December 31, 2023 and were managed by State Street Bank and Trust (former Trustee) and Transamerica (former record-keeper) prior to April 3, 2023, and therefore, these transactions qualify as party in interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Trustee receives revenue from investment fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services to the Plan. If the revenue received by the Trustee from such investment fund service providers exceeds the amount owed for its services, the Trustee remits the excess to the Plan's trust on a quarterly basis. The Plan or Plan Sponsor may make a payment to the Trustee for administrative expenses not covered by revenue sharing.

Additionally, the Plan issues loans to Members, which are secured by the Member's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, Members would become 100% vested in their employer contributions.

8. Tax Status

The Plan adopted a pre-approved plan offered by Empower Retirement, LLC. The pre-approved plan received an IRS Opinion Letter dated November 14, 2022, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan, as amended April 3, 2023, is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

The modified cash basis of accounting requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Members' account balances and the amounts reported in the Statements of Net Assets Available for Benefits—Modified Cash Basis.
