Independent Auditor's Report

Plan Administrator
Aligned Orthopedic Partners 401(k) Plan
Bethesda, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Aligned Orthopedic Partners 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of Aligned Orthopedic Partners 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The plan was established effective January 1, 1989 and was amended and restated effective July 3, 2023. The Plan is a defined contribution plan covering all employees of ASC Ortho Management Company, LLC and its controlled affiliates (collectively, the Company) that are age 21 or older. Alerus Financial, N.A. served as trustee of the Plan through July 3, 2023. Effective July 3, 2023, plan assets were transferred to Charles Schwab Trust Bank, the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a qualified plan under the Internal Revenue Code (IRC) § 401(a) and 401(k) and is, therefore, exempt from federal income taxes under the provisions of IRC § 501(a).

Contributions

Each year, participants may contribute up to 100 percent of pre-tax annual compensation, subject to limitations by the Internal Revenue Service (IRS). Participants may also opt to make after-tax contributions, subject to limitations by the IRS. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make matching contributions. Company matching contributions are equal to a discretionary percentage of participant salary deferrals. For the year ended December 31, 2023, there were no Company matching contributions.

The Company has elected safe harbor provisions, which require a four percent safe harbor employer contributions to all eligible participants based on eligible compensation. Additional profit sharing amounts may be contributed at the option of the Company up to eight percent. Safe harbor and profit sharing contributions were approximately \$656,000 and \$293,000, respectively, for the year ended December 31, 2023.

Participant accounts

Each participant's account is participant-directed and is credited with the participant's contributions, employer contributions, if applicable, and allocations of Plan earnings (losses), transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Aligned Orthopedic Partners 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Participants become fully vested in the Company's profit sharing contributions upon retirement at age 65, at death, upon total and permanent disability, or according to the following vesting schedule based on years of service:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Each participant may only have one loan outstanding at a time. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing interest rates charged on similar loans. Loan repayments are made through monthly payroll deductions. The repayment period of loans cannot exceed five years unless the proceeds are used to purchase the participant's principal residence, in which case longer loan terms are permitted. Notes receivable balances as of December 31, 2023 and 2022, were approximately \$252,000 and \$142,000, respectively.

Payment of benefits

Upon disability, retirement, death, or termination of employment, participants are entitled to the vested benefits in their separate accounts. In addition, in-service withdrawals are permitted when a participant attains age 59 $\frac{1}{2}$. Benefits are paid as lump sum distributions. Hardship distributions are permitted if certain conditions are met.

Forfeited accounts

Forfeitures may be used to reduce employer contributions. Employer contributions were reduced by approximately \$10,000 from forfeited non-vested accounts for the year ended December 31, 2023. Forfeited non-vested accounts totaled approximately \$2,000 and \$12,000 as of December 31, 2023 and 2022, respectively.

Note 2. Summary of Significant Accounting Policies

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with GAAP.

Aligned Orthopedic Partners 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. If a participant does not make loan repayments, and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. As of December 31, 2023 and 2022, management believes no allowance should be recorded as all loans outstanding have been deemed collectible.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Benefits paid to participants

Benefits are recorded when paid.

Administrative expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions are charged directly to the participant's account.

Subsequent events

Management has evaluated subsequent events through October 31, 2024, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

- **Level 1:** Observable inputs such as quoted prices in active markets.
- **Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- **Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Aligned Orthopedic Partners 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for assets measured at fair value:

Level 1 investments

The fair value of publicly traded equity shares are based on the closing prices reported on the active markets where the individual securities are traded. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund.

Level 2 investments

The fair value of corporate and municipal bonds are valued based upon a market approach on yields currently available for comparable securities of issuers with similar credit ratings. The fair value of the common collective trusts and stable value fund is determined using observable inputs other than quoted prices.

The following table sets forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis:

December 31, 2023				
Fair Value Measurements Using:				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 25,318,063	\$ -	\$ -	\$ 25,318,063
Self-directed brokerage accounts	<u>13,604,102</u>	<u>-</u>	<u>-</u>	13,604,102
Common collective trusts measured at NAV				<u>1,731,939</u>
Investments at fair value				<u>\$ 40,654,104</u>

December 31, 2022				
Fair Value Measurements Using:				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 19,549,962	\$ -	\$ -	\$ 19,549,692
Self-directed brokerage accounts	9,964,557	820,639	-	10,785,196
Stable value fund	<u>-</u>	<u>44,804</u>	<u>-</u>	44,804
Investments at fair value				<u>\$ 30,379,962</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Information Prepared and Certified by Qualified Institutions

The following information included in the accompanying financial statements and the supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Alerus Financial, N.A and Charles Schwab Trust Bank.

	<u>2023</u>	<u>2022</u>
Investments at fair value		
Mutual funds	\$ 25,318,063	\$19,549,962
Common collective trusts	1,731,939	44,804
Self-directed brokerage accounts	13,604,102	-
Notes receivable from participants	252,310	142,343
Net appreciation in fair value of investments	4,778,495	-
Dividends and interest	801,227	-
Interest on notes receivable from participants	13,035	-

Note 5. Party In Interest Transactions

As discussed in Note 2, the Plan paid certain fees related to Plan operations to various service providers. Participants loans are also party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA.

Note 6. Tax Status

The Plan has not obtained a determination letter from the IRS stating that the Plan was in compliance with the applicable requirement of the IRC. The Plan is relying on the IRS approval of the prototype plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated September 21, 2020 that the prototype plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statements of net assets available for benefits.

Aligned Orthopedic Partners 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9. Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of \$13,444 were not remitted within the required time period for the year ended December 31, 2023.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 41,447,800	\$ 31,454,563
Employer contribution receivable	(541,386)	-
Due to Broker	<u>-</u>	<u>78,027</u>
Net assets available for benefits per Form 5500	<u>\$ 40,906,414</u>	<u>\$ 31,532,590</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income on Schedule H of Form 5500 for the year ended December 31, 2023:

Increase in net assets per the financial statements	\$ 9,993,237
Change in employer contribution receivable	(541,386)
Decrease in due to broker	(78,027)
Net income per Form 5500	<u>\$ 9,373,824</u>
