INDEPENDENT AUDITOR'S REPORT

To the Management and Trustees of
INDUS Technology, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of INDUS Technology, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the INDUS Technology, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on the audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion (continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of INDUS Technology, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit did not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about INDUS Technology, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT (continued)

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of INDUS Technology, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about INDUS Technology, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) and the supplemental schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT
(continued)

Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, represented all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. DESCRIPTION OF THE PLAN

INDUS Technology, Inc. 401(k) Plan (the "Plan") is sponsored by INDUS Technology, Inc. (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral plan covering substantially all employees of the Company and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan's sponsor and serves as plan administrator.

Change in Custodian

On December 1, 2023, the Company changed the custodian of the Plan's assets from Empower Trust Company (Empower Trust) and Empower Annuity Insurance Company of America (Empower Annuity) to Principal Trust Company (Principal). Contractual provisions underlying the guaranteed investment contract (GIC) give Empower Annuity the right to delay the transfer of the proceeds from the liquidation of the GIC to Principal for a period of 12 months (put period). Accordingly, Empower Annuity is the custodian of the GIC as of December 31, 2023 (Note 5).

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 18 and after completing three months of service in each 12-month eligibility period, as defined by the Plan.

Contributions

Participant contributions – Each year, participants may contribute between 1 to 100 percent of eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contributions invested in a designated fund until elected otherwise by the participant. Unless elected otherwise by the participant, deferrals are automatically increased annually by 1 percent, up to a maximum auto-deferral of 11 percent.

Years Ended December 31, 2023 and 2022

Note 1. DESCRIPTION OF THE PLAN (continued)

Investments

Participants may direct their account balance to the investment options offered by the Plan. The number of such funds and the type of investments therein may be changed at any time by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance of the participant's account. All loans must be repaid within a period of 5 years, unless the loan is used to purchase a principal residence, in which case, the loan may be issued for a period exceeding 5 years. Under the terms of the Plan agreement, plan loans will bear fixed, reasonable rates of interest, as determined by the plan administrator. Principal and interest are paid ratably through semi-monthly payroll deductions. A participant may not have more than one loan outstanding at any one time. As of December 31, 2023 and 2022, the interest rates on outstanding loans were 4.25% to 9.50% and 4.25% to 7.25%, respectively, with various maturities through December 2046.

Note 1. DESCRIPTION OF THE PLAN (continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Administrative Expenses

General plan administrative expenses may be paid out of the forfeiture account or paid by the Company. Investment management, distribution, and loan transaction fees are paid by the plan participants.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments in registered investment companies are stated at fair value based on the publicly quoted net asset value (NAV) of the shares held by the Plan at year end.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments in the guaranteed investment contracts are stated at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investments in the collective investment trust are stated at NAV as a practical expedient to estimate fair value. The NAV per unit is computed by dividing the total fair value of the assets of the fund, less its liabilities, by the total number of units outstanding at the time of such computation. NAV per unit is the amount at which investors can expect to buy or sell units.

Purchases and sales of investments are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net gain or loss includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Note 3. FAIR VALUE MEASUREMENTS

Plan investments are generally reported at fair value in the statements of net assets available for benefits. Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan.

Note 3. FAIR VALUE MEASUREMENTS (continued)

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2023:

	Total Fair Value	Level 1	Level 2	Level 3
Investments in registered investment companies	\$ 16,055,933	\$ 16,055,933	\$ -	\$ -
Total assets in fair value hierarchy	16,055,933	<u>\$ 16,055,933</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV using the practical expedient	<u>2,816,646</u>			
Total investments, at fair value	<u>\$ 18,872,579</u>			

Fair Value Measurements as of December 31, 2022:

	Total Fair Value	Level 1	Level 2	Level 3
Investments in registered investment companies	\$ 14,630,270	\$ 14,630,270	\$ -	\$ -
Total assets in fair value hierarchy	14,630,270	<u>\$ 14,630,270</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV using the practical expedient	<u>-</u>			
Total investments, at fair value	<u>\$ 14,630,270</u>			

The Plan's investment in the collective investment trust (Trust) is stated at NAV as a practical expedient to estimate fair value. The purpose of the Trust is to allow collective investments by plan sponsors of retirement plans which qualify for federal income taxation exemption. The various funds comprising the Plan's investment in the Trust have differing investment objectives which are available for investment by participating plans. The Trustee, Great Gray Trust Company, LLC, controls the various funds of the Trust.

Note 3. FAIR VALUE MEASUREMENTS (continued)

Investment income earned is reinvested in each fund and is included in the determination of unit values. Purchases and sales of fund units may occur daily. Participants may generally redeem fund units on a daily basis. The redemption price will be the NAV which is determined as of the close of business each day. Funds in the Trust held by the Plan require the Company to give five business days written notice if the Company directs withdrawal exceeding \$1,000,000 or, for certain funds, 10% of the assets invested in the fund.

Note 4. GUARANTEED INVESTMENT CONTRACTS

At December 31, 2023, the Plan invests in GICs with Empower Annuity and Principal. The Company expects the GIC held with Empower Annuity to be liquidated and the proceeds transferred to Principal no later than January 1, 2025. Empower Annuity and Principal maintain contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The GIC issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuers subject to certain minimum requirements. The crediting rate with Empower Annuity's GIC is reviewed on a quarterly basis for resetting, and the crediting rate with Principal's GIC is reset semiannually. The GICs do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contracts meet the criteria to be reported at contract value. Contract value is the relevant measure for GICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Annuity and Principal, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Note 4. **GUARANTEED INVESTMENT CONTRACTS (continued)**

Certain events might limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contracts. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Note 5. **INFORMATION PREPARED AND CERTIFIED BY A QUALIFIED INSTITUTION**

For the year ended December 31, 2023, the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified to as complete and accurate by Principal, except for the GIC held by Empower Annuity until the expiration of the put period, which is certified by Empower Annuity. For the year ended December 31, 2022, the following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by (1) Empower Trust Company (registered investment companies) and (2) Empower Annuity (GIC).

Note 6. PARTY-IN-INTEREST TRANSACTIONS

Certain expenses of the Plan are paid by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to third-party administrators.

Plan investments include guaranteed investment contracts with Empower and Principal. Therefore, transactions with these entities qualify as exempt party-in-interest transactions.

Note 7. FEDERAL INCOME TAX STATUS

The Plan is a defined contribution pre-approved plan that received a favorable determination letter from the Internal Revenue Service on June 30, 2020 which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through November 1, 2024, which is the date the 2023 financial statements were available to be issued.
