INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee
First Bank 401(k) Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of First Bank 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First Bank 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of First Bank 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Bank 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Bank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Bank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the First Bank 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined contribution plan sponsored by First Banks, Inc. (the "Company") for the benefit of employees who have completed one month of service and are age 21 or older. The Plan excludes the following groups of employees: collective bargaining (union) employees, residents of Puerto Rico, part-time/temporary/seasonal employees, and those classified as agricultural employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). On January 1, 2023 the Plan was amended to eliminate the one month service for all employees.

Contributions

Plan participants may elect to enter into a written salary deferral agreement with the Company which will be applicable to all payroll periods within such Plan year. The terms of any such salary deferral agreement shall provide that the participant agrees to accept a deferral in compensation from the Company. Rollover contributions from other qualified plans are also permitted.

Prior to 2022, the Plan elected discretionary matching and profit-sharing contributions as set by the Plan Sponsor. These discretionary matching and profit-sharing contributions have a three-year cliff vesting term. As a function of this election, all participants employed on December 31, 2019, were automatically granted full 100% vesting in their accounts.

The Plan has an automatic salary deferral feature whereby all newly eligible employees are automatically enrolled at 3% of eligible compensation. The Plan implemented an auto escalation feature beginning during the 2023 Plan year. All auto enrolled participants' deferral percentages will automatically be incremented by 1% up to a maximum of 6%. Participants may opt out of this auto escalation at any time.

During 2022, The Company elected to make discretionary matching contributions of 100% of participant's salary deferral amounts up to 3% of employee's contributions, plus 50% of participant's salary deferral amounts for the next 2% for a maximum of 4% of participant's contributions.

In 2023, the Plan elected to be a Qualified Automatic Contribution Arrangement ("QACA") safe harbor plan. Participants will be matched at 100% of the participant's elective deferrals that do not exceed 4%. Participants will be fully vested in the safe harbor contributions after two years.

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Company may contribute additional profit-sharing amounts at the discretion of the Company's Board of Directors. The Company made no discretionary contributions during the years ended December 31, 2023 and 2022. Contributions are subject to certain limitations as defined by the Internal Revenue Code ("IRC").

Participant investment account options

Investment account options available include various mutual funds, a collective investment fund, and a group annuity contract. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Forfeited accounts

Forfeitures of non-vested balances may be used to reduce employer contributions or pay plan expenses. At December 31, 2023 and 2022, remaining forfeitures to be used in future periods were \$159,492 and \$117,768, respectively. For the years ending December 31, 2023 and 2022, \$138,078 and \$0 of forfeitures were used to reduce employer contributions, respectively.

Participant accounts

Each participant's account is credited with the participant's deferral contribution, the Company's matching and discretionary contributions, and an allocation of Plan earnings and gains, as defined. Participant accounts are charged with any withdrawals or distributions, allocation of Plan losses as defined, and an allocation of administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions, plus or minus actual earnings or losses thereon. Vesting in the Company's matching and discretionary contributions is based on three-year cliff vesting terms. Vesting of the participants QACA Safe Harbor contribution is based on a two-year cliff vest terms. Further, a participant leaving the Company for a reason other than death, disability or attainment of age 65 will be vested in any discretionary profit-sharing Company contributions based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than three years	0 %
Three years or more	100 %

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

The Plan provides that a participant's vested interest in the Plan will be distributed to the participant upon retirement, total disability or death. Participants may elect to receive (a) a single lump sum amount equal to their vested account balance, (b) substantially equal installments, (c) partial withdrawals with a minimum withdrawal of \$1,000, (d) a distribution upon attainment of age 59 ½. At December 31, 2023 and 2022, there were no amounts allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid.

Notes receivable from participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant is not allowed to have more than two outstanding loans at any given time. All loans are covered by demand notes and are repayable over a period not to exceed five years (the Plan Administrator may fix the term for repayment of a home loan for a period exceeding five years) through payroll withholdings unless the participant is paying the loan in full or has separated from the Company. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, which is commensurate with local prevailing rates as determined by the Plan Administrator. Notes receivable bear interest at rates ranging from 4.25% to 10.25% with maturities through January 2038.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net realized and unrealized appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates in financial statement preparation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through October 30, 2024, the date the financial statements are available to be issued.

3. INFORMATION PREPARED AND CERTIFICATIONS BY PLAN CUSTODIANS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained a certification from Reliance Trust Company ("Reliance") for the period of January 1, 2022 through June 7, 2023, and from Empower Retirement, LLC ("Empower") for the period June 8, 2023 through December 31, 2023, that all of the investments, cash, and notes receivable from participants information provided by Reliance and Empower, and included in the accompanying financial statements and supplemental schedule, are complete and accurate. Information as to the investments and notes receivable from participants in the accounts of Reliance and Empower, investment income (loss), including interest income on notes receivable from participants, and all information appearing in the accompanying financial statements and supplemental schedule is presented in reliance solely upon these certifications.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Valuation is generated from model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment fund – Valued at the NAV of units of a bank collective trust held by the Plan at year end (see Note 5). The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments measured at net asset value (a)				<u>13,345,288</u>
				<u>\$ 180,996,068</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 146,676,600</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 146,676,600
Investments measured at net asset value (a)				<u>15,457,785</u>
				<u>\$ 162,134,385</u>

(a) In accordance with FASB subtopic 820-10, Fair Value Measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following tables summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment fund	\$ 13,345,288	None	Immediate	12 months

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT (continued)

December 31, 2022:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment fund	\$ 15,457,785	None	Immediate	12 months

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the Guaranteed Investment Contract at December 31, 2023 and 2022, was \$637,294 and \$0 respectively.

The guaranteed investment contract is designed to accrue interest based on a crediting rate established by the contract issuer. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not have a scheduled maturity date. The guaranteed investment contract can be terminated by either party, 75 days after communication is received by either party.

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- Premature termination of the contract.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (continued)

- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

7. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or relatives of such persons. Fees paid to Pentegra (former recordkeeper) totaled \$22,556 and fees paid to Empower (current recordkeeper) totaled \$11,179 in 2023. Fees paid to Pentegra in 2022 totaled \$104,414.

The Plan incurs expenses related to general administration and recordkeeping. A portion of these administrative expenses relating to the Plan can be paid by the Company.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PLAN TAX STATUS

On November 14, 2022, the IRS stated that the volume submitter prototype adopted by the Plan, as then designed, qualifies under the Internal Revenue Code (IRC) section 401(a). The Plan has not been amended since receiving the determination letter; thus, the Plan Administrator and Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate, discontinue making contributions to, amend, or modify the Plan at any time, subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits from the accompanying financial statements to Form 5500 as of December 31, 2023:

Net assets available for benefits per the financial statements	\$ 184,821,338

Net assets available for benefits per the Form 5500	<u><u>\$ 184,486,652</u></u>

The following is a reconciliation of changes in net assets available for benefits from the accompanying financial statements to Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits per the financial statements	\$ 19,484,673
Minus deemed distributed loans	<u>(334,686)</u>
Net increase in assets available for benefits per the Form 5500	<u><u>\$ 19,149,987</u></u>

12. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company made late contributions totaling \$72,692 during the Plan year ended December 31, 2023. The Company will work with the TPA to determine lost earnings and self-correct these delinquent contributions.
