Report of Independent Auditor

To the Plan Participants and Trustees
Astellas US Retirement and Savings Plan
Northbrook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Astellas US Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by PKF Mueller which was acquired by Cherry Bekaert LLP as of December 31, 2023. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 13, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with auditing standards generally accepted in the United States of America and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agreed to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) - Form 5500, Schedule H, Part IV, Line 4i (Modified Cash Basis) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASTELLAS US RETIREMENT AND SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan

The following description of the Astellas US Retirement and Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan providing retirement benefits to certain employees of Astellas US LLC (“AUS”) or any affiliate that participates in the Plan with the consent of AUS, including Astellas Pharma US, Inc., Astellas Venture Management LLC, Astellas Research Institute of America LLC, Astellas Pharma Global Development, Inc., Astellas US Technologies, Inc., Astellas Innovation Management LLC, Astellas Institute of Regenerative Medicine, Mitobridge, Inc., Universal Cells, Inc., Astellas Gene Therapies fka Audentes Therapeutics, Inc., and Xyphos Biosciences Inc. (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security act of 1974 (“ERISA”). The Plan trustees are responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Employees can elect to participate in the Plan and are eligible upon employment and may enter the Plan immediately, unless they are nonresident aliens, short-term or part-time employees, interns, independent contractors, leased employees, employees covered by a collective bargaining agreement, or employed by a foreign affiliate entity. Employees are eligible to receive employer matching contributions if they are participating in the Plan. Participants are eligible to receive an additional discretionary contribution equal to 5.5% of their eligible compensation if they are employed on the last day of the Plan year.

Plan Transfer – In January 2020, the Company acquired Audentes Therapeutics, Inc. (“Audentes”). Audentes was the Plan sponsor of the Audentes Therapeutics, Inc. 401(k) Plan. During the year ended December 31, 2023, \$770 of assets from the Audentes Therapeutics, Inc. 401(k) Plan were transferred into the Plan.

Contributions – Each year, participants may contribute up to 80% of pretax annual compensation, as defined in the Plan Agreement. Participants have the option of contributing a percentage of their taxable compensation as a Roth contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company matches 100% of the participant’s deferral, on the first 6% of eligible compensation. The Company made \$41,092,785 in matching contributions to the Plan during the year ended December 31, 2023. The Company may also make an additional discretionary contribution equal to 5.5% of the employee’s eligible compensation up to the Internal Revenue Service (“IRS”) limit. For the year ended December 31, 2022, the Company made \$31,097,579 in additional discretionary contributions, paid in the current Plan year. For the year ended December 31, 2023, the Company made a match true-up contribution in the amount of \$1,115,989 and \$35,005,589 in additional discretionary contributions, paid in the subsequent Plan year.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

NOTES TO THE FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan (continued)

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's additional discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's match contribution and additional discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after two years of credited service for the matching contributions, and 100% vested after six years for the Company's additional discretionary contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum, rollover, equal installments limited in duration by the provisions of the Plan or an annuity option for certain participants with balances subject to the joint and survivor rules in accordance with the Plan Agreement. A participant 59 ½ or older may withdraw his or her aggregate account prior to termination of employment. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship.

Forfeited Accounts – At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$2,946,508 and \$2,215,712, respectively. These accounts may be used to reduce future employer contributions. In 2023, employer contributions were reduced by \$2,274,208 from forfeited nonvested accounts.

Note 2—Summary of significant accounting policies

Basis of Presentation – The financial statements of the Plan are prepared on the modified cash basis of accounting. Contributions are recorded when received, and disbursements are recorded when paid. Accordingly, these statements are not intended to present net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Deemed distributions of loans included in benefits paid to participants on the statement of changes in net assets available for benefits amounted to \$18,679 for the year ended December 31, 2023.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events – Subsequent events have been evaluated through October 15, 2024, the date that the financial statements were available to be issued. See discussion of subsequent event in Note 9.

Note 3—Information certified by the Plan's qualified institution (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Fidelity Management Trust Company ("Fidelity"), a "qualified institution," has certified that the following information included in the financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments at fair value and notes receivable from participants as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to the certified investment information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 4—Fair value measurements

The modified cash basis of accounting establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds – Valued at NAV of units of a bank collective trust. NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-Directed Brokerage Account – Includes investments in mutual funds, interest bearing cash, bonds, and stocks. Valued at the closing price reported on the active market on which the individual investments are traded.

Note 5—Related party transactions and party-in-interest transactions

Certain Plan investments are managed by Fidelity, the custodian of the Plan. Strategic Advisors, Inc. is an investment advisor to the Plan. Sageview Advisory Group is a consultant to the Plan. Fees paid by the Plan for the investment management, recordkeeping, transaction processing, advisory, and consulting services amounted to \$1,179,317 for the year ended December 31, 2023.

These transactions, as well as notes receivable from participants and the related activity, qualify as party-in-interest transactions.

Note 6—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer contributions allocated to their accounts.

Note 7—Tax status of the Plan

The Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity Management & Research Co. The prototype plan has received an opinion letter dated June 30, 2020 from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Note 9—Subsequent events

On January 1, 2024, the Plan merged the Iveric Bio 401k Plan into the Plan and assets in the amount of \$24,879,940 were transferred into the Plan on March 14, 2024. An amendment to the Plan was also completed to merge the Iveric Bio 401k Plan into the Plan.

Report of Independent Auditor

To the Plan Participants and Trustees
Astellas US Retirement and Savings Plan
Northbrook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Astellas US Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by PKF Mueller which was acquired by Cherry Bekaert LLP as of December 31, 2023. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 13, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with auditing standards generally accepted in the United States of America and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agreed to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) - Form 5500, Schedule H, Part IV, Line 4i (Modified Cash Basis) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASTELLAS US RETIREMENT AND SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan

The following description of the Astellas US Retirement and Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan providing retirement benefits to certain employees of Astellas US LLC (“AUS”) or any affiliate that participates in the Plan with the consent of AUS, including Astellas Pharma US, Inc., Astellas Venture Management LLC, Astellas Research Institute of America LLC, Astellas Pharma Global Development, Inc., Astellas US Technologies, Inc., Astellas Innovation Management LLC, Astellas Institute of Regenerative Medicine, Mitobridge, Inc., Universal Cells, Inc., Astellas Gene Therapies fka Audentes Therapeutics, Inc., and Xyphos Biosciences Inc. (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security act of 1974 (“ERISA”). The Plan trustees are responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Employees can elect to participate in the Plan and are eligible upon employment and may enter the Plan immediately, unless they are nonresident aliens, short-term or part-time employees, interns, independent contractors, leased employees, employees covered by a collective bargaining agreement, or employed by a foreign affiliate entity. Employees are eligible to receive employer matching contributions if they are participating in the Plan. Participants are eligible to receive an additional discretionary contribution equal to 5.5% of their eligible compensation if they are employed on the last day of the Plan year.

Plan Transfer – In January 2020, the Company acquired Audentes Therapeutics, Inc. (“Audentes”). Audentes was the Plan sponsor of the Audentes Therapeutics, Inc. 401(k) Plan. During the year ended December 31, 2023, \$770 of assets from the Audentes Therapeutics, Inc. 401(k) Plan were transferred into the Plan.

Contributions – Each year, participants may contribute up to 80% of pretax annual compensation, as defined in the Plan Agreement. Participants have the option of contributing a percentage of their taxable compensation as a Roth contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company matches 100% of the participant’s deferral, on the first 6% of eligible compensation. The Company made \$41,092,785 in matching contributions to the Plan during the year ended December 31, 2023. The Company may also make an additional discretionary contribution equal to 5.5% of the employee’s eligible compensation up to the Internal Revenue Service (“IRS”) limit. For the year ended December 31, 2022, the Company made \$31,097,579 in additional discretionary contributions, paid in the current Plan year. For the year ended December 31, 2023, the Company made a match true-up contribution in the amount of \$1,115,989 and \$35,005,589 in additional discretionary contributions, paid in the subsequent Plan year.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

ASTELLAS US RETIREMENT AND SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan (continued)

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's additional discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's match contribution and additional discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after two years of credited service for the matching contributions, and 100% vested after six years for the Company's additional discretionary contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum, rollover, equal installments limited in duration by the provisions of the Plan or an annuity option for certain participants with balances subject to the joint and survivor rules in accordance with the Plan Agreement. A participant 59 ½ or older may withdraw his or her aggregate account prior to termination of employment. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship.

Forfeited Accounts – At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$2,946,508 and \$2,215,712, respectively. These accounts may be used to reduce future employer contributions. In 2023, employer contributions were reduced by \$2,274,208 from forfeited nonvested accounts.

Note 2—Summary of significant accounting policies

Basis of Presentation – The financial statements of the Plan are prepared on the modified cash basis of accounting. Contributions are recorded when received, and disbursements are recorded when paid. Accordingly, these statements are not intended to present net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

ASTELLAS US RETIREMENT AND SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Deemed distributions of loans included in benefits paid to participants on the statement of changes in net assets available for benefits amounted to \$18,679 for the year ended December 31, 2023.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events – Subsequent events have been evaluated through October 15, 2024, the date that the financial statements were available to be issued. See discussion of subsequent event in Note 9.

Note 3—Information certified by the Plan's qualified institution (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Fidelity Management Trust Company ("Fidelity"), a "qualified institution," has certified that the following information included in the financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments at fair value and notes receivable from participants as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to the certified investment information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 4—Fair value measurements

The modified cash basis of accounting establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds – Valued at NAV of units of a bank collective trust. NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-Directed Brokerage Account – Includes investments in mutual funds, interest bearing cash, bonds, and stocks. Valued at the closing price reported on the active market on which the individual investments are traded.

NOTES TO THE FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)

DECEMBER 31, 2023 AND 2022

Note 5—Related party transactions and party-in-interest transactions

Certain Plan investments are managed by Fidelity, the custodian of the Plan. Strategic Advisors, Inc. is an investment advisor to the Plan. Sageview Advisory Group is a consultant to the Plan. Fees paid by the Plan for the investment management, recordkeeping, transaction processing, advisory, and consulting services amounted to \$1,179,317 for the year ended December 31, 2023.

These transactions, as well as notes receivable from participants and the related activity, qualify as party-in-interest transactions.

Note 6—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer contributions allocated to their accounts.

Note 7—Tax status of the Plan

The Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity Management & Research Co. The prototype plan has received an opinion letter dated June 30, 2020 from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Note 9—Subsequent events

On January 1, 2024, the Plan merged the Iveric Bio 401k Plan into the Plan and assets in the amount of \$24,879,940 were transferred into the Plan on March 14, 2024. An amendment to the Plan was also completed to merge the Iveric Bio 401k Plan into the Plan.

IRS relief now available to storm victims in parts of Illinois; multiple deadlines postponed to Feb. 3, 2025

IR-2024-250, Oct. 1, 2024

WASHINGTON — The Internal Revenue Service today announced disaster tax relief for individuals and businesses in parts of Illinois affected by severe storms, tornadoes, straight-line winds and flooding that began on July 13, 2024.

Affected taxpayers now have until Feb. 3, 2025, to file various federal individual and business tax returns and make tax payments.

The IRS is offering relief to any area designated by the [Federal Emergency Management Agency \(FEMA\)](#) . Currently, this includes Cook, Fulton, Henry, St. Clair, Washington, Will and Winnebago counties in Illinois.

Individuals and households that reside or have a business in any one of these localities qualify for tax relief. The same relief will be available to any other counties added later to the disaster area. The current list of eligible localities is always available on the [Tax relief in disaster situations](#) page on IRS.gov.

Filing and payment relief

The tax relief postpones various tax filing and payment deadlines that occurred beginning on July 13, 2024, and ending on Feb. 3, 2025 (postponement period). As a result, affected individuals and businesses will have until Feb. 3, 2025, to file returns and pay any taxes that were originally due during this period.

This means, for example, that the Feb. 3, 2025, deadline will now apply to:

- Any individual, business or tax-exempt organization that has a valid extension to file their 2023 federal return. The IRS noted, however, that payments on these returns are not eligible for the extra time because they were due last spring before the storms occurred.
- Quarterly estimated income tax payments normally due on Sept. 16, 2024, and Jan. 15, 2025.
- Quarterly payroll and excise tax returns normally due on July 31, Oct. 31, 2024, and Jan. 31, 2025.

In addition, penalties for failing to make payroll and excise tax deposits due on or after July 13, 2024, and before July 29, 2024, will be abated, as long as the deposits were made by July 29, 2024.

The [Disaster assistance and emergency relief for individuals and businesses](#) page has details on other returns, payments and tax-related actions qualifying for relief during the postponement period.

The IRS automatically provides filing and penalty relief to any taxpayer with an IRS address of record located in the disaster area. These taxpayers do not need to contact the agency to get this relief.

It is possible an affected taxpayer may not have an IRS address of record located in the disaster area, for example, because they moved to the disaster area after filing their return. In these unique circumstances, the affected taxpayer could receive a late filing or late payment penalty notice from the IRS for the postponement period. The taxpayer should call the number on the notice to have the penalty abated.

In addition, the IRS will work with any taxpayer who lives outside the disaster area but whose records necessary to meet a deadline occurring during the postponement period are located in the affected area. Taxpayers qualifying for relief who live outside the disaster area need to contact the IRS at [866-562-5227](tel:866-562-5227). This also includes workers assisting the relief activities who are affiliated with a recognized government or philanthropic organization. Disaster area tax preparers with clients located outside the disaster area can choose to use the [bulk requests from practitioners for disaster relief](#) option, described on [IRS.gov](https://www.irs.gov).

Additional tax relief

Individuals and businesses in a federally declared disaster area who suffered uninsured or unreimbursed disaster-related losses can choose to claim them on either the return for the year the loss occurred (in this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. For individual taxpayers, this means Oct. 15, 2025. Be sure to write the FEMA declaration number – **4819-DR** – on any return claiming a loss. See [Publication 547, Casualties, Disasters, and Thefts](#), for details.

Qualified disaster relief payments are generally excluded from gross income. In general, this means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See [Publication 525, Taxable and Nontaxable Income](#), for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

The tax relief is part of a coordinated federal response to the damage caused by these storms and is based on local damage assessments by FEMA. For information on disaster recovery, visit DisasterAssistance.gov .

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at [Volunteer Income Tax Assistance \(VITA\)](#) or [Tax Counseling for the Elderly \(TCE\)](#) sites. To find the closest free tax help site, use the [VITA Locator Tool](#)  or call 800-906-9887. **Note that normally, VITA sites cannot help claim disaster losses.**
- To find an AARP Tax-Aide site, use the [AARP Site Locator Tool](#)  or call 888-227-7669.
- Any individual or family whose adjusted gross income (AGI) was \$79,000 or less in 2023 can use [IRS Free File's guided tax software](#) at no cost. There are products in English and Spanish.
- Another Free File option is [Free File Fillable Forms](#). These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
- [MilTax](#), a Department of Defense program, offers free return preparation software and electronic filing for federal tax returns and up to three state income tax returns. It's available for all military members and some veterans, with no income limit.
