INDEPENDENT AUDITORS' REPORT

To the Plan Trustees, Plan Administrator, and Management
Color Image Apparel, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Color Image Apparel, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Color Image Apparel, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Color Image Apparel, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2022, and Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Color Image Apparel, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan that was established by Color Image Apparel, Inc. effective on January 1, 2011 benefitting the employees of Color Image Apparel, Inc. and its wholly-owned subsidiaries, Bella + Canvas, LLC, Alo, LLC and Alo Alliance, LLC (the “Company”). The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (“ERISA”). The Director of Human Resources is the Plan administrator and serves at the discretion of the Company’s Board of Directors, and administers the Plan. The Plan administrator is responsible for all matters including, but not limited to, eligibility, rights to benefits, interpreting Plan documents and maintaining participants’ accounts. The custodian of the Plan is Transamerica Life Insurance Company, Inc. (“Custodian”). Each participant allocates his or her Plan contributions among the funds available in the Plan. Asset management fees are charged to participants by the various investment funds.

Effective January 1, 2021, the Plan was amended and restated to bring the Plan into compliance with the legislative and regulatory changes. The restatement of the Plan did not have any material changes to the Plan provisions.

Effective December 31, 2022, Color Image Apparel, Inc. 401(k) Profit Sharing Plan B (“Plan B”) was merged into the Plan, and the assets and liabilities of Plan B were effectively transferred into the Plan, with the Plan as the surviving Plan (the “Merged Plan”). As a result of the merger, the Merged Plan became a multiple employer plan. See Note 7 for more information on the plan merger.

ELIGIBILITY AND PARTICIPATION

All employees who meet the eligibility requirements are eligible to participate in the Plan. The following categories of employees are not eligible to participate in the Plan: (i) employees covered under a collective bargaining agreement (i.e. union employees), (ii) non-resident aliens who do not receive any compensation from U.S. sources, (iii) leased-employees, and (iv) owners of Color Image Apparel, Director of Sales – Bella Luxx, Director – Quality Control (“QC”)/Fabric Cutting, employees of the Company who work in QC, Technical Design (“TD”), and Shipping Departments and all employees of Ingrid and Isabel, LLC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

ELIGIBILITY AND PARTICIPATION (CONTINUED)

Employees of the Company who are not excluded from participation and who are at least 21 years of age are eligible to make salary deferrals upon the completion of at least 1 hour of service during the first 3 months of continuous employment. An eligible employee may elect to participate on the first day of the calendar month following the satisfaction of all eligibility requirements.

Effective December 22, 2021, Cody, Inc., a subsidiary of Alo, LLC, was merged into Alo, LLC. The Plan was amended to allow the employees of Cody, Inc. to enter the Plan as of December 22, 2021 and have 100% vesting in the Plan.

CONTRIBUTIONS

Participants

Each year, employee contributions are subject to the maximum amount permitted for such deferral under the applicable provisions of the Internal Revenue Code (the "IRC"). Participant contributions are limited to a maximum of \$20,500 in 2022 by §402(g) of the IRC. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 in 2022. If any participant's elective deferrals for the year exceed the maximum allowable for that year, the excess amount will be returned to the Company and then paid to the participant as taxable compensation. The Plan also allows participants to make post-tax Roth contributions subject to the same limitations.

Employer

Participants who are eligible to make salary deferrals are eligible to receive discretionary employer matching contributions after one Year of Service. The Company may also make discretionary employer profit sharing contributions. To be eligible to receive employer profit sharing contributions, participants must be employed on the last day of the Plan Year and work at least 1,000 hours during the Plan Year. An eligible employee will start receiving discretionary matching contributions on the first day of the calendar quarter following the satisfaction of all eligibility requirements.

For the year ended December 31, 2022, the Company made discretionary employer matching contributions equal to 50% of the participant's salary deferrals up to 4% of Plan compensation which amounted to \$290,619. There were no discretionary employer profit sharing contributions made during the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Rollovers

With the consent of the Plan administrator, participants are permitted to deposit distributions received from other qualified plans (“rollovers”) without incurring federal or state income taxes and penalties.

PARTICIPANT ACCOUNTS

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts and an investment contract as investment options for participants.

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s matching contribution, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are immediately vested in their elective salary deferrals, rollovers and any related investment earnings thereon. Vesting in discretionary employer matching contributions and profit sharing contributions is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year but less than 2	25%
2 years but less than 3	50%
3 years but less than 4	75%
4 years or more	100%

Participants become 100% vested in their accounts upon attainment of normal retirement age, or separation of service due to disability or death.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The interest rate is the prime rate plus 1.00% per annum, which is fixed at the time of the loan. Loans along with interest must be fully repaid ratably through payroll deductions for up to five years or up to fifteen years only if the loan is for the purchase of a principal residence. Notes receivable outstanding at December 31, 2022 and 2021 bear interest ranging from 4.25% to 7.25% per annum. Participants may have only one outstanding loan at a time and the loan is secured by participants' account balances.

BENEFIT PAYMENTS AND WITHDRAWALS

Upon termination of service due to death, disability or retirement, vested benefits due to the participants or their beneficiaries will be distributed in accordance with the plan document. The Plan also allows for hardship withdrawals of part or all of a participant's vested account, as outlined in the plan document.

On termination of service due to other reasons, a participant may receive the value of the vested benefits pursuant to the election of the participant. If the vested account balance exceeds \$5,000, participant consent is required to distribute an account balance before reaching normal retirement age. If the vested account balance is between \$1,000 and \$5,000, participant consent is required to distribute an account balance. However, the participant's vested account balance will be automatically rolled over to an individual retirement account ("IRA") selected by the Plan Administrator. If the vested account balance is \$1,000 or less, a distribution of a participant's account balance will be made to the participant, regardless of consent, as soon as administratively feasible following termination of employment.

PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan agreement to terminate the Plan at any time, subject to the provisions of ERISA. In the event of the Plan's termination, all participants become 100% vested in their accounts.

FORFEITURES

Upon termination of employment, the non-vested portion of the participant's account balance is forfeited. Plan forfeitures are used to pay for administrative expenses or to reduce employer contributions. As of December 31, 2022 and 2021, forfeited non-vested participant account balances were \$7,116 and \$41,805, respectively. For the year ended December 31, 2022, forfeitures in the amount of \$49,272 were used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the Custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Participants have investment discretion over all contributions made on their behalf.

COLOR IMAGE APPAREL, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefit.

NOTE 3 - FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

COLOR IMAGE APPAREL, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 - FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used to determine the fair value of investments at December 31, 2022 and 2021.

Pooled separate accounts: The units of these pooled separate accounts are valued at the daily net asset value ("NAV"). The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate accounts less its liabilities, divided by the outstanding units. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell the investment for an amount different from the reported NAV.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 - FAIR VALUE OF INVESTMENTS (CONTINUED)

FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV PRACTICAL EXPEDIENT

The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2022 and 2021:

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	<u>\$ 8,708,438</u>	N/A	Daily	Daily

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	<u>\$ 5,280,268</u>	N/A	Daily	Daily

NOTE 4 - INVESTMENT CONTRACT WITH TRANSAMERICA LIFE INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive investment contract with Transamerica Life Insurance Company, Inc. ("Transamerica"). Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is obligated to repay the principal and a specified interest rate to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer with no minimum amount and no set maturity. Such interest rates are reviewed on a semi-annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 - INVESTMENT CONTRACT WITH TRANSAMERICA LIFE INSURANCE COMPANY (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. The plan administrator believes that no events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest income and interest income from notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Life Insurance Company, Inc. (the custodian of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 6 - INCOME TAX STATUS

Effective January 1, 2021, the Company adopted the non-standardized pre-approved profit sharing plan of Benefit Equity Inc. The non-standardized pre-approved profit sharing plan provider obtained an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the non-standardized pre-approved profit sharing plan, as then designed, was acceptable under §401 of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan, as currently designed and operated, is in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Company intends to amend the Plan on a timely basis to comply with all applicable, recently adopted tax laws and regulations.

NOTE 6 - INCOME TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are pending or in progress.

NOTE 10 - VOLUNTARY CORRECTION PROGRAM

The Company previously sponsored two volume-submitter retirement plans, Color Image Apparel, Inc. 401(k) Profit Sharing Plan (“Plan A”) and Color Image Apparel, Inc. 401(k) Profit Sharing Plan B (“Plan B”). Effective December 31, 2022, Plan B was merged into Plan A, with Plan A as the surviving plan (“Merged Plan”). On April 3, 2023, the Company submitted a request for a compliance statement under the Internal Revenue Service Voluntary Correction Program (“VCP”) in connection with certain operational and demographic errors that occurred between 2016 through 2021 with respect to Plans A and B, including a failure to provide certain leased employees the opportunity to participate in Plan B in 2016 through 2021, and certain nondiscrimination testing failures that affected Plans A and B from 2016 through 2021. On June 21, 2024, the Company submitted a full restatement of its VCP submission to include the nondiscrimination testing failures that affected Plan A and B in 2016 through 2022 and certain Ingrid & Isabel, LLC participants in Plan B from 2016 through 2020.

In its VCP submission, the Company proposed correcting the errors described above by making a qualified nonelective contribution (“QNEC”) on behalf of each leased employee to the Merged Plan, and amending the Merged Plan to provide for such QNEC. The total QNEC for each year that the Company proposed making would (1) allow Plans A and B to have passed coverage testing under Section 410(b) of the Internal Revenue Code on an aggregated basis, (2) allow Plans A and B to have passed the ADP and ACP tests on an aggregated basis, and (3) correct Plan B’s missed deferral opportunity/missed employer contribution error, with each of the foregoing adjusted for earnings.

DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 10 - VOLUNTARY CORRECTION PROGRAM (CONTINUED)

For the plan year 2022, the Plan did not perform the required non-discrimination testing timely, and the Plan failed the minimum contribution and average deferral percentage tests. Accordingly, the Company will be making qualified nonelective contributions to Alo, LLC retail employees to allow the Plan to pass the tests. As of December 31, 2022, the Plan recorded qualified nonelective contributions receivable in the amount of \$152,105. For the year ended December 31, 2022, Plan A recognized qualified nonelective contributions amounted to \$152,105.

As of November 6, 2024, the Company is awaiting response on the VCP submission from the IRS.

Prior to the plan merger discussed in Note 7, qualified nonelective contributions receivable of \$152,105 and \$0 were recognized by Plan A at December 31, 2022 and 2021, respectively, as a result of the VCP submission.

NOTE 11 - OPERATIONAL FAILURES

These operational failures include (1) untimely processing of enrollment and deferral changes (2) incorrect set up of loan repayments (3) incorrect calculation of vested balance of a participant's distribution (4) incorrect calculation of employee deferrals and employer matching contributions (5) untimely, duplicate or failure to remit employee contributions (6) duplicate refund of excess contributions (7) incorrect suspension of employee deferrals after a hardship distribution (8) incorrect segregation of plan participants and their account balances between Plan A and Plan B (9) noncompliance with the bonding requirements in accordance with ERISA. The Company is working with an ERISA counsel to evaluate the impact of these operational failures and to make such corrections as necessary in accordance with Revenue Procedure 2021-30, Employee Plans Compliance Resolution System. Any qualified nonelective contributions that is necessary to be made by the Company to correct these failures has not yet been determined, and as such, no qualified nonelective contributions receivable is recognized on the Plan's financial statements as of December 31, 2022.

The Company has incorrectly reported the account balances and activity of fifteen participants of Plan B in Plan A as of December 31, 2022, and eighteen participants of Plan B as of December 31, 2021. As of December 31, 2021, the Plan recorded a payable to Plan B amounting to \$294,893 which represents the account balances of the Plan B participants that were incorrectly included in the Plan.
