INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Global Growth Holdings, Inc. Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Global Growth Holdings, Inc. Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan:

The following description of the Global Growth Holdings, Inc. Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan, effective January 1, 2002, sponsored by Global Growth Holdings, Inc. (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2023, the Plan was formally amended to (1) modify the Plan name to Global Growth Holdings, Inc. Profit Sharing Plan and Trust from Eli Research, LLC 401(k) Profit Sharing Plan & Trust; (2) Modify the Plan Sponsor to Global Growth Holdings, Inc. from Eli Research, LLC; (3) Implement an automatic deferral arrangement where eligible participants are automatically enrolled in the Plan with a deferral rate of 4% of their eligible compensation; and (4) Include Renew Global, LLC, EnhancedGeo, LLC, and 633 Days, LLC as participating employers.

The Plan was formally amended on July 1, 2023, to include Practice Builders, LLC as a participating Employer effective July 1, 2023 and to remove Castle & Cooke Mortgage, LLC as a participating employer effective December 29, 2023.

Eligibility - There are no eligibility service requirements to make elective deferrals if an employee is age twenty-one or older.

Contributions - The Plan allows participants to contribute 100% of their compensation, as defined by the Plan, not to exceed the limits of the Internal Revenue Service ("IRS"). The Plan permits participants over the age of 50 to make additional contributions, known as catch-up contributions, to the maximum amount allowed by IRS regulations as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may choose to provide discretionary matching, profit sharing, and qualified non-elective contributions.

Automatic deferral election - Effective January 1, 2023, the Plan implemented an automatic enrollment feature for all employees eligible to participate in the Plan. Eligible participants are automatically enrolled in the Plan and 4% of their eligible Plan compensation, as defined by the Plan document, is contributed to the Plan. Employees have the option to opt out of the automatic enrollment.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loan fund. The repayment period for loans will not be longer than five years unless the loan was used to purchase a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Current participant loans bear an interest rate between 4.25% and 9.50%. Principal and interest are paid ratably through payroll deductions.

Vesting - Participants are immediately vested in their salary deferrals and the actual earnings thereon. Vesting in the Company's matching contributions, along with actual earnings, is based on years of continuous service. A participant becomes 100% vested after completing two years of credited service or upon disability or death.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly installments for life or for a fixed period of time (not less than 60 months). For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Investment options - Upon enrollment in the Plan, a participant may direct employee contributions in any of the various options offered by the Plan. The Plan currently offers various mutual funds and a guaranteed investment account as investment options for participants.

Forfeited accounts - Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is used to pay Plan expenses. The forfeiture balance as of December 31, 2023 and 2022 was \$184,443 and \$255,865, respectively. During the years ended December 31, 2023 and 2022, forfeitures of \$102,160 and \$728, respectively, were used to pay Plan expenses.

Transfer of assets from Plan - During the 2023 and 2022 Plan years, assets totaling \$11,209,826 and \$5,470,821, respectively, were transferred out of the Plan.

2. Summary of Significant Accounting Policies:

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

GLOBAL GROWTH HOLDINGS, INC.
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

9

Estimates - The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants, if deemed to be in default, are reclassified as distributions in accordance with terms of the Plan document.

Investment valuation and income recognition - Investments, with the exception of the guaranteed investment account, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

The Plan's guaranteed investment account is valued at contract value. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. See Note 5 for further discussion.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits - Benefit payments to participants are recorded when paid.

Administrative expenses - The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan document. The Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

Income taxes - The IRS determined and informed the Plan's volume submitter on June 30, 2020 that the prototype non-standardized Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GLOBAL GROWTH HOLDINGS, INC.
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

10

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized for the years ended December 31, 2023 and 2022.

U.S. GAAP requires management to evaluate tax positions taken by the Plan. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan files annual returns in the U.S. federal jurisdiction. The statute of limitations for returns filed within this jurisdiction is generally three years after the return is due or filed, whichever is later. As of December 31, 2023, the Plan's annual returns for its 2020 through 2022 tax years remain subject to examination by tax authorities.

3. Information Certified by the Custodian:

The financial information included in the Plan's financial statements and supplemental schedules have been derived from information certified as complete and accurate by the Custodian, in accordance with Section 2520.103-5(c) of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying statements of net assets available for benefits and changes in net assets available for benefits was certified by the Custodian as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Mutual funds, at fair value	\$ 19,678,884	\$ 28,042,397
Guaranteed investment account, at contract value	\$ 741,152	\$ 1,826,857
Notes receivable from participants	\$ 280,308	\$ 571,822
Net appreciation (depreciation) in fair value of investments	\$ 4,410,302	\$ (8,289,377)
Interest and dividends	\$ 891,382	\$ 1,290,611
Interest income on notes receivable from participants	\$ 29,516	\$ 25,323

4. Fair Value Measurements:

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

The asset and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

GLOBAL GROWTH HOLDINGS, INC.
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

12

Mutual funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements Using:

	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2023:</u>				
Mutual funds	\$ <u>19,678,884</u>	\$ <u>19,678,884</u>	\$ <u>0</u>	\$ <u>0</u>
<u>December 31, 2022:</u>				
Mutual funds	\$ <u>28,042,397</u>	\$ <u>28,042,397</u>	\$ <u>0</u>	\$ <u>0</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments on the accompanying statements of changes in net assets available for benefits.

5. Investment Contract with Insurance Company:

The Plan has a traditional fully benefit-responsive investment contract with Principal Life Insurance Company who maintains the contributions in the general account. The account is credited with earnings on the underlying investments and charged for the Plan withdrawals and transaction fees charged by the Custodian. The guaranteed investment contract is contractually obligated to repay the principal and a specified rate that is guaranteed by the Plan.

As described in Note 2, because the guaranteed investment account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account. The guaranteed investment account is presented on the face of the accompanying statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, partial or total Plan termination without prior notice to the Custodian, and the liberalization of Plan withdrawal or transfer rules. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Custodian may terminate the contract on the last day of the month specified in a written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets held or participants covered less than the amount or number required by the state of North Carolina, Plan disqualification, or if the contract owner is charged such that the Plan Sponsor would no longer be considered an eligible sponsoring organization for this type of contract.

6. Party-In-Interest Transactions:

The Plan's Custodian receives a pro-rata fee paid by Plan participants for custodial services provided during the year. Fees paid using Plan assets during 2023 and 2022 for administrative record keeping, accounting, and other professional services were \$382,115 and \$291,526, respectively, and were based on customary and reasonable rates for such services provided by the third-party administrator and Custodian. The Plan Sponsor directly pays any other fees related to the Plan's operations. The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged.

NOTES TO FINANCIAL STATEMENTS

14

Certain participants of the Plan have outstanding loans (notes receivable from participants) totaling \$280,308 and \$571,822 as of December 31, 2023 and 2022, respectively. These loans are considered party-in-interest transactions.

7. Plan Termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of the net assets available for benefits per the accompanying financial statements at December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 20,755,264	\$ 30,387,122
Excess contributions payable excluded from Form 5500	<u>-</u>	<u>78,833</u>
Net assets available for benefits per Form 5500	<u>\$ 20,755,264</u>	<u>\$ 30,465,955</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the accompanying financial statements for the years ended December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net increase (decrease) in net assets available for benefits per the financial statements	\$ 1,577,968	\$ (8,284,981)
Change in excess contributions payable excluded from Form 5500	<u>(78,833)</u>	<u>78,833</u>
Net increase (decrease) in net assets available for benefits per Form 5500	<u>\$ 1,499,135</u>	<u>\$ (8,206,148)</u>

9. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

10. Non-Exempt Party-In-Interest Transactions:

During the years ended December 31, 2023 and 2022, there were unintentional delays by the Company in remitting participant contributions to the Custodian in the amount of \$190,350 and \$94, respectively. These delinquent contributions constitute prohibited transactions. The Company corrected the prohibited transactions related to the year ended December 31, 2021, including lost earnings remitted to the affected participants, during the year ended December 31, 2022. The Company is in the process of calculating the lost earnings for prohibited transactions related to the year ended December 31, 2023.

11. Plan Error:

During the year ended December 31, 2023, the Company identified instances of failure to provide an eligible employee the opportunity to make an elective deferral to the Plan. The Company has computed a corrective contribution totaling \$821 including estimated lost earnings, for the Plan year ended December 31, 2023. This amount was deemed to be immaterial to the financial statements as a whole.

12. Subsequent Events:

The Plan has evaluated subsequent events through October 31, 2024, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
