Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As discussed in Note 10 to the financial statements, Virgin Hotels 401(k) Plan does not have sufficient accounting records and supporting documents relating to a specific former location to assure the completeness of participants' data on which the benefit payments are determined. Accordingly, we were unable to apply auditing procedures related to the specific former location with respect to participants' data maintained for this specific former location.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Virgin Hotels 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Independent Auditor's Report

However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Virgin Hotels 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Virgin Hotels 401(k) Plan

Notes to Financial Statements

December 31, 2023

1. Description of the Plan

The following description of the Virgin Hotels 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement Plan established by Virgin Hotels North America, LLC effective January 1, 2015. The Plan includes Virgin Hotels Chicago, LLC, Virgin Hotels San Francisco, LLC, Virgin Hotels Dallas, LLC, Virgin Hotels Nashville, LLC, Virgin Hotels New Orleans, LLC, and Virgin Hotels New York, LLC, effective January 1, 2015, March 1, 2019, December 1, 2019, July 1, 2020, November 1, 2021, and May 9, 2022, respectively. The named entities are together from here on referred to as the “Company.” The Plan covers substantially all employees of the Company with US source wages who are at least 18 years of age, and have completed at least six months of service, as defined by the Plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

CMC Interactive, LLC serves as the record keeper for the Plan. Charles Schwab Trust Bank serves as the trustee and custodian of the Plan’s investments.

Contributions

Each year, participants may contribute up to 100 percent of pre-tax or after-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment allocation at any time.

Effective January 1, 2018, the Company made matching contributions of an amount equal to 50% of the first 6% of the participant’s contribution for each payroll period of eligible compensation. Effective March 1, 2019, the Company makes a discretionary match contribution. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participants’ Accounts

Each participant’s account is credited with the participant’s contributions, and allocation of (a) the Company’s matching contributions, (b) the Plan earnings or losses, and (c) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a single lump to the value of the participant’s vested interest in his or her account or partial withdrawals in excess of the required minimum distributions. For termination of service for other reasons, a participant may receive the value of the vested balance in their account as a lump sum distribution.

Notes Receivables from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to an amount not to exceed the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at a rate commensurate with local prevailing interest rates as determined by the Plan. Principal and interest is paid ratably through payroll deductions. Loan terms range

Virgin Hotels 401(k) Plan

Notes to Financial Statements

December 31, 2023

from one to five years or up to twenty-five years for the purchase of a primary residence. A participant may not have more than one loan outstanding at a time.

Vesting

Participants are vested immediately in their contributions, and amounts rolled over into the Plan, plus actual earnings thereon. Effective January 1, 2018, the Plan was amended to require a four-year vesting period for the Company's matching contribution for employees hired on or after January 1, 2018. During the participant's first four years of employment, participants vest in the Company matching contributions and any earnings or losses thereon, at a rate of 25% each year. Prior to January 1, 2018, the Plan was a Safe Harbor 401(k) Plan and all participants were immediately vested in the Company's Safe Harbor match contributions.

Forfeitures

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$37,593 and \$12,056, respectively. These accounts will be used to reduce future employer contributions or pay Plan administrative expenses. During the year ended December 31, 2023, employer contributions were not reduced by the forfeited non-vested account and \$15,500 were used to pay Plan administrative expenses.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and trustees. See Note 6 for additional disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of

Virgin Hotels 401(k) Plan

Notes to Financial Statements

December 31, 2023

December 31, 2023 and 2022. In accordance with the Plan, notes receivables from participants in default are reclassified as distributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivables from the participants are charged directly to the participant's accounts and are included in the administrative expenses. Investment related expenses are included in net appreciation or depreciation of the fair value of investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Benefit Payments

Benefits are recorded when paid.

Date of Management's Review

The Plan has evaluated subsequent events through November 4, 2024, the date the financial statements were available to be issued.

3. Information Prepared and Certified by the Trustee

The Plan administrator has elected to have the audit performed in accordance with ERISA Section 103 (a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation and depreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2023	2022
Investments, at fair value		
Mutual funds	\$ 3,335,358	\$ 2,151,624
Common/collective trust	37,899	12,428
Cash - non-interest bearing	20,797	13,626
Investment (loss) income	463,175	

4. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Virgin Hotels 401(k) Plan

Notes to Financial Statements

December 31, 2023

5. Related Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions. Notes receivable from participants also qualify as exempt party in interest transactions. The Plan also utilizes third-party service providers to perform administrative functions. Transactions with such providers are considered exempt party in interest transactions under ERISA.

6. Tax Status

The Internal Revenue Service ("IRS") has determined and informed prototype sponsor by a letter dated June 30, 2020, that the Plan and the related trust are designed in accordance with applicable section of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2023 and 2022, the Plan has no liabilities for uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy give the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2023 and 2022.

Virgin Hotels 401(k) Plan

Notes to Financial Statements

December 31, 2023

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (“SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded with readily determinable fair values.

Common Collective Trusts (“CCT”) – Valued at the NAV as a practical expedient of the CCT as reported by the trustee. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, less liabilities and divided by the number of units outstanding. The CCT fund’s NAV is not considered to be readily determinable fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies (Mutual Funds)	\$3,335,358	\$ -	\$ -	\$3,335,358
Total	<u>\$3,335,358</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,335,358</u>
Common Collective Trusts Measured at NAV (a)				37,899
Investments at fair value				<u>\$3,373,257</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies (Mutual Funds)	\$2,151,624	\$ -	\$ -	\$2,151,624
Total	<u>\$2,151,624</u>	<u>\$ -</u>	<u>\$ -</u>	<u>2,151,624</u>
Common Collective Trusts Measured at NAV (a)				12,428
Investments at fair value				<u>\$2,164,052</u>

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022:

December 31, 2023		Unfunded	Redemption	Redemption
Investment	Fair Value	Commitment	Frequency	Notice Period
Common Collective Trust	\$ 37,899	None	Daily	Daily

Common Collective Trust	\$ 12,428	None	Daily	Daily

Virgin Hotels 401(k) Plan

Notes to Financial Statements

December 31, 2023

The common collective trust is composed of the Putnam Stable Value Fund (the "Fund"). The Fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions. Up to 75% of the Fund's assets are in security-backed investment contracts, including separate account products of insurance companies. The Fund also strives to maintain at least 5% of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds with investment policies and other provisions similar to those of the Fund.

The only event or circumstance in the ordinary course of business that would allow issuers to immediately terminate at an amount different from contract value would be if they were provided with fraudulent information about the Fund by its trustee. The Plan believes the occurrence of such an event or circumstance is not probable.

Due to the nature of the investments held by the investment vehicles, changes in market conditions and economic environment could have significantly impacted the net asset value of the investment vehicles, and consequently, the fair value of the Plan's interest in the investment vehicles. Furthermore, changes in the liquidity provisions of the funds could have significantly impacted the fair value of the Plan's interest in the investment vehicles.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

9. Non-Exempt Transactions

As disclosed in the accompanying supplemental schedule during 2023 and 2022, employee deferrals of \$116,298 and \$104,348, respectively, were not remitted to the Plan within the timeframe required by the Department of Labor. The Company calculated and paid the 2022 lost earnings to the Plan during 2023. The Company is currently in the process of remitting the lost earnings to the Plan for the 2023 late employee deferral.

10. Virgin Hotels San Francisco, LLC

Effective March 1, 2019, the Plan was amended to include the employees of Virgin Hotels San Francisco, LLC ("VHSF LLC"). The owner of the hotel managed by VHSF LLC delivered a letter to VHSF LLC's management purporting to terminate the hotel management agreement. In addition, the owner of the hotel has possession of the VHSF LLC employment records and did not make them available for audit purposes. Therefore, the Plan's records as they relate solely to VHSF LLC are not adequate to assure the completeness of participants' data on which contributions and benefit payments are determined. VHSF LLC ceased its participation in the Plan effective July 31, 2020.
