INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
South Pacific Rehabilitation Services, Inc. 401(K) Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of South Pacific Rehabilitation Services, Inc. 401(K) Profit Sharing Plan (the "Plan", "SPRS"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits period January 1, 2022 to November 1, 2022 and as of year ended December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the period January 1, 2022 to November 1, 2022 (in liquidation), and the statement of net assets available for benefits for the period January 1, 2022 to November 1, 2022 (in liquidation) and year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of South Pacific Rehabilitation Services, Inc. 401(K) Profit Sharing Plan as of November 1, 2022 (in liquidation) and December 31, 2021 (ongoing), and the changes in its net assets available for benefits for the ten-months ended November 1, 2022 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SPRS and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in the notes 1 and 3 to the financial statements, the governing body of South Pacific Rehabilitation Services, Inc. 401(K) Profit Sharing Plan decided to terminate the Plan as part of the Plan Merger Agreement signed September 21, 2022, with Enhance Therapies, Inc. As a result, the Plan has changed its basis of accounting from accordance with accounting principles generally accepted in the United States of America used in presenting the 2021 financial statements to the liquidation basis used in presenting for the period of January 1, 2022, to November 1, 2022, financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2021 Financial Statements

The financial statements of South Pacific Rehabilitation Services, Inc. 401(K) Profit Sharing Plan as of December 31, 2021, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 11, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the South Pacific Rehabilitation Services, Inc. 401(k) Profit Sharing Plan, (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, established on January 1, 1992, to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees, as defined in the Plan, of the Plan’s sponsor, South Pacific Rehabilitation Services, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The specific provisions of the Plan, including eligibility, contributions, priorities upon termination and benefit information, are contained in the Plan document, which governs the legal operations of the plan.

On September 21, 2022, SPRS, Inc. signed Plan Merger Agreement with Plan Sponsor Enhance Therapies to become a participating employer under the Plan Enhance Therapies 401K Plan effective as of November 1, 2022. As part of the Plan merger agreement, The SPRS Plan was terminated, and the net assets were liquidated and transferred to Enhance Therapies 401K Plan as of November 1, 2022.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The employer may decide each Plan year whether to make a discretionary non-elective employer contribution on behalf of active participants. For the period January 1, 2022 to November 1, 2022 and the year ended December 31, 2021, the Company did not provide a matching contribution of participant contributions to the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, plan earnings and employer contribution if there is one. Participant’s accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in their portion of the employer’s discretionary non- elective contribution plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. The loans are secured by up to 50% of the participant’s vested account balance. The loans bear a reasonable interest rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Notes to the Financial Statements

For the ten-months ended November 1, 2022, and year ended December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited Accounts

Forfeiture accounts will be used to reduce future administrative expenses, reinstate previously forfeited account balances of former participants who have been reemployed by the Company, and to reduce the Company's matching contributions. On November 1, 2022, the Plan merged with Enhance Therapies 401k Plan and transferred approximately \$86,488 in forfeited amount and will be used to cover the Plan's employer contributions in the subsequent period. At November 1, 2022 and December 31, 2021, forfeited non-vested accounts from participants totaled \$0 and \$60,184, respectively. At November 1, 2022 and December 31, 2021, no forfeited balances were used during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis for the period January 1, 2022, to November 1, 2022, and accrual basis of accounting for year end December 31, 2021.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged to the participant's account and are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of November 1, 2022 or December 31, 2021, because loans are repaid directly from participants' payroll and are expected to be fully collectible. As of November 1, 2022, all loan balances were transferred to Enhance Therapies 401K Plan.

Notes to the Financial Statements

For the ten-months ended November 1, 2022, and year ended December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 3 – PLAN TERMINATION

On September 21, 2022, the Plan Sponsor SPRS, Inc. and affiliate entity Enhance Therapies, Inc. entered into the Plan Merger Agreement (the "Merger") with Fidelity Investments. The Plan Merger Agreement states that SPRS, Inc will become a participating employer under the Plan Enhance Therapies 401K Plan effective as of November 1, 2022. As part of the Plan merger agreement, The SPRS Plan was terminated, and the net assets were liquidated and transferred to Enhance Therapies 401K Plan as of November 1, 2022. The merger was completed on November 1, 2022. Effective with the Plan termination, all participants with account balances remaining became fully vested in all contribution sources regardless of status or years of vested. All employees of SPRS, Inc. who were enrolled in the Plan were notified of the Plan merger and were automatically enrolled to participate into the new plan as of November 1, 2022.

NOTE 4 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at November 1, 2022 and December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the period January 1, 2022 to November 1, 2022 and the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 5 – FAIR VALUE MEASUREMENTS

The Plan's financial instruments are reported in accordance with ASC 820, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

South Pacific Rehabilitation Services, Inc. 401(K) Profit Sharing Plan

Notes to the Financial Statements

For the ten-months ended November 1, 2022, and year ended December 31, 2021

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 1, 2022 and December 31, 2021:

Money Market Funds: The fair value of money market funds is determined by reference to the fund's assets, which are principally Agency fixed and floating rate securities. Shares of Money Market Funds are traded on national securities exchanges are valued at quoted market prices as of November 1, 2022, and December 31, 2021.

Mutual Funds: Mutual funds represent investments with various investment managers. The fair value of these investments is determined by reference to the fund's assets, which are principally marketable equities and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at quoted market prices as of November 1, 2022, and December 31, 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

NOTE 6 – TAX STATUS

The Internal Revenue Service has determined and informed Fidelity Management & Research Co by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

For the ten-months ended November 1, 2022, and year ended December 31, 2021

NOTE 6 – TAX STATUS (CONTINUED)

Effective November 1, 2022, the Plan merged with Enhance Therapies 401k Plan in which uses the IRS Fidelity Management & Research Co. dated March 14, 2014.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments. Investments, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits. The Plan merged with another plan and was liquidated as of November 1, 2022.

NOTE 8 – RELATED-PARTY TRANSACTIONS

Certain Plan investments held during the year consisted of shares of mutual funds managed by Fidelity Management and Research Company. Fidelity Management and Research Company was a trustee during the year as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. The Plan merged with Enhance Therapies 401k Plan in which uses Fidelity Management and Research Company. The Plan was liquidated as of November 1, 2022, and the net assets transferred valued in the amount of \$19,643,906.

In addition, the Plan audit fees for the period will be paid by Enhance Therapies, Inc (the Plan Sponsor for the Enhance Therapies 401K Plan) and it is considered a related party transaction.

NOTE 9 – RECONCILIATION TO FORM 5500

There were no reconciling items to net assets available for benefits per the financial statements at November 1, 2022, and December 31, 2021, to Form 5500.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through November 8, 2024, the date which the financial statements were available to be issued. The Plan was terminated as of November 1, 2022, and the net assets were transferred successfully to Enhance Therapies 401k Plan. There were no other material subsequent events that required recognition or disclosure in these financial statements.
