(1) Name: PIVOT CPAS **(2)** EIN: 20-0708248

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) [ ] This form is filed for a CCT, PSA, DCG or MTIA. **(2)** [ ] It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**		X	
e Was this plan covered by a fidelity bond?	**4e**	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**		X	
l Has the plan failed to provide any benefit when due under the plan?	**4l**		X

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Stenner Pump Company, Inc. Retirement Savings Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Stenner Pump Company, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

PIVOT CPAs

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan:

The following description of the Stenner Pump Company, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective as of January 1, 2005, and is a defined contribution plan covering all eligible employees of Stenner Pump Company, Inc. (the "Company"). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was restated effective January 1, 2022 to comply with Internal Revenue Service ("IRS") restatement requirements.

Eligibility

The Plan covers all employees of the Company who have completed three months of service in which the employee is credited with at least 83 hours in each month, or one year of service where the employee is credited with at least 1,000 during the contribution period. Members of a collective bargaining unit and nonresident aliens with no U.S. source income are not eligible to participate. Eligible employees may enroll in the Plan the first day of January or July following the date the employee satisfies the Plan's eligibility requirements.

Contributions

Participants may elect to contribute to the Plan up to 100% of their annual compensation, as defined by the Plan, up to the maximum allowable under the Internal Revenue Code ("IRC"). In addition, employees who have attained age 50 by the end of the Plan year may make catch-up contributions up to limits defined by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company has elected to make safe harbor contributions equal to 3% of eligible compensation for all eligible participants. Additional nonelective contributions may be made at the option of the Company.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) the Plan's investment earnings and losses. Plan earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants invested in that fund. Any related administrative expenses based on participant earnings or account balances are deducted from the participant's account. The participant's accounts are adjusted daily to reflect contributions, income, and expenses.

Investments

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and a common collective trust fund as investment options for participants.

1. Description of Plan (Continued):

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon, as well as Company safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service using the following schedule:

Years of Service	Vesting Percentage
1 year	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, a participant or beneficiary may receive a lump sum equal to the vested value of his or her account. Participants that have terminated employment but have not withdrawn their account balance continue to participate in the earnings of the Plan. Account balances that are under $5,000 may be automatically distributed upon termination of service as a lump sum without the consent of the participant. The Plan also permits withdrawals due to circumstances of financial hardship, in accordance with provisions specified in the Plan document. Participants may elect to receive an in-service distribution after attaining the age of 59 ½.

Administrative Expenses

Administrative expenses of the Plan may be paid by either the Company or the Plan. Unless paid by the Company, administrative expenses are allocated to (1) participant accounts proportionally based on the value of the account balances, (2) as an equal dollar amount based on the number of participants of the Plan, or (3) charged to the related participant's account, based on the nature of the expense.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Forfeited Accounts

Forfeitures from nonvested participant accounts transferred into the Plan can be used to reduce future Company contributions or pay Plan expenses. At December 31, 2023 and 2022, there were no forfeited nonvested accounts. During 2023, there were no forfeitures used to reduce employer contributions or pay Plan expenses.

2. Summary of Accounting Policies:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are presented at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Realized gains and losses on the sales of securities are reported on the average cost method.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in a combination of investment securities which are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that the changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

The Financial Accounting Standards Board, Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant the fair value measurement. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Common Collective Trust: The Plan invests in a common collective trust which owns investment contracts that may invest in conventional, synthetic, and separate account investment contracts issued by life insurance companies, banks, or other financial institutions. The investment in the common collective trust was valued at net asset value ("NAV") based on the fair value of the underlying securities within the investment in accordance with ASC Subtopic 820-10. It is possible that redemption rights may be restricted in the future in accordance with the underlying trust agreements, which could impact the fair value of the Plan's interests in the trust.

The following table summarizes the Plan investments measured at fair value by level within the fair value hierarchy as of December 31:

December 31,	Level	2023	2022
Mutual funds	1	$ 9,066,306	$ 7,358,096
Common collective trust fund	*(a)*	382,212	343,624
		$ 9,448,518	$ 7,701,720

(a) These funds were measured at net asset value per share in accordance with ASC Subtopic 820-10 and have not been classified in the fair value hierarchy.

4. Information Certified by the Plan Trustee:

The following investments included in the statements of net assets available for benefits as of December 31, 2023 and 2022, and the dividends and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2023, have been derived from information certified as complete and accurate by Charles Schwab Trust Bank, the Trustee, in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

December 31,	2023	2022
Mutual funds	$ 9,066,306	$ 7,358,096
Common collective trust	382,212	343,624

Year ended December 31,	2023
Net appreciation in fair value of investments	$ 1,025,819
Dividends	305,073

5. Party-In-Interest Transactions:

Charles Schwab Trust Bank ("Schwab"), trustee and recordkeeper of the Plan, is considered a party-in-interest to the Plan. Fees paid by the Plan to Schwab for recordkeeper and transaction fees charged to participants totaled $2,645 for the year ended December 31, 2023, and are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their accounts.

7. Income Tax Status:

The IRS has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management has evaluated the Plan's tax positions and concluded that, as of December 31, 2023, the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the accompanying financial statements. The Plan is not subject to income tax examination by the U.S. federal, state, or local tax authorities for years before 2020.

8. Subsequent Events:

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains approximately 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

Management has evaluated subsequent events through November 1, 2024, the date the financial statements were available to be filed, and has determined that there were no material events requiring recognition or disclosure.
