## **INDEPENDENT AUDITOR'S REPORT**

October 15, 2024

To the Plan Administrator of  
the Dot Leasing Inc 401(k) Profit Sharing Plan and Trust:

### **Opinion on the 2023 Financial Statements**

We have audited the accompanying financial statements of the Dot Leasing Inc 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of July 17, 2023, and the related statement of changes in net assets available for benefits for the period then ended (beginning January 1, 2023), and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of the Plan as of July 17, 2023, and the changes in its net assets available for benefits for the period ended July 17, 2023, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Emphasis of Matter—Plan Merger**

As discussed in Note 6 to the financial statements, the governing body of the Plan approved a plan merger with an effective date of July 17, 2023. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Responsibilities of Management for the 2023 Financial Statements (continued)**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2023 Supplemental Schedule Required by ERISA*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Period) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### *2022 Financial Statements*

The financial statements of Dot Leasing Inc 401(k) Profit Sharing Plan and Trust as of December 31, 2022, were audited by Howard, LLP, who merged with Bonadio & Co., LLP as of November 1, 2023, and whose report dated September 27, 2023 expressed an unmodified opinion on those statements.

## NOTES TO FINANCIAL STATEMENTS JULY 17, 2023 AND DECEMBER 31, 2022

---

### 1. DESCRIPTION OF PLAN

The following description of the Dot Leasing Inc 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **Plan Merger**

On April 10, 2023, Plan management approved the merger of this Plan to the G&A Partners, Inc. Multiple Employer 401(k) Plan, effective July 17, 2023. As a result, all investments were transferred from the Plan into the G&A Partners, Inc. Multiple Employer 401(k) Plan on July 17, 2023.

#### **General**

The Plan is a defined contribution profit sharing plan adopted as of January 1, 1999, by Dot Leasing, Inc. (the "Company"). All employees of the Company who are 18 years of age or older were eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is defined by Section 401(k) of the Internal Revenue Code. Participants can enter the Plan on either January 1 or July 1 following satisfaction of their eligibility requirement.

#### **Contributions**

Each year, participants can contribute up to 12 percent of pretax annual compensation, limited to \$22,500 for 2023 and \$20,500 for 2022. Participants age 50 or older could elect to defer an additional \$7,500 for 2023 and \$6,500 for 2022. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributed 25% of the first 4% of participant contributions. Contributions are subject to certain limitations as defined in the Plan as required by ERISA.

#### **Participant Accounts**

Each participant's account is credited with (1) the participant's contribution, (2) participant's rollover amount from another qualified plan, and (3) allocation of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administration expenses. Allocations are based on participant contributions, participant earnings, or account balances, as defined in the Plan.

#### **Vesting**

Participants are fully vested at all times in their elective deferral account and rollover account plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are not vested until they had completed three years of service. At that time, they become fully vested.

## 1. DESCRIPTION OF PLAN (Continued)

### **Payment of Benefits**

Distributions to a participant or to the beneficiaries of the participant are made in a lump sum upon retirement, death, disability, or other termination of employment. Distributions equaled the value of the participant's vested balance in his or her account. Benefits are recorded when paid.

### **Loans to Participants**

Participants can borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms range from one to five years, unless it was used to acquire a participant's principal residence, in which case it could exceed five years. The loans are secured by the balance in the participant's account and bear interests at a rate commensurate with local prevailing rates as determined by the Company. Principal and interest is paid ratably through regular payroll deductions.

### **Investment Options**

Upon enrollment in the Plan, a participant could direct contributions into the investment options provided by the Plan. Participants could re-allocate their accounts at any time.

### **Forfeitures**

Forfeitures were created when participants terminated employment before becoming entitled to their full benefits under the Plan. The forfeited amounts could be used to reduce future Plan expenses. There were no material forfeiture amounts held or used as of July 17, 2023 or December 31, 2022.

## 2. SUMMARY OF THE ACCOUNTING POLICIES

### **Basis of Presentation**

The financial statements were prepared using accrual accounting in accordance with generally accepted accounting principals in the United States of America.

### **Investment Valuation**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determined the Plan's valuation policies. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income from mutual funds is recorded when paid. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### **Risks and Uncertainties**

The Plan provided for various investment options. These investments are exposed to risks from changes in interest rates and other market fluctuations. It was at least reasonably possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

## 2. SUMMARY OF THE ACCOUNTING POLICIES (Continued)

### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statement and the reported amount of revenues and expenses for the year then ended. Actual results could differ from those estimates.

### Corrective Distributions

Each year, the Plan is subject to annual contribution nondiscrimination testing. The Plan failed the Average Deferral Percentage test for the plan year 2022. Corrective distributions of excess contributions of \$5,055 in 2022, which were deferrals made by certain participants considered to be highly compensated employees, were returned to the participants as a result of the failed test. The Plan made the corrective distributions within two and a half months of the plan year end which is the requirement to avoid penalties.

## 3. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles in the United States of America establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2022 or during the period ended July 17, 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the U.S Securities and Exchange Commission. These funds were required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### 3. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2022.

Fair value measurement at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>1,299,348</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,299,348</u>

### 4. INCOME TAXES

The Plan is a non-standardized prototype plan. The IRS had determined and informed the Plan Sponsor by a letter, dated August 31, 2020, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan was qualified, and the related trust was tax-exempt.

### 5. PARTIES IN INTEREST

Plan investments are managed by Paychex Retirement Services who acted as record keeper and Merrill Lynch who acted as custodian as defined by the Plan and, therefore, transactions involving these securities qualified as party-in-interest transactions.

In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participants' account. Therefore, these related transactions qualified as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

### 6. PLAN MERGER

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon Plan termination, participants would become 100 percent vested in their employer contributions.

On April 10, 2023, Plan management approved the merger of this Plan to the G&A Partners, Inc. Multiple Employer 401(k) Plan, effective July 17, 2023. As a result, all investments were transferred from the Plan into the G&A Partners, Inc. Multiple Employer 401(k) Plan on July 17, 2023.

### 7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 15, 2024, which is the date the financial statements were available to be issued.
