INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Finishmaster, Inc. Finishmaster, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the accompanying financial statements of Finishmaster, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 11, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period January 1, 2024 to January 11, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 11, 2024 and December 31, 2023 and for the period January 1, 2024 to January 11, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audits.

1. DESCRIPTION OF PLAN

The following description of the Finishmaster, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution retirement plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code (IRC). The Plan is funded by employee and employer contributions and covers substantially all eligible employees of Finishmaster Inc. (the Company or Plan Sponsor). Employees become eligible to participate in the Plan as soon as administratively possible following date of hire. Employees become eligible for employer profit-sharing contributions if they are employed by the Company on the last day of the Plan year and have attained 1,000 hours of service. The assets of the Plan are maintained in a trust held by John Hancock Trust Company LLC (John Hancock) through December 31, 2022. Effective January 1, 2023, Fidelity Management Trust Company assumed the role as trustee of the Plan. The Plan is intended to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent legislation, where applicable.

Effective January 11, 2024, the Plan was merged into the LKQ Corporation Employees' Retirement Plan.

The following provisions are relative to the Plan prior to the plan merger.

Contributions

Participants employed by the Company may elect to contribute to the Plan a portion of compensation on a pretax basis and/or in the form of a designated Roth contribution ranging from 1% to 75% (limited, as determined by the Board of Directors of the Company, for highly compensated employees) of the contributing employee's compensation, not to exceed the maximum annual limitations as provided by the IRC. Eligible participants who fail to affirmatively make a contribution election are deemed to have elected to contribute 4% of compensation as a pretax contribution (deemed elective deferral). Unless otherwise elected, the participant's deemed elective deferral rate is increased by 1% annually to a maximum of 10%.

Employees who are age 50 or older by the end of the calendar year are allowed to make an additional "catch-up" contribution based upon annual limitations as provided by the IRC. The Company matches employee contributions in an amount equal to 50%, disregarding any deferral contributions in excess of 6% of compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company can also make additional discretionary profit-sharing contributions each year. There were no profit-sharing contributions made during the period January 1, 2024 to January 11, 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (1) the Company's matching contribution, (2) the Company's profit-sharing contributions, (3) Plan earnings and losses, and (4) administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FINISHMASTER, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JANUARY 11, 2024 AND DECEMBER 31, 2023

Vesting

Participants are immediately 100% vested in their elective deferral contributions. Effective January 1, 2021, participants who are employed by the Company on or after January 1, 2021, are vested in employer matching contributions and employer profit-sharing contributions as follows:

Less than one year of service	0%
One year but less than two	50%
Two+ years of service	100%

Prior to January 1, 2021, participants were vested in employer matching contributions and profit-sharing contributions as follows:

Less than two years of service	0%
Two years but less than three	25%
Three years but less than four	50%
Four years but less than five	75%
Five+ years of service	100%

Notes Receivable from Participants

Participants may borrow from their funds up to a maximum amount of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, but may exceed five years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at the prime interest rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

The Plan provides for the payment of benefits upon retirement, total and permanent disability, termination of employment, and financial hardship by way of a lump-sum distribution, substantially equal installments, or an annuity equal to the value of the participant's vested interest in his or her account. Benefits are recorded when paid.

Forfeited Accounts

Employer matching and profit-sharing contributions forfeited by participants are used to offset Plan administrative costs, reduce employer matching and profit-sharing contributions, or restore forfeitures of returning participants. Accumulated forfeited nonvested accounts totaled \$0 and \$391,803 as of January 11, 2024 and December 31, 2023, respectively. Forfeiture balance was transferred to the LKQ Corporation Employees' Retirement Plan upon the Plan merger.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company contribution portion of their account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

Administrative Expenses

Significant administrative costs related to the Plan are incurred by the Company and are not reflected in the operations of the Plan. The fees related to recordkeeping and investment advisory services are paid by the Plan and reflected as administrative expenses within the statement of changes in net assets available for benefits for the period January 1, 2024 to January 11, 2024.

Investment Valuation and Income Recognition

Investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. The net appreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the period.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments from participants disclosed in the accompanying financial statements, including investments held as of January 11, 2024 and December 31, 2023, and net depreciation in fair value of investments and interest and dividend income for the period January 1, 2024 to January 11, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

4. FAIR VALUE MEASUREMENT

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board (FASB) Accounting Standards Codification Section 820 (ASC 820) established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023.

Mutual funds and common stock (held in the self-directed account): Valued based on quoted market prices.

Pooled separate account: The assets in the pooled separate account (PSA) are invested primarily in fixed income securities. The assets in the PSA are priced based upon the fair value of the underlying investments as determined by the custodian of the PSA.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**FINISHMASTER, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JANUARY 11, 2024 AND DECEMBER 31, 2023**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Fair Value Measurements as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 69,723,410	\$ -	\$ -	\$ 69,723,410
PSA	-	5,247,463	-	5,247,463
Total investments, at fair value	<u>\$ 69,723,410</u>	<u>\$ 5,247,463</u>	<u>\$ -</u>	<u>\$ 74,970,873</u>

5. PARTY-IN-INTEREST TRANSACTIONS

In 2024 and 2023, Plan investments were managed by the respective trustees; therefore, any transactions between trustee and the Plan qualify as party-in-interest. Notes receivable from participants also qualify as party-in-interest.

6. TAX STATUS

The Company adopted a Fidelity-sponsored prototype plan. The underlying prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.

7. SUBSEQUENT EVENTS

In accordance with ASC Topic 855, *Subsequent Events*, Plan management has evaluated events occurring through November 6, 2024, the date the financial statements were available to be issued, and determined there were no additional events significant to the financial statements.
