INDEPENDENT AUDITOR'S REPORT

Board of Trustees
River Garden 401(k) Profit Sharing Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of River Garden 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Board of Trustees
River Garden 401(k) Profit Sharing Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Trustees
River Garden 401(k) Profit Sharing Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIVER GARDEN 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - PLAN DESCRIPTION

The following description of River Garden 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan became effective on January 1, 1985, and was subsequently amended. The Plan is a contributory, defined-contribution plan covering substantially all employees of the following related entities: River Garden Hebrew Home for the Aged; River Garden Holding Company, Inc. d/b/a River Garden Senior Services; The Coves at River Garden, Inc.; and River Garden Foundation, Inc. (collectively, “River Garden”). The purpose of the Plan is to reward employees of River Garden for faithful service, to establish a bond between employer and employee, to provide an incentive for efficient and conscientious work, to provide a fund for retirement, disability, or death, and to retain high-caliber employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to make salary deferrals (to a traditional and/or Roth account) up to the lesser of the Internal Revenue Service (“IRS”) limit or 80% of their salary. The Plan provides for employer contributions in an amount equal to 3% of a participant’s total qualified annual compensation, plus an additional 3% of a participant’s qualified annual compensation in excess of \$160,200 for the year ended December 31, 2023. A participant must complete one year of service (at least 1,000 hours), satisfy an entry date on January 1 or July 1, and then, coinciding with or following the entry date, be employed by River Garden on the first day and the last day (except for reasons of death, disability, or retirement) of the Plan year, to share in the allocation of River Garden’s contribution for such Plan year. River Garden may also make a discretionary contribution to the Plan each year. There were no discretionary contributions made during 2023.

Participant Accounts

Each participant’s account is credited and/or reduced by the participant’s elective deferral contributions and distributions, River Garden’s contributions, and an allocation of the Plan’s investment earnings/losses, investment fees, and any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan.

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Investment Options

The participants direct the investment of their account balance and may select from various investment options maintained by the Capital Bank and Trust Company (the “Plan Custodian”). Participants may change their investment option selections on any business day, as defined by the Plan.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting rights in employer contributions are graded based on years of service, as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
2	20%
3	40%
4	60%
5	80%
6	100%

The vesting percentage for a participant who is an employee when they reach the normal retirement age of 65, meets the requirements for early retirement, becomes totally disabled, or dies, whichever occurs first, shall be 100%.

Forfeited Accounts

Forfeited balances of terminated participants’ non-vested accounts are used to reduce River Garden’s contributions. The forfeiture accumulation account, which consists of the unused balance of terminated participants’ non-vested employer contributions, approximated \$17,000 and \$21,000 at December 31, 2023 and 2022, respectively. During the year ended December 31, 2023, approximately \$25,000 of forfeited account balances were used to reduce employer contributions remitted to the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000, or 50%, of the participant’s vested account balance in the Plan. Loan transactions are treated as transfers between the Investment Fund and the Loan Fund. Loan terms range from 1-5 years, or up to 15 years for the purchase of a principal residence. The loan balance is collateralized by the balance of the participant’s interest in the Plan and bears interest at a 5% fixed interest rate. Principal and interest are paid ratably through biweekly payroll deductions. Participants may have only two outstanding loans at a time.

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Payment of Benefits

Upon death, permanent disability, or retirement of the participant, their entire account balance becomes fully vested. Distribution of benefits may be made in one lump-sum cash payment or installments over a period of not more than the participant's life expectancy, based on Plan provisions and participant elections. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan as of December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis of Accounting

The financial statements of the Plan are presented on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Employer Contributions Receivable

Employer contributions receivable represents contributions due from River Garden, based on the annual contribution calculation made as of the last day of the Plan year.

Investment Valuation and Income Recognition

The Plan's investments in cash and cash equivalents, and mutual funds are stated at fair value. The Plan's investments held in collective investment trust accounts are stated at contract value.

Investments in mutual funds are reported at fair value and are valued using a market valuation basis at the reported closing net asset value ("NAV") of the funds on the last business day of the Plan year. NAV is based on the fair market value of the funds' underlying investments, less any fund liabilities. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition *(Continued)*

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest (see Note 5).

Notes Receivable from Participants

Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made. Participant notes receivable are measured at their unpaid principal balances, plus any accrued interest. Delinquent notes are reclassified as distributions, based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The excess contributions accrued as of December 31, 2023 were paid in 2024.

Payment of Benefits

Benefits are recorded when they have been processed and paid by the Plan.

Plan Expenses

Certain administrative costs are paid by the Plan and are allocated to the individual participant accounts in accordance with the Plan document. Investments fees, commissions, and other related fees are netted against net change in fair value of investments. River Garden has elected to pay certain administrative expenses on behalf of the Plan.

Subsequent Events

In preparing the financial statements, the Plan sponsor has evaluated events and transactions for potential recognition through October 14, 2024, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The Plan Custodian holds the Plan's investments and executes all investment transactions as of and for the year ended December 31, 2023. All investments and participant notes receivable information disclosed in the accompanying financial statements and supplemental schedule, including investments and participant notes receivable held at December 31, 2023 and 2022, net change in fair value of investments, and interest and dividends (including interest on participant notes receivable) for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023 and 2022:

		December 31, 2023			
		Level 1	Level 2	Level 3	Total
Investments:					
	Cash and cash equivalents	\$ 42,330	\$ -	\$ -	\$ 42,330
	Mutual funds	10,581,918	-	-	10,581,918
Investments at fair value		\$ 10,624,248	\$ -	\$ -	\$ 10,624,248
		December 31, 2022			
		Level 1	Level 2	Level 3	Total
Investments:					
	Cash and cash equivalents	\$ 36,730	\$ -	\$ -	\$ 36,730
	Mutual funds	9,433,948	-	-	9,433,948
Investments at fair value		\$ 9,470,678	\$ -	\$ -	\$ 9,470,678

There were no transfers of investments between levels within the fair value hierarchy during the year ended December 31, 2023.

NOTE 5 - COLLECTIVE INVESTMENT TRUST

The Plan holds an interest in a collective investment trust (Federated Capital Preservation Fund) to maintain a portion of the Plan contributions in guaranteed investment contracts, synthetic guaranteed investment contracts, and separate account investment contracts. The account is credited with contributions and earnings on the underlying investments and charges for participant withdrawals and administrative expenses charged by the collective investment trust. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. The investment contracts in the collective investment trust are fully benefit-responsive. The collective investment trust is included in the financial statements at contract value, as reported to the Plan by the Plan Custodian. There are no reserves against the collective investment trust for credit risk of the contract issuer or otherwise. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The average yield on the collective investment trust for the year ended December 31, 2023 was 3.37%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Specific coverage provided by each contract may be different from each issuer and can be found in the contract of the collective investment trust. Examples of such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan has investments that are exposed to risk, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near term and that such changes could materially affect the amounts reported in these financial statements.

The Plan's investments are not insured or protected by the Plan Custodian, the Plan sponsor, the Pension Benefit Guarantee Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with similar investments.

NOTE 7 - INCOME TAX STATUS

Effective June 2020, the Plan adopted the Non-Standardized Pre-Approved Profit-Sharing Plan with CODA ("Volume Submitter Plan") sponsored by CCH Incorporated. The Volume Submitter Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Volume Submitter Plan, as then designed, qualified under Section 401 of the Internal Revenue Code ("IRC"). The Plan administrator has adopted all Volume Submitter Plan provisions and believes the Plan, as currently amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 - PARTY-IN-INTEREST

During 2023, certain Plan investments were managed by the Plan Custodian and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, River Garden has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
