## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of:  
NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST:

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 and 2021 Financial Statements:***

We have performed an audit of the financial statements of NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years that ended, and the related notes to the financial statements (2022 and 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion on the 2022 and 2021 Financial Statements:***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 and 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 and 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2022 and 2021 Financial Statements:***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements section of our report. We are required to be independent of NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2022 and 2021 Financial Statements:***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST's ability to continue as a going concern for a period of one year from the date of these financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements:***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 and 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters:***

***2022 and 2021 Supplemental Schedules Required by ERISA:***

The supplemental schedules of Assets held at December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**In our opinion:**

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of:  
NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST:

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 and 2021 Financial Statements:***

We have performed an audit of the financial statements of NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years that ended, and the related notes to the financial statements (2022 and 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion on the 2022 and 2021 Financial Statements:***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 and 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 and 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2022 and 2021 Financial Statements:***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements section of our report. We are required to be independent of NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2022 and 2021 Financial Statements:***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST's ability to continue as a going concern for a period of one year from the date of these financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements:***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 and 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NEIDERS COMPANY LLC 401(K) PROFIT SHARING PLAN and TRUST's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters:***

**401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2022 and 2021**

**NOTE 1 – PLAN DESCRIPTION (continued)**

At the consent of the Company, the Plan allows employees to roll over amounts into the Plan from other qualified plans. The rollover contribution is permitted provided the trust from which the funds are to be transferred permits to be made.

The plan was improperly excluding employees' bonus from the calculation of employee deferrals during the 2022 plan year. Management recalculated these contributions that totaled \$16,955, which included \$14,346 of employee and employer contribution deferrals and \$2,609 of lost earnings of these deferral contributions and made these contributions to the participant accounts on or about November 1, 2024. The plan has included these contributions in the 2022 financial statements as a contribution receivable on its balance sheet and contributions and appreciation of investments in the statement of changes to net assets.

**Benefits and Vesting**

Participants are immediately vested in their contributions and actual investment earnings and losses thereon. Participants vest in the company's matching contributions over a 5-year straight line vesting schedule, with the first vesting event occurring after one year. A year of service is defined as 1,000 hours of service during a plan year.

Participants or their beneficiaries are eligible to receive distributions of their vested account balances upon retirement or other termination of employment. Distributions of benefits while the participant is still employed are permitted for rollovers of the account balances, after- tax distributions, financial hardship, as defined, or upon the attainment of age 59 ½. Participants or their beneficiaries may elect to receive a lump sum payment or minimum required payments.

**Investment Management Fees and Operating Expenses**

Investment management fees and operating expenses charged to the Plan for investments in the various funds and deducted from income earned on a daily basis and are reflected as a component of net appreciation in fair value of investments.

**NEIDERS COMPANY LLC**  
**401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2022 and 2021**

**NOTE 1 – PLAN DESCRIPTION (continued)**

**Notes/Loans Receivable from Participants**

Participants are allowed to borrow against their individual vested accounts. Loan amounts are limited to 50% of a participant's vested balance to a maximum of \$50,000, with an interest rate that approximates the current market rates. At December 31, 2022 & 2021, the interest rates on outstanding loans ranged from 4% to 7%. The financial risk and all associated costs with non-performing loans is borne by the individual loan holder.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following are significant accounting policies followed by the Plan:

**Basis of Accounting** – The Plan uses the accrual basis of accounting for transactions in accordance with accounting principles generally accepted in the United States of America. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Benefits are recorded when paid. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Notes Receivable/Loans from Participants** – Notes receivable from participants is measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan document.

**Risks and Uncertainties** – The Plan provides for various investment options in money market and mutual funds. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

**401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2022 and 2021**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)**

**Subsequent Events** – The Plan has evaluated subsequent events through our report date of October 22, 2024, the date the financial statements were available to be issued.

**NOTE 3 – INVESTMENTS**

The Company has entered into an agreement whereby, Human Interest (“Custodian”) has been appointed the Custodian of the Plan’s assets. Under the terms of the agreement, the Custodian holds and invests the funds of the Plan assets. Under the terms of the agreement, the Custodian holds and invests the funds of the Plan subject to the direction of a designated investment committee. The Company is the Plan’s administrator. All investments are carried at fair value.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The Plan defines fair value as an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, accounting standards codification establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of inputs used to measure fair value are as follows:

**Level 1** – Quoted prices in active markets for identical assets or liabilities

**Level 2** – Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**Level 3** – Unobservable inputs that are supported by little or no market activity and are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted flow methodologies and similar techniques that use significant unobservable inputs.

**NEIDERS COMPANY LLC**  
**401(K) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2022 and 2021**

All investments are in mutual funds and money market accounts. The fair values for mutual funds and money market accounts are based on quoted prices in active markets and are therefore classified within Level 1 of the fair value hierarchy.
