Independent Auditors' Report

The Plan Administrator and Participants Elevate ENT Partners LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Elevate ENT Partners LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedules Required by ERISA (continued)

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

An aggregate of \$1,090,660 was rolled into the Plan during the year ended December 31, 2023, and is included in rollover contributions on the statement of changes in net assets available for benefits.

During 2022, due to an acquisition, The Barranco Clinic, Inc. ("Barranco") employees became employees of FENTA and were eligible to participate in the Plan. The Plan Administrator approved an amendment to merge The Barranco Clinic, P.A. 401(k) Profit Sharing Plan, (the "Barranco Plan") into the Plan effective May 5, 2022. Participant Deferral Contributions

Each year Participants may defer up to 100% of their eligible compensation, as defined by the Plan, on a pre-tax or roth basis not to exceed a dollar limitation established under the Internal Revenue Code (the "IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing distributions from other qualified plans.

Elevate ENT Partners LLC 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan (*continued*)

Participant Deferral Contributions (continued)

Employees, upon eligibility to participate in the Plan, will be automatically enrolled to defer 3% of their eligible compensation, as defined. A Participant may choose not to defer or may choose a different percentage once enrolled. Automatic enrollment deferrals are invested in the Fidelity Freedom Target Retirement Date funds based upon the Participant's expected retirement date. Participants who are automatically enrolled will be subject to automatic escalation of 1% on the first day of each plan year until the Participant's rate of deferral reaches 10% or until the Participant elects to change the amount they are contributing or ceases contributing.

Employer Contributions

The Participating Employers, at their discretion, may elect to make matching contributions as determined by their Board of Directors. To be eligible, Participants must be making deferral contributions to the Plan. For the year ended December 31, 2023, the Participating Employers elected not to make a matching contribution.

Each year, the Participating Employers will contribute an amount equal to 3% of a Participant's eligible compensation, as defined. Participants are eligible for the employer safe harbor non-elective contribution, regardless of a Participant's elective deferral contributions. For the year ended December 31, 2023, the Employer made safe harbor non-elective contributions of \$1,539,279, net of forfeitures of \$1,516.

The Participating Employers, at their discretion, may make non-elective contributions to the Plan, as determined by the Plan's Board of Directors. All Participants are eligible for the employer non-elective contribution. Employer non-elective contributions are allocated at the Participating Employers' discretion based on groups. Each eligible Participant is considered their own allocation group. The amount allocated to each group is based on eligible compensation. For the year ended December 31, 2023, the Participating Employers made a non-elective employer contribution of \$5,801,649, net of forfeitures of \$44,032.

Participant Accounts

Each Participant's account is credited with the Participant's contributions, the respective Participating Employer contributions and an allocation of Plan investment earnings and losses, and charged with an allocation of administrative expenses, as applicable. Allocations are based on Participant compensation, group, or account balance, as defined. The benefit to which a Participant is entitled is the benefit which can be provided from the Participant's vested account.

Elevate ENT Partners LLC 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan (*continued*)

Vesting

Participants are immediately vested in their participant contributions, rollover contributions, and employer safe harbor non-elective contributions, plus allocated earnings thereon. Participants begin vesting in Employer non-elective contributions and the discretionary Employer matching contribution, if any, plus earnings thereon, in 33% increments after one year of service and are 100% vested after three years of service, unless termination due to death, disability, or attainment of retirement age, at which time a Participant is 100% vested.

Forfeitures

A Participant who leaves the employment of the Participating Employers forfeits any non-vested balance. Forfeited balances of terminated Participants' accounts are used to first pay administrative expenses and then to reduce all Employer contributions in the year of forfeiture. During 2023, \$45,548 of forfeitures were used to fund employer contributions and \$712 of forfeitures were used to offset administrative fees. At December 31, 2023 and 2022, there are unallocated forfeiture amounts of \$65,019 and \$468, respectively.

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect a lump-sum distribution in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant or a tax free rollover to an individual retirement account or another qualified plan. If a Participant's vested account is more than \$1,000 but less than \$5,000, the plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than \$1,000, the plan administrator, after notification, may distribute the account balance to the Participant.

In-service withdrawals from a Participant's account are permitted only due to financial hardship or upon reaching age 59½. In-service withdrawals upon reaching age 59 ½ are allowed from all Participant's vested accounts. Hardship withdrawals are permitted to a minimum of \$500 and may be taken from the Participant's elective deferral account.

Notes Receivable from Participants

Subject to approval by the plan administrator, Participants may borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only borrow from their pre-tax deferral or Roth 401(k) deferral accounts. A Participant may only have one loan outstanding at a time. Loan terms range up to five years (or longer for the purchase of a primary residence). The loan is secured by the vested balance in the Participant's account and bears interest at the Wall Street Journal prime rate plus 1% at the time the loan is made. Principal and interest are paid ratably through payroll deductions. If a Participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is deemed to be made in accordance with the plan document. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

1. Description of the Plan (*continued*)

Notes Receivable from Participants (*continued*)

Interest rates for outstanding loans range from 4.25% to 9.50% at December 31, 2023 and 4.25% to 8.00% at December 31, 2022 and mature at various dates through December 2032.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified as Level 1 investments.

Elevate ENT Partners LLC 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements (*continued*)

Common collective trust funds: Valued at the NAV of units in the collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Generally, contributions to and withdrawals from the fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each Participant. The collective investment fund has no unfunded commitments at December 31, 2023 and 2022.

Self-directed brokerage account: Consists of interest-bearing cash, mutual funds, and corporate stocks which are valued at the closing price reported on the active market on which the individual securities are traded and are classified as Level 1 investments.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expensed when incurred.

Benefits Paid

Benefit payments are recorded in the period in which the Participants are paid.

3. Information Certified (Unaudited)

Certain information related to investments, non-interest bearing cash, and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) including investments, non-interest bearing cash, and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividend and interest income, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian, a qualified institution.

Elevate ENT Partners LLC 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

4. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

5. Party-In-Interest Transactions

Plan investments include funds that are managed by an affiliate of FMTC. Therefore, transactions with affiliates qualify as exempt party-in-interest transactions. Administrative fees of \$174,589 were paid to FMTC during 2023. Notes receivable from Participants also qualify as exempt party-in-interest transactions as defined by ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

7. Tax Status

The underlying volume submitter profit sharing plan has received its latest opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, stating that the form of the plan is qualified under section 401(a) of the IRC, is exempt from federal income taxes under Section 501(a) of the IRC and that the plan, as then designed, was in compliance with the applicable requirements of the IRC. Any employer adopting this form of the plan will be considered to have a plan qualified under section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as of the date of this report.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of the Plan is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
