We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

Plan Description

The following description of the Blue Crab Corporate Services, LLC (a 401(k) plan) (the “Plan”), established in 2017, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan is sponsored by Blue Crab Corporate Services, LLC and includes other participating employers, Bay Clinical Laboratories, LLC, Project Chesapeake, LLC, and University Psychological Center Inc. (the “Companies”).

General

The Plan is a defined contribution profit sharing plan covering substantially all employees of the Plan sponsors. Participant must be 21 years of age to participant in the Plan. Employees are eligible to participate in the Plan on the first day of the month coinciding with or next following date of the completion of three months of service. Employees are automatically enrolled in the plan upon eligibility. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”).

Participant Contributions

Participants may contribute pretax annual compensation as defined by the Plan, up to a maximum of \$22,500 during the 2023 plan year. Participants over the age of 50 are also allowed additional catch-up contributions up to \$7,500 for 2023. The Plan also permits for Roth 401(k) contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Distributions from other qualified retirement plans can also be contributed to the Plan and retained as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

The Companies make safe harbor matching contributions equal to 100% of the salary deferrals that does not exceed 1% of compensation plus 50% of salary deferrals between 1% and 6% of compensation. The Companies may make discretionary profit-sharing contributions. This contribution, if any, is determined by the Companies with respect to each Plan year. There were no discretionary profit-sharing contributions made during 2023. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE 1 – PLAN DESCRIPTION (Continued)

Participant Accounts

Individual accounts are maintained for each participant and include participants' salary deferral contribution, rollover contributions and distributions, plus an allocation of the Plan Sponsor's safe harbor contributions and profit-sharing contributions, Plan earnings (losses), including realized and unrealized gains and losses on investments, and Plan administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral, including Roth 401(k) deferrals and catch up contributions, rollover contributions, and related earnings. Participants who retire, die, or become totally and permanently disabled are entitled to the full amount in their account. Participants who terminate employment prior to 100% vested are entitled to a percentage of their safe harbor contributions, profit sharing contributions, and employer match contributions accounts depending on their years of service. Participants become vested based on the following schedule for the employer match, safe harbor, and profit sharing contributions:

<u>Years of service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Safe harbor contributions become fully vested after two years of service.

Investment Options

Participants may direct Reliance Trust a Fidelity Information Services, LLC Company (the "Trustees"), as to the investment of their account balances into various investment options offered by the Plan. The Plan currently offers various annuities and guaranteed portfolio funds as investment options for participants. Participants may change their investment directions at any time, subject to such restrictions and procedures as established by the recordkeeper, and the Plan.

NOTE 1 – PLAN DESCRIPTION (Continued)

Notes Receivable from Participants

Participants may borrow not less than \$500 from their fund accounts up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Loan transactions are treated as transfers between the investment fund and the participant loan fund. Loan terms are not to exceed five years, unless the loan was for the purchase of a primary residence, which can be for a term up to thirty years. The loans are secured by a fifty percent security interest in the participant's vested account balance and bear interest at a fixed rate for the life of the loan. As of December 31, 2023, interest rates ranged from 5.25% to 10.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

The Plan allows for distributions upon termination of service, death, disability, attainment of age 59 ½ or in certain hardship situations while actively employed. A participant may elect to receive a lump sum payment or installment payments, rollover the value of their account into another qualified plan, or a combination.

Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed by the employee may be withdrawn for a hardship purpose. Hardship withdrawals are subject to IRC restrictions and penalties.

Forfeitures

Forfeitures of the non-vested portion of a participant's employer matching account are primarily used to pay plan administrative costs or to reduce the employer's matching contribution. Alternatively, forfeitures may be allocated to participants as an additional matching contribution. In December 31, 2023 non-vested employer contribution forfeitures were \$82,235.

Plan Administrative Costs

The Plan is administered by the Plan Sponsor. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative expenses are paid either directly by the Plan Sponsor or by the account of the participant. Plan participants paid \$18,172 of administrative costs for the year ended December 31, 2023.

NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with U.S. generally accepted accounting principles (“U.S. GAAP”) on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when earned. Net change in fair value includes the Plan’s gains and losses on investments bought and sold, as well as held, during the year. See Note 9 for discussion of fair value measurements.

Risks and Uncertainties

The Plan provides for various investment fund options. Investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Deferred Payment of Benefits

Net assets available for plan benefits include \$801,051 at December 31, 2023, which represent deferred vested benefits for participants who have withdrawn from the Plan but have not been paid. Benefit deductions are recognized when paid. Benefits paid to participants are recorded when paid.

BLUE CRAB CORPORATE SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023.

Subsequent Events

Events that occurred subsequent to December 31, 2023 have been evaluated by the Company's management for potential recognition or disclosure in the financial statements through the date of the independent auditor's report, which is the date the financial statements were available to be issued. The Company did not have any material recognizable subsequent events during this period. Management has determined no events occurred that would require recognition.

Plan Merger

On May 1, 2023, the University Psychological Center, Inc. ("UPC") merged with the Plan. Total assets merged from UPC was \$1,142,222.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and assets of the Plan will be distributed in accordance with the Plan's provisions.

NOTE 4 – TAX STATUS

The Plan is qualified pursuant to Section 401(a) of the Internal Revenue Code and, accordingly, the net investment income is exempt from income taxes. The Plan obtained its latest determination letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving its latest determination letter. However, the plan administrator and the Plan's management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 5 – EXCESS PARTICIPANTS’ CONTRIBUTIONS

At December 31, 2023, the Plan had no accrued payables for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service. If applicable, excess contributions outstanding at year-end will be repaid to the respective participants in the subsequent period.

The administrator of the Plan is Automatic Data Processing, Inc., who receives fees from Plan participants (see Note 1). The custodian of the Plan is Reliance Trust Company a Fidelity Information Services, LLC, who acts as the Plan’s trustee and who receives fees as a reduction of the return earned on each fund. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. NOTE 9 – FAIR VALUE MEASUREMENTS

The Company accounts for the fair value of its investments under the Fair Value Measurement topic of the FASB Accounting Standards Codification (“ASC”) 820, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies (Mutual Funds)

Mutual funds represent investments (mutual funds) held with various investment managers. The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. There have been no changes in the methodologies used at December 31, 2023.

BLUE CRAB CORPORATE SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 9 – FAIR VALUE MEASUREMENTS (Continued)

Common / Collective Trusts (“CCT”)

CCT’s are public investment vehicles valued using NAV to estimate fair value provided by the underlying administrator of the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Uncategorized</u>	<u>Total</u>
Registered investment companies	\$ 210,146	\$ -	\$ -	\$ -	\$ 210,146
