INDEPENDENT AUDITOR'S REPORT

Board of Trustees
PingWind, Inc 401(k) Plan
Annandale, Virginia 22003

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of PingWind, Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of January 11, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to January 11, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of PingWind, Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Acensus Trust Company, a qualified institution, as of January 11, 2024 and December 31, 2023 and for the period from January 1, 2024 to January 11, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PingWind, Inc 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PingWind, Inc 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is no guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PingWind, Inc 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PingWind, Inc 401(k) Plan's ability to continue as a going concern for a reasonable period of time. In January 2024 the plan was merged with an affiliated plan and the PingWind, Inc. 401(k) plan was terminated.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (held at end of period) as of January 11, 2024 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023 AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

NOTE 1. DESCRIPTION OF PLAN

The following description of the PingWind, Inc 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Plan management decided to terminate the Plan effective January 11, 2024. The Plan merged with Exeter Information Technology Services 401(K) Plan and the PingWind Inc., 401(k) Plan was terminated.

General

The Plan is a defined contribution plan covering all employees of PingWind, Inc ("the Company") who are age eighteen or older. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan's Board of Trustees oversees governance of the Plan and determines the appropriateness of the Plan's investments and monitors investment performance.

Contributions

Each year, participants may contribute pre-tax or Roth contributions of any dollar or percentage amount of their annual wages not to exceed regulatory imposed limits, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options for Plan participants. The Company may contribute discretionary contributions on a percentage basis to participants based on the individual participant's contribution. There were no contributions, matching or profit sharing contributions for the period ending January 11, 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and their computed share of the Company's discretionary contribution. Plan earnings are charged with any administrative expenses specific to the participant's account. Allocation of Plan earnings is specific to each participant's directed account related to their specific investments.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest rates at 6.25% to 8.50%, which are commensurate with local prevailing rates as determined quarterly by the Board of Trustees. Principal and interest is paid ratably through semi-monthly payroll deductions. All loans were transferred to the new plan.

PINGWIND, INC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023 AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

For the period ended January 11, 2024, forfeited nonvested accounts totaled zero.

Vesting

Participants are immediately vested in their voluntary contributions and discretionary matching contributions plus actual earnings thereon. Vesting in the Company profit sharing contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service which increases 20% per year until 100% vested.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contributions plan are required to be reported at fair value, except for fully benefit-responsive guaranteed investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive guaranteed investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

PINGWIND, INC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023 AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

Investment Valuation and Income Recognition

The Plan's Investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determine the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of January 11, 2024 and December 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

There were no excess contributions for the period ended January 11, 2024.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments. Certain fees for the administration of the participant's accounts are included in administrative expenses and charged directly to participant's accounts. Fees are charged to participants for the administration of loans and distributions.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through November 7, 2024, which is the date the financial statements were available to be issued.

PINGWIND, INC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023
AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

NOTE 3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of separate accounts and mutual funds are based on quoted net asset values of the shares as reported by the fund. The separate accounts and mutual funds held by the Plan are registered with the U.S. Securities and Exchange Commission. The separate accounts and mutual funds must publish their daily net asset value and transact at that price. The separate accounts held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of January 11, 2024 and December 31, 2023:

	Fair Value Measurements at the End of the Reporting Period Using:		
Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	
January 11, 2024			
Mutual Funds - Total	\$ -	\$ -	\$ -
December 31, 2023			
Mutual Funds -Total	\$ 3,613,226	\$ 3,613,226	\$ -

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the periods ended January 11, 2024 and December 31, 2023, are reported in net depreciation in fair value of investments.

PINGWIND, INC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023 AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the period ended January 11, 2024 and December 31, 2023, there were no transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

NOTE 4. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan Investments are mutual funds managed by Vanguard. Vanguard performs record keeping and administrative services for Ascensus Trust Company, the trustee of the Plan, therefore, certain investments held by Vanguard qualify as party-in-interest transactions. No fees were paid, to Vanguard, by the Plan for contract administration or to Fiduciary Wealth Management for plan for investment management services for the period ended January 11, 2024.

All these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 5. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Board of Trustees may determine.

During the 2023 year, management decided to terminate the Plan effective January 11, 2024. The financial statements are not being prepared on a liquidation basis. The Plan was merged with Exeter Information Technology Services 401(K) Plan (an affiliate plan) and the PingWind Inc, 401(k) Plan was terminated.

NOTE 6. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Board of Trustees and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023 AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

NOTE 7. INFORMATION CERTIFIED BY TRUSTEE

Under the Department of Labor's regulations, certain assets and related information held by a bank, trust company or similar institution, or an insurance company, that is regulated and subject to periodic examination by a state or federal agency does not have to be audited, provided the plan administrator exercises this option and the institution holding the assets certifies the required information. Ascensus Trust Company has provided certification as to the completeness and accuracy of the following information included in the net assets available for benefit as of January 11, 2024 and December 31, 2023 and the statement of changes in net assets available for benefits for the period ended January 11, 2024.

	<u>2024</u>	<u>2023</u>
Investments at fair value	<u>\$ -</u>	<u>\$ 3,613,226</u>

Net appreciation in fair value of investments	<u>\$ (18,205)</u>	
Notes receivable from participants	<u>\$ -</u>	<u>\$ 113,157</u>

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS
AS OF JANUARY 11, 2024 AND DECEMBER 31, 2023
AND FOR THE PERIOD JANUARY 1, 2024 TO JANUARY 11, 2024

NOTE 9. QNEC CONTRIBUTION RECEIVABLE

During the year ended December 31, 2023, the Plan sponsor identified various errors in the processing of contributions and in the determination of the eligibility of participants. The Plan sponsor corrected the funding resulting from these errors through a QNEC (Non-Elective Contribution). The QNEC was paid in the amount of \$66,321 after January 11, 2023. This amount was recorded as a receivable at December 31, 2023. This receivable was part of the transfer of funds to the affiliated plan (the surviving plan), into which the plan was merged.

Management is also in the process of a Voluntary Correction Program (VEC) for possible errors in the eligibility of temporary, seasonal and part-time employees working less than 1,000 hours in a Plan Year to participate in the plan. Management has sought legal advice and has submitted a request of forgiveness regarding a second QNEC. As such, Management is unsure if additional amounts will be required to be processed through a second QNEC. Any amounts are contingent receivables to the Plan, and as such are not included in the Statement of Net Assets.
