INDEPENDENT AUDITOR'S REPORT

To the Plan Participants and Plan Administrator of
Detroit Community Health Connection Inc. Retirement Program
Detroit, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Detroit Community Health Connection, Inc. Retirement Program (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of January 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended January 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section—

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

The supplemental schedules as identified in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

2024 Supplemental Schedules Required by ERISA (Continued)

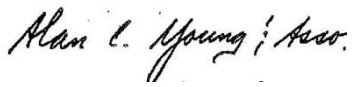

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The financial statements of the Plan as of January 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated November 7, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1) DESCRIPTION OF THE PLAN

The following description of the Detroit Community Health Connection, Inc Retirement Program (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General

The Plan is an annuity contract and custodial account plan established by Detroit Community Health Connection, Inc ("Plan Sponsor") under the provisions of section 403(b)(1) of the Internal Revenue Code (the "IRC") for the benefit of eligible employees of the Plan Sponsor. The Plan was effective August 1, 1992 and the amended & restated provisions of the plan become effective on February 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

For elective deferrals, all employees, unless they are part of an excluded class of employees as defined in the plan document, are eligible to participate. For employer contributions, only full-time employees who complete 12 months of service during the plan year are eligible.

Contributions

Each year, participants may elect to contribute a portion of their compensation not to exceed limits established by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions from other qualified plans are also permitted subject to approval by the plan administrator. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain limitations. Rollover contributions are 100 percent vested and nonforfeitable.

The Plan provides for employer nonelective contributions of a discretionary percent of the employee's eligible compensation. The Participants must have completed 12 months of service during the plan year and be actively employed on January 31 of the plan year to be eligible for an employer contribution. Nonelective contributions were 5% of eligible employee compensation for each of the last two years and amounted to $305,598 and $299,473 for the years ended January 31, 2024 and 2023 respectively.

Vesting

Participants are immediately 100% vested in their own contributions and rollovers. However, participants are vested after three years of service in employer contributions plus actual earnings thereon.

1) DESCRIPTION OF THE PLAN (Continued)

Distributions

Distributions are payable upon the retirement, death, disability, or termination of employment in the form of a lumpsum or annual installment amounts equal to the vested balance of a participant's account. In-service withdrawal of the vested balances may be elected by participants who have reached 59 ½ years of age. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

Under certain hardship conditions, as specified in the Plan Document, participants, while still employed by the Plan Sponsor, are permitted to withdraw a portion of their elective contributions account balance from annuity contracts.

Forfeitures

The plan forfeitures are used for any future nonelective employer contributions. The balance in the forfeitures account totaled $5 and $3,719 at January 31, 2024 and 2023, respectively. During the year, the forfeiture balance of $3,630 was used for employer contributions.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution, rollover contributions, allocations of the Plan Sponsor's contributions and Plan earnings or losses as defined by the Plan document. Plan earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined.

Investment Options

Participants may elect to invest in any combination of the investment funds offered by the Plan and may change their elective deferral percentage.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their present value of vested account balance. Loan terms range from 1-5 years and longer repayment terms up to 15 years are permitted for the purchase of a principal residence. The loans are secured by the balance in the participant's account. The interest rate for a loan varies depending upon how the retirement balance is invested. There were $20,482 and $21,244 notes receivable from participants with interest rates ranging from 4.00 % to 10.50% as of January 31, 2024 and 2023 respectively.

1) DESCRIPTION OF THE PLAN (Continued)

Plan Expenses

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as provided by the Plan document. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are adjusted against investment income. Investment related expenses are included in net appreciation in fair value of investments.

2) SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes there in and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments

Benefits to participants are recorded when paid.

Notes Receivable from Participants

The notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are paid directly by the participant. No allowance for credit losses has been recorded as of January 31, 2024 and 2023.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note 4 for discussion on fair value measurement.

2) SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gain and losses on investment bought and sold as well as held during the year.

3) CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedules, including investments and notes receivable from participants held at January 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended January 31, 2024 and 2023, was obtained by the Plan management and agreed to or derived from information and certified as complete and accurate by Nationwide Trust Company and Lincoln National Life Insurance Company as trustees of the Plan.

4) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the assets or liabilities.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

4) FAIR VALUE MEASUREMENTS (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at January 31, 2024 and 2023.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds (Registered Investment Companies) – Valued at daily closing prices as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

Annuity Contracts: The investment contract with an insurance company is not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contract is computed utilizing a combination of the current interest rates based on remaining investment term at the reporting date as well as the interest rate on account. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2024 and 2023:

	Assets Measured at Fair Value at January 31, 2024			
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual Funds	$ 3,878,350	$ 3,878,350	$ -	$ -
Annuity Contract	1,078,655	-	-	1,078,655
	$ 4,957,005	$ 3,878,350	$ -	$ 1,078,655

	Assets Measured at Fair Value at January 31, 2023			
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual Funds	$ 3,520,527	$ 3,520,527	$ -	$ -
Annuity Contract	1,082,506	-	-	1,082,506
	$ 4,603,033	$ 3,520,527	$ -	$ 1,082,506

4) FAIR VALUE MEASUREMENTS (Continued)

The following tables provide further details of the plan's level 3 fair value measurement:

	Year Ended January 31, 2024 Guaranteed Interest Contract
Balance at January 31, 2023	$ 1,082,506
Interest credited during the year	16,700
Purchases during the year	27,372
Sales and Other Settlements	(47,923)
Balance at January 31, 2024	$ 1,078,655

	Year Ended January 31, 2023 Guaranteed Interest Contract
Balance at January 31, 2022	$ 1,161,093
Interest credited during the year	11,904
Purchases during the year	14,681
Sales and Other Settlements	(105,172)
Balance at January 31, 2023	$ 1,082,506

5) ANNUITY CONTRACT

The Plan has a non-benefit-responsive annuity contract with Nationwide that maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest rates are established and declared for new contributions that will be received in a calendar quarter. The rate is based on the return Nationwide Financial Services, Inc. expects on new investments made by it and held with the plan's fixed interest account. When establishing interest credit rates for these contracts, Nationwide Financial Services, Inc. considers past general account investments, adjusted for portfolio turnover and withdrawals for benefit payments. The credit rate will always equal or exceed the contractually guaranteed rate, which is 1.08 percent.

Liquidation of the entire contract may cause a one-time adjustment to the aggregate contract value, resulting in a fair value different from the contract value. This total liquidation is a contingent event, which cannot be initiated by the plan participants and can only be initiated by the plan custodian upon termination of the Plan, merger with another plan, bankruptcy of the plan sponsor or complete termination of the contract. The Plan Administrator does not believe any of the above events are likely to occur.

6) TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The plan administrator and the Plan's tax counsel believe that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations prior to 2021.

7) TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are represented by investment in traditional non-benefit responsive annuity contracts and mutual funds managed by Nationwide Trust Company and Lincoln National Life Insurance Company. Nationwide Trust Company and Lincoln national Life Insurance Company are the trustees as defined by the Plan, and therefore, these transactions qualify as party-in-interest.

8) LATE REMITTANCE OF CONTRIBUTIONS TO THE PLAN

The Employer failed to remit to the Plan's trustee a portion of the salary deferrals including loan repayments within the period prescribed by the Department of Labor. The delays were due to administrative reasons. The total amount of late payments by the Employer was $20,801 for the years ended January 31, 2024 and 2023 respectively. The loss of earnings has been calculated by the sponsor and a correction was made subsequent to the year end. The late deferrals are disclosed in the supplemental information, Schedule H, Part IV, line 4a. (Schedule of Delinquent Participant Contributions).

9) ERISA BOND REQUIREMENTS

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or $500,000.

10) PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

11) RISK AND UNCERTAINTIES

The Plan provides for various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12) SUBSEQUENT EVENTS

The Organization has evaluated all subsequent events regarding the Plan through November 14, 2024, the date the financial statements were available to be issued. No significant event was noted that required adjustment or disclosure in the financial statements.
