INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Hannibal Industries, Inc. Employee Stock Ownership Plan:

Opinion

We have audited the financial statements of Hannibal Industries, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits – liquidation basis as of December 26, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits – liquidation basis for the period from January 1, 2023 through December 26, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits – liquidation basis of Hannibal Industries, Inc. Employee Stock Ownership Plan as of December 26, 2023 and December 31, 2022, and the changes in net assets available for benefits – liquidation basis for the period from January 1, 2023 through December 26, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hannibal Industries, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 4 to the financial statements, the Company and Trustee of Hannibal Industries, Inc. Employee Stock Ownership Plan voted to terminate the Plan in August 2021 and the Plan was fully liquidated on December 26, 2023. As a result, the Plan used the liquidation basis of accounting in presenting the 2023 and 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hannibal Industries, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Hannibal Industries, Inc. Employee Stock Ownership Plan

Notes to Financial Statements

December 26, 2023 and December 31, 2022

1. DESCRIPTION OF PLAN

The following description of the Hannibal Industries, Inc. Employee Stock Ownership Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for more detailed information of the Plan’s provisions.

General

Hannibal Industries, Inc. (the “Company”) established the Plan effective as of February 26, 2008. The Plan operates, in relevant part, as a leveraged Employee Stock Ownership Plan (“ESOP”) and is designed to comply with section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (“Code”), and is subject to the applicable provisions of ERISA. The Plan is administered by an independent third-party administrator and the trust department of an independent third-party bank is the Plan’s Trustee.

The financial statements of the Plan present separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock (allocated) and (b) stock not yet allocated to employees (unallocated). There was no unallocated stock remaining as of December 26, 2023.

In August 2021, the Company and Trustee made the decision to terminate the Plan and the Plan was fully liquidated as of December 26, 2023, as described in Note 4.

Eligibility

Employees of the Company were generally eligible to participate in the Plan providing they were 21 years of age and had worked at least 1,000 hours during such Plan year. Participants who did not have at least 1,000 hours of service during such Plan year or were not employed on the last working day of a plan year were generally not eligible for an allocation of shares for such year.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant, with multiple sub-accounts to separately track a participant’s investment balance from the Company’s common stock and other investments held by the Plan. Prior to the sale of the common stock, each participant’s account was credited as of the last day of each Plan year with an allocation of shares of the Company’s common stock released by the Trustee from the unallocated account and forfeitures of terminated participants’ non-vested accounts. Only those participants who were eligible employees as of the last day of the Plan year received an allocation. Allocations were based on a participant’s eligible compensation, relative to total eligible compensation.

Vesting

If a participant’s employment with the Company ends for any reason other than retirement, permanent disability, or death, he or she would vest in the balances in his or her account based on total eligible years of service with the Company. Participants vest 20% per year of service, starting in the second eligible year of service with the Company, and are 100% vested after six years of service. Upon the determination of the termination of the Plan, subject to plan provisions, all participants became fully vested.

Put Option

Under federal income tax regulations, the employer stock that was held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Notes to Financial Statements
December 26, 2023 and December 31, 2022

Diversification

Diversification was offered to participants close to retirement so that they could have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who were at least age 55 with at least ten years of participation in the Plan could elect to diversify a portion of their account. Diversification was offered to each eligible participant over a period of six years. In each of the first five years, a participant could diversify up to 25% of their cumulative stock account balance less amounts already diversified. In the sixth year, the percentage changed to 50%.

Forfeitures

Employer contributions and Plan forfeitures were allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. During the period from January 1, 2023 through December 26, 2023, there were no forfeitures. Plan earnings were allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances. Additionally, during the period from January 1, 2023 through December 26, 2023, there was no forfeited cash.

Contributions

The Company was obligated to make contributions in cash to the Plan which at least equals the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its note payable to the Company. Employee contributions were not permitted.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared in compliance with the Department of Labor Rules and Regulations for reporting and disclosure under ERISA.

Basis of Accounting

The 2023 and 2022 financial statements of the Plan are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Administrative Expenses

Administrative expenses may be paid from the assets of the Plan and allocated among all Plan participants. The Company may, at its discretion, pay any or all of such expenses. During the period from January 1, 2023 through December 26, 2023, \$290,654 of administrative expenses were paid from the Plan assets.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Benefit Payments

Benefits are recorded when paid.

December 26, 2023 and December 31, 2022

Subsequent Events

The Plan evaluated subsequent events through November 15, 2024, the date the financial statements were available to be issued. Based upon that evaluation, the Plan has determined that no material subsequent events require recognition or disclosure in these financial statements.

3. ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consisted primarily of interest-bearing cash, were held by the Trustee of the Plan.

Company contributions were held and managed by the Trustee, which also makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Administrative expenses for the Trustee's fees were paid directly by the Company during the period from January 1, 2023 through December 26, 2023.

4. PLAN TERMINATION

In August 2021, the Company and Trustee sold all Hannibal Industries, Inc. common stock to a third party and made the decision to terminate the Plan, subject to the Plan provisions. Upon the date of the decision to terminate the Plan, all participants became fully vested. The Trust was maintained until all the participant accounts have been distributed in accordance with the Plan document and in compliance with applicable laws and regulations and the Plan was fully liquidated as of December 26, 2023.

5. TAX STATUS

The Plan obtained its latest favorable determination letter on October 17, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt, as of the financial statement date.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 26, 2023 and December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
