## *Independent Auditors' Report*

To the Plan Administrator  
Senior Living Residence, LLC 401(k) Plan  
Braintree, Massachusetts

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the financial statements of the Senior Living Residence, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules, (1) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and (2) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **SENIOR LIVING RESIDENCE, LLC 401(k) PLAN**

### ***Notes to Financial Statements***

#### ***Note 1 - Description of Plan***

The following description of the Senior Living Residence, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan that was established by Senior Living Residence, LLC (the "Employer"). Employees of the Employer and certain affiliates who have attained the age of 21 generally are eligible to enroll in the Plan on the first day of the following month after completing a 90 day period of service ("Participants"). Employees covered under a collective bargaining agreement (i.e., union employees), non-resident aliens who do not receive any compensation from U.S. sources, per diem employees, interns, temporary employees, or leased employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Substantially all investments are participant directed. The Employer is responsible for the administration of the Plan and entrusted the maintenance of records and the day-to-day administration to The Kenneth D. Anderson Company, Inc. and John Hancock Life Insurance Company U.S.A. ("John Hancock"), the Plan's custodian.

##### ***Participant Contributions***

Participants may defer up to 90% of their eligible annual compensation to the Plan, subject to dollar limits set by Federal law. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("Participant Rollovers").

##### ***Employer Contributions***

The Employer will make matching contributions equal to 50% of the participant's contributions up to 3% of the employee's compensation. In addition, the Employer may make discretionary qualified nonelective contributions to the Plan. In order to receive an Employer discretionary nonelective contribution, a participant must be employed on the last day of the Plan year. The Employer did not make any discretionary qualified nonelective contributions during 2023.

##### ***Participant Accounts***

Each participant's account is credited with the Participant's contributions, Employer contributions and a pro-rata allocation of the administrative fees and investment earnings. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the Participant's vested account.

## SENIOR LIVING RESIDENCE, LLC 401(k) PLAN

### ***Notes to Financial Statements***

#### ***Note 1 - Description of Plan (Continued)***

##### ***Vesting***

Participants are immediately vested in their deferral contributions and discretionary qualified nonelective contributions plus actual earnings thereon. Vesting in the Employer's matching contribution portion of their accounts plus related earnings is based on years of vesting service in which the participants complete 1,000 hours of service, as follows:

| <u>Years of Service</u> | <u>Vesting<br/>Percentage</u> |
|-------------------------|-------------------------------|
| Less than 2 years       | 0%                            |
| 2 but less than 3       | 20%                           |
| 3 but less than 4       | 40%                           |
| 4 but less than 5       | 60%                           |
| 5 but less than 6       | 80%                           |
| 6 years or more         | 100%                          |

Participants who attain retirement age (65), retire or are terminated due to death or disability, as defined by the Plan, become fully vested.

##### ***Payment of Benefits***

In-service withdrawals from all participant's vested accounts are permitted due to financial hardship or upon reaching age 59½. If the participant's vested benefit in the Plan does not exceed \$1,000 at the time of termination of employment, the participant's benefit must be distributed in a single lump-sum payment as soon as administratively feasible. If the participant's vested benefit in the Plan exceeds \$1,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another individual retirement account. Participants may also withdraw their rollover account and vested balances at any time upon retirement, death, or disability.

##### ***Notes Receivable from Participants***

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years (or up to ten years for the purchase of a primary residence). A participant is allowed a maximum of two loans at a time (one personal and one primary residence). The loans are secured by the balance in the Participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through payroll deductions.

##### ***Plan Administration***

The Employer is responsible for the administration of the Plan and John Hancock is the Plan's Custodian.

## **SENIOR LIVING RESIDENCE, LLC 401(k) PLAN**

### ***Notes to Financial Statements***

#### ***Note 1 - Description of Plan (Continued)***

##### ***Forfeitures***

A participant who leaves the employ of the Employer forfeits any non-vested balance upon the earliest of five consecutive one-year breaks in service or the distribution of the entire vested portion of the participant's account. The Plan may use the forfeitures to pay Plan expenses, to reduce future Employer contributions, and various other uses as permitted by the Plan. The unused forfeiture balance at December 31, 2023 and 2022 was approximately \$29,969 and \$10,955, respectively. Approximately \$1,615 was used to offset a portion of administrative expenses incurred by the Plan during the year ended December 31, 2023.

##### ***Administrative Expenses***

Individual participant accounts are charged directly for loan recordkeeping and benefit disbursement processing fees, if applicable. The Employer has the option, at its sole discretion, to pay any expenses on behalf of the Plan. All other expenses are paid by the Plan.

#### ***Note 2 - Summary of Significant Accounting Policies***

##### ***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

##### ***Investments, Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the trustee and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### ***Benefits Paid***

Benefits are recorded when paid.

##### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

## **SENIOR LIVING RESIDENCE, LLC 401(k) PLAN**

### ***Notes to Financial Statements***

#### ***Note 2 - Summary of Significant Accounting Policies (Continued)***

##### ***Unit Values***

Individual participant accounts for the pooled separate investment accounts are maintained on a unit value basis. Participants do not have beneficial ownership in their specific underlying securities or other assets in the investments, but do have an interest therein represented by units valued daily. Generally, contributions to and withdrawals from each investment are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participant accounts are charged or credited with the number of units properly attributable to each participant.

##### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

##### ***Subsequent Events***

The Plan administrator has evaluated subsequent events through November 12, 2024, the date that the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

#### ***Note 3 - Information Certified by the Custodian***

Plan investments are held by the Plan's custodian, John Hancock Life Insurance Company U.S.A. ("John Hancock"). John Hancock has certified to the completeness and accuracy of the fair value of all investments as of December 31, 2023 and 2022, and all investment transactions for the year ended December 31, 2023. Investment transactions include interest and dividend income and net appreciation in fair value of investments. Information included in the supplemental schedule of assets (held at end of year) and notes receivable from participants has also been derived from information certified by John Hancock. The Plan offers investment choices to allow participants to create a diversified portfolio of assets based on the participants' risk tolerance.

#### ***Note 4 - Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## SENIOR LIVING RESIDENCE, LLC 401(k) PLAN

### Notes to Financial Statements

#### Note 4 - Fair Value Measurements (Continued)

Level II – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

#### Pooled Separate Investment Accounts

The Plan holds investments in John Hancock's sub-accounts which are valued daily using publicly available quoted market prices of the underlying investments held by the sub-accounts. The underlying investments held by the sub-accounts are required to publish their daily NAV and to transact at that price.

Based on the fair value hierarchy levels, investments held by the Plan as of December 31, 2023 and 2022 totaling \$7,866,320 and \$5,995,354, respectively, are investments measured and reported at NAV, and accordingly, there are no investments to report in the leveling tables for the years then ended.

#### Note 5 - Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

|                                         |    | <i>Fair Value</i> | <i>Fair Value</i> | <i>Unfunded</i>    | <i>Redemption</i> | <i>Redemption</i>    |
|-----------------------------------------|----|-------------------|-------------------|--------------------|-------------------|----------------------|
| <i>Investments</i>                      |    | <i>12/31/2023</i> | <i>12/31/2022</i> | <i>Commitments</i> | <i>Frequency</i>  | <i>Notice Period</i> |
| Pooled separate investment accounts (a) | \$ | 7,866,320         | \$ 5,995,354      | \$ -               | Daily             | 1 Day                |

(a) See Note 4 for the description of the pooled separate investment accounts.

## **SENIOR LIVING RESIDENCE, LLC 401(k) PLAN**

### ***Notes to Financial Statements***

#### ***Note 6 - Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### ***Note 7 - Related-Party Transactions and Party-in-Interest Transactions***

Certain Plan investments are shares of pooled separate investment accounts managed by John Hancock. John Hancock is the custodian of the Plan, therefore, these transactions qualify as party-in-interest. Fees incurred by the Plan for investment management services and notes receivable from participants also qualify as party-in-interest transactions. The Plan made direct payments to John Hancock of \$64,549 for the year ended December 31, 2023. In addition, notes receivable from participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

#### ***Note 8 - Plan Termination***

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

#### ***Note 9 - Tax Status***

The Plan adopted the Volume Submitter Profit Sharing Plan with CODA of The Kenneth D. Anderson Company, Inc. that obtained its latest favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### ***Notes to Financial Statements***

#### ***Note 10 - Reconciliation of Financial Statements to Form 5500***

The accompanying Statements of Net Assets Available for Benefits, Statement of Changes in Net Assets Available for Benefits and the supplemental information have been prepared in accordance with accounting principles generally accepted in the United States of America. The information listed on Schedule H of Form 5500 has been prepared in accordance with procedures established by the third-party administrator. Although the net assets agree in total, certain items have been classified differently.

#### ***Note 11 - Delinquent Contributions***

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets. While the Employer remitted all participant contributions to the Plan, contributions of \$49,317 were not remitted within the required time period during the year ended December 31, 2023, as reflected in the accompanying Schedule of Delinquent Participant Contributions. The Employer corrected \$49,317 along with lost earnings on behalf of the affected participants during the year ended December 31, 2023.

#### ***Note 12 - Excess Contributions***

As of December 31, 2023 and 2022, the Plan was obligated to return excess contributions of \$69,594 and \$26,802, respectively, in order to satisfy the relevant nondiscrimination provisions for each Plan year. The excess contributions were returned to participants prior to March 15, 2024 and 2023, respectively.

Re: Senior Living Residences, LLC 401(k) Plan  
EIN #04-3395920/Plan #001

To Whom It May Concern:

We are working with our auditors to complete the audit of the above-mentioned plan for the plan year ending December 31, 2023. However, it is not yet ready for filing by the October 15, 2024, filing deadline.

We are working to complete the audit as soon as reasonably possible, and accordingly, once complete, we will file an amended 5500 and attach the audited financial statements.

Sincerely,
