Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed the audit of the financial statements of Lochmandy Motor Sales, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The certified information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of Lochmandy Motor Sales, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at Year End) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 23, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Lochmandy Motor Sales, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Lochmandy Motor Sales, Inc. and Lochmandy Savings Place (collective "the Company") who are age twenty and one-half or older and have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2020, the Plan was amended and restated to reflect the inclusion of a new participating employer, Lochmandy Lowery Dealer Development, LLC. Upon the amendment/restatement, the Plan is maintained as a multiple-employer plan.

Contributions

Participants may make pre-tax contributions up to 100% of their eligible compensation, as defined by the Plan, limited to the federal statutory limit. The Plan allows participants who have attained age 50 by the close of the Plan year to make additional "catch-up" elective deferral contributions of \$7,500 for the year ended December 31, 2023. Participants may also contribute amounts representing distributions from other qualified plans. The Company may make a discretionary matching contribution. The Company may also make a discretionary profit-sharing contribution. Employees must complete at least 1,000 hours of service and be actively employed on the last day of the Plan year to be eligible to receive an employer contribution. For the year ended December 31, 2023, the Company made discretionary profit-sharing contributions of \$27,891. Contributions are subject to certain limitations.

Participant Accounts

Individual accounts are maintained for each participant. Each participant account is credited with the participant contribution, the Company discretionary contribution (if any), the Company matching contribution (if eligible) and the applicable earnings or losses for the investments selected by the participant. Each account is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of credited service. Participants are fully vested after six years of credited service. A participant is fully vested upon death, disability, and reaching normal retirement age of 60 as defined in the Plan. The non-vested balance is forfeited upon termination of service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Notes Receivable

The Plan agreement includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant that is deemed creditworthy. The maximum loan amount is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the participant's account balance and bear interest at a rate commensurate with prevailing rates. The loans are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings.

Investment Options

Participants may direct contributions into a variety of selected investment options offered by the Plan. Participants may change their investment options at any time.

Earnings

Earnings include net asset appreciation (depreciation), dividends and interest earned during the year, net of investment expenses.

Payment of Benefits

Upon retirement, death, disability, or termination of service, a participant (or participant's beneficiary) may elect to receive a single lump sum or periodic payments equal to the value of the participant's vested account. Hardship withdrawals are also permitted by the Plan if certain criteria are met.

Forfeitures

Forfeitures represent the non-vested portion of a participant's account plus earnings thereon that are not fully distributable to participants who terminate employment before they are 100% vested. Forfeitures may be used to reduce future employer matching contributions to the Plan or to pay administrative expenses of the Plan. For the year ended December 31, 2023, \$4,332 of forfeitures were used to reduce employer contributions. As of December 31, 2023 and 2022, forfeited non-vested accounts total \$1 and \$0, respectively.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

LOCHMANDY MOTOR SALES, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4, *Fair Value Measurements*, for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest.

Contributions

Contributions from Plan participants and the matching contributions from the Employer match are recorded in the year in which the employee contributions are withheld from compensation. Additional discretionary employer matching contributions are recognized when declared by the Company.

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Management Evaluation of Subsequent Events

Plan management has evaluated subsequent events through November 11, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, 1st Source Bank, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC 820, Fair Value Measurements, establishes a framework for measuring fair value and expands disclosures about fair value investments. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LOCHMANDY MOTOR SALES, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Common collective trust fund: The investments include a stable value fund. The fair values of participation units held in the stable value fund are based on NAV after adjustments to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity, then the stable value fund may defer honoring any payment request until liquidity is sufficient. The fair values of the Plan's interest in the stable value fund are based on quoted market prices in active markets and securities and contracts are valued using observable inputs. The Plan is permitted to redeem investment units at NAV on the measurement date.

The objective of the Morley Stable Value Fund, the primary common collective trust fund in the Plan, is to provide a low-risk, moderate-yield investment. Withdrawals for benefit payments and participant directed transfers to noncompeting options are made to plan participants promptly, to the extent possible, but within 30 days after notification has been received. The Morley Stable Value Fund reserves the right to delay plan sponsor-initiated redemptions for up to 365 days, subject to certain conditions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Net increase in net assets per Form 5500	<u>\$ 359,638</u>

NOTE 8 - RISKS, UNCERTAINTIES, AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities in general are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. The financial statements have been prepared using values and information currently available to the Plan.

The Plan holds certain investments that each represent 15 percent or more of the total investments held by the Plan. As of December 31, 2023 and 2022, approximately 30% and 28% of the Plan's total investments is held in one investment, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 9 - INCOME TAX STATUS

The Plan is a prototype non-standardized profit-sharing plan that is covered under an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in assets available for benefits.
