Supplemental schedules required by Section 2520 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, other than the schedule listed above, are omitted because of the absence of the conditions under which they are required.

Independent Auditor's Report

To the Trustees and the Participants of
Educators for Excellence Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Educators for Excellence Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and December 31, 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EDUCATORS FOR EXCELLENCE RETIREMENT SAVINGS PLAN

Notes to Financial Statements December 31, 2023

Note 1 – Description of Plan

The following description of the Educators for Excellence Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 2011 and subsequently amended and restated. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All employees of Educators for Excellence, Inc. (the “Organization”), who are age 21 or older are eligible to participate in the Plan. The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

SECURE 2.0 Act

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the SECURE 2.0 Act. The SECURE 2.0 Act contains over 90 new retirement provisions, with varying effective dates through 2027. Since the SECURE 2.0 Act provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2023 financial statements.

Contributions

Each year, participants may contribute up to 100% of their pre-tax annual compensation, subject to certain limitations set by the Internal Revenue Code (the “Code”). The Plan also allows for after-tax contributions to be made. Participants may also contribute rollover amounts representing distributions from an eligible retirement plan. The Organization may make discretionary matching contributions equal to the uniform percentage of salary deferrals. For 2023, the Organization contributed an amount equal to 50% of participant elective deferrals up to 6% of compensation.

Investment options

Each participant may direct their investment accounts into certain available investment options. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

Management fees and operating expenses charged to the Plan for investments are deducted from the individual investments and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Participant accounts

Each participant’s account is credited with the (a) participant’s contributions, (b) allocations of the Organization’s contributions, and (c) Plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**EDUCATORS FOR EXCELLENCE
RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements (continued)
December 31, 2023**

Note 1 – Description of plan (continued)

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Participants have a 2-year schedule to vest for the Organization's discretionary matching contributions with participants 50% vested after one year and fully vested after two years.

Forfeitures

Forfeitures are entered when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may be used to pay Plan expenses or reduce future employer contributions. As of December 31, 2023 and December 31, 2022, forfeited non-vested accounts totaled \$2,673 and \$2,150, respectively.

Participant notes receivable

Under the terms of the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The term of participant loans may not exceed five years and participants can only have one outstanding loan. Loans bear interest at a rate equal to the Wall Street Journal Prime Rate plus 1%. Principal and interest are paid through payroll deductions.

Payment of benefits

Upon termination of service, retirement, death, or total permanent disability, a participant or their beneficiary may elect to receive a distribution of his or her entire accumulated Plan balance, subject to the terms of the funding vehicles. Distribution options include lump-sum payments or direct rollover to another qualified plan. In addition, participants may elect in-service withdrawals of their elective deferral account balances after reaching age 59-1/2. Participants may also elect in-service withdrawals of their elective deferral account balances in the case of a hardship. Minimum required distributions for participants who have reached age 73 also apply per Internal Revenue Service ("IRS") regulations.

Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

Note 2 – Summary of significant accounting policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting, except for benefits paid which are recorded on a cash basis.

**EDUCATORS FOR EXCELLENCE
RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements (continued)
December 31, 2023**

Note 2 – Summary of significant accounting policies (continued)

Investment valuation and income recognition

The Plan's investments are stated at contract value.

Realized and unrealized gains and losses from the assets in each account are credited to or charged against each participant's account.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

Administrative expenses

General administrative expenses of the Plan are paid by the Organization and are not reflected in the accompanying financial statements. Certain other transaction-related participant expenses, such as those associated with loan maintenance and administration, are paid by the Plan and are included in the accompanying financial statements.

Certain administrative functions are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

Risks and uncertainties

The Plan invests in fixed annuities and variable annuities. These investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits as of December 31, 2023. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with pooled separate accounts and stable value funds. Any defaults on participant notes receivable are treated as taxable distributions to the participants.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages.

Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest on outstanding balances is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and December 31, 2022.

Payments of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

**EDUCATORS FOR EXCELLENCE
RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements (continued)
December 31, 2023**

Note 2 – Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through August 21, 2024, which is the date of the financial statements were available to be issued.

Note 3 – Investments at contract value

The Plan holds a portfolio of investment contracts comprised of fixed annuities and variable annuities. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The reported values for fixed annuity investment options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The prices and unit values for variable annuity investment options are calculated daily by the annuity provider according to the methods described in the annuity contract. The following represents the contract value types of investment contracts held by the Plan as of December 31, 2023 and December 31, 2022:

	<u>2023</u>	<u>2022</u>	<u>Level</u>
Fixed annuities	\$ 18,874	\$ 66,965	2
Variable annuities	<u>4,039,439</u>	<u>3,134,591</u>	2
Total	<u>\$ 4,058,313</u>	<u>\$ 3,201,556</u>	

Note 4 – Party-in-interest transactions

The Plan's investments are fixed annuities and variable annuities managed by the Trustee as defined by the Plan, and therefore, transactions pertaining to these investments qualify as party-in-interest transactions.

Trustee, advisory and other similar type fees related to the administration of the Plan were paid by the Plan or by the Organization. These transactions also qualify as party-in-interest transactions.

**EDUCATORS FOR EXCELLENCE
RETIREMENT SAVINGS PLAN**

Note 5 – Information certified by the Plan’s Trustee

The Plan’s management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Empower Annuity Insurance Company of America, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2023 and December 31, 2022, and the supplemental schedule, Schedule H - Part IV - Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

Note 6 – Tax status

The Plan utilizes a prototype Plan document which the IRS has opined and informed the prototype Plan Sponsor by a letter dated March 31, 2014, that the prototype Plan document complies with section 401(a) of the IRC. Although the Plan does not have an IRS determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.
