INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Matter Brothers Furniture 401(k) Plan
Tarpon Springs, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Matter Brothers Furniture 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule, Form 5500: Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements
As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

Note 1 – Description of the Plan

The following description of the Matter Brothers Furniture 401(k) Plan (the “Plan”) provides only general information of the major Plan provisions. Participants should refer to the Plan document for more comprehensive information.

General – The Plan is a defined contribution plan which was established by Stewert Sleep Center, Inc. d/b/a Matter Brothers Furniture (the “Sponsor”) January 1, 2016. The Plan was amended and restated effective, April 1, 2023 with the change of the recordkeeper from Automatic Data Processing to T. Rowe Price. Substantially all plan provisions remained the same. The Plan is subject to the provisions of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility – All employees of the Plan Sponsor who have completed at least six months of service and are age 21 or older are eligible to participate in the Plan. The Plan permits for entry dates on the first day of each month following the date the requirements are met.

Contributions – Contributions to provide benefits under the Plan are made by participants and the Plan Sponsor. Participants may contribute up to 90% of their annual compensation, as defined by the Plan, up to the maximum allowed under Section 402(g) of the Internal Revenue Code (“IRC”). Participants who have attained the age of 50 are eligible to make catch-up contributions, subject to certain limitations. In addition, the Plan accepts rollovers from other tax-qualified plans. The Plan Sponsor matches each participant’s deferral in an amount equal to 25%, up to 4% of participants’ deferred compensation. Matching contributions are calculated and deposited to the Plan each payroll period.

Participant accounts – Each participant’s account is credited and/or reduced with the participant’s contributions and withdrawals, employer matching and profit-sharing contributions, and allocations of the Plan earnings and losses. Allocations are based on participant earnings, participant elective contributions, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant’s account.

Vesting – Participants are immediately vested in their contributions and rollovers, plus or minus any earnings or losses thereon. Vesting in the Sponsor matching contributions plus or minus any earnings thereon is based on years of continuous service as defined by the Plan. Vesting is determined according to the following schedule:

<u>Years of Service</u>	
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Matter Brothers Furniture 401(k) Plan
Notes to the Financial Statements
As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

Note 1 – Description of the Plan (continued)

Payment of benefits – Distribution of a participant's vested account balance to the participant or his or her beneficiary may commence upon the earlier of retirement, death, total and permanent disability, or separation from service. A participant may elect to receive an amount equal to the value of the vested interest in his or her account in a single lump-sum payment or direct rollover. Distributions are subject to the applicable provisions of the Plan document.

The Plan allows participants to withdraw amounts from their account balances while actively employed. A participant experiencing financial hardship, as defined in the Plan document, may, with sufficient evidence, withdraw a portion of their account attributable to fully vested account balances. The amount of the withdrawal may not be greater than the immediate financial need. These hardship withdrawals are subject to IRC restrictions and penalties. The Plan also allows for actively employed participants to withdraw from fully vested account balances once the age of fifty-nine and a half has been reached.

Forfeitures – Any nonvested portion of employer matching contributions credited to the accounts of participants who withdraw from the Plan are forfeited and used for either payment of eligible administrative expenses or to reduce employer matching contributions. Forfeitures had a balance of \$3,991 and \$2,626 as of December 31, 2023 and 2022, respectively. During 2023, the Plan used \$5,125 of forfeitures to reduce employer matching contributions. No forfeitures were used to pay administrative expenses during the year ended December 31, 2023.

Termination – Although it has not expressed an intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investments, investment valuation, and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Matter Brothers Furniture 401(k) Plan
Notes to the Financial Statements
As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Fair value determinations, other than those measured using the net asset value (“NAV”) as a practical expedient, are made based upon a fair value hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lower priority to unobservable inputs (Level 3 measurements).

The three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other-than-quoted prices in active in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and,

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Collective trust fund – These investments are an investment vehicle valued using the NAV provided by the administrator of the funds as a practical expedient. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is excluded from the valuation hierarchy consistent with accounting principles generally accepted in the United States.

Mutual funds – These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on an accrual basis. Dividends are recorded on the ex-dividend date and interest income is recognized when earned. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought, sold, and held during the year.

Benefits paid to participants – Benefits are recorded when processed and paid by the Plan.

Notes to the Financial Statements
As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Administrative expenses – Administrative expenses paid by the Plan are recorded when incurred. The Plan Sponsor absorbs a significant amount of the cost of plan administration.

Excess contributions payable – Contributions received from participants during the years ended December 31, 2023 and 2022, are net of payments of approximately \$39,000 and \$6,400, respectively, made after the plan year end to certain active participants to return excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the accompanying statements of net assets available for benefits as excess contributions payable.

Note 3 – Information Provided and Certified by the Trustee

The following is a summary of the Plan's financial information and data certified by Reliance Trust Company as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA:

* The following is a summary of the Plan's investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
T. Rowe Price Stable Value N	<u>\$ 229,106</u>	<u>\$ -</u>	None	Daily	12 months
Columbia Trust Stable Government Fund Class I-50	<u>\$ -</u>	<u>\$ 167,347</u>	None	Daily	None

Note 5 – Party-in-Interest Transactions

Fees paid during the year for services rendered by parties-in-interest were based on customary rates for such services. While these transactions qualify as party-in-interest activity, they are expressly exempted from prohibited transactions rules (ERISA, Tittle 1, and Section 408(b)).

Note 6 – Income Tax Status

The Plan is a non-standardized pre-approved profit-sharing plan ("Pre-approved Plan") sponsored by DST Retirement Solutions, LLC ("DST"). DST obtained the latest opinion letter dated June 30, 2020, in which the IRS stated that the Pre-approved Plan as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended from the original pre-approved document, Plan management believes that the Plan is currently being operated in accordance with the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statement.

Notes to the Financial Statements
As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

Note 7 – Risks and Uncertainties

The Plan invests in various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note 8 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the Plan's financial statements to the Plan's Form 5500:

	December 31, 2023	December 31, 2022
Net assets available for benefits per the Plan's financial statements	\$ 4,194,530	\$ 2,839,176
Add: Excess contributions payable	39,395	6,384
Net assets available for benefits per the Plan's Form 5500	<u>\$ 4,233,925</u>	<u>\$ 2,845,560</u>
	Year Ended December 31, 2023	
Net change in net assets available for benefits per the Plan's financial statements	\$ 1,355,354	
Add: 2023 excess contributions payable	39,395	
Less: 2022 excess contributions payable	<u>(6,384)</u>	
Net change in net assets available for benefits per the Plan's Form 5500	<u>\$ 1,388,365</u>	

Note 9 – Subsequent Events

Plan management has evaluated subsequent events through November 7, 2024, in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued.
