INDEPENDENT AUDITOR'S REPORT

The Plan Administrator, Trustees, and Participants
IAI North America, Inc.
Defined Benefit Plan

Scope and Nature of the ER/SA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the IAI North America Defined Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of August 30, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of August 30, 2023, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ER/SA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Opinion on the Financial Statements

We have audited the accompanying statement of net assets available for benefits of the Plan as of August 30, 2023, the related statement of changes in net assets available for benefits for the year ended August 30, 2023, and the related notes. In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of August 30, 2023, and the changes in net assets available for benefits for the year ended August 30, 2023, in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed above, the financial statements present only the IAI North America Defined Benefit Plan and do not purport to, and do not, present fairly the financial position of IAI North America, Inc. or its other employee benefits as of August 30, 2023 and the changes in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United State of America. Our opinion is not modified with respect to this matter.

NOTE 1 - PLAN DESCRIPTION

The following description of the IAI North America, Inc. Defined Benefit Pension Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

1-A. General

The Plan was established April 1, 1980, and provides eligible employees of Empire Aero Center, Inc.; Westlease Aircraft, Inc.; and Astra Jet Corporation (collectively, the Company or the Employer) the opportunity to make regular and systematic contributions through withholdings. After the first year of employment, employees of the Company are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

1-B. Contributions

All contributions by the plan are made by the company for each of the employees. The amount of contributions shall meet or exceed the minimum funding standards of the Employee Retirement Income Security Act of 1974 (ERISA).

1-C. Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's matching and discretionary contributions, and an allocation of the Plan's earnings, and is charged with their withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1-D. Participant Vesting

Under the Plan, participants or their beneficiaries are entitled to 100% of their account balance upon death, disability, or retirement. Upon termination for any reason other than death, disability, or retirement, a participant's accrued benefit is subject to a five-year graded vesting formula for all employer contributions. A participant's voluntary contribution and earnings thereon is always 100% vested.

1-E. Forfeitures

The non-vested portion of terminated participant accounts plus earnings thereon are forfeited and can be used by the Plan to pay administrative expenses and to reduce the amount of future employer contributions to the Plan.

1-F. Payment of Benefits

Upon death, disability, retirement, termination of service, or attainment of the age 59½, the participants or their beneficiaries are entitled to receive a lump-sum distribution. Hardship withdrawals may be made by participants under certain conditions and are subject to certain restrictions. Participants are also allowed to make withdrawals from rollover accounts subject to limitations, as defined by the Plan Agreement.

1-G. Administrative Expenses

Certain administrative expenses incurred by the Plan are paid by the Plan sponsor. Investment management fees are paid by the Plan in accordance with Plan provisions. Certain fees for participant-requested services are paid by the Plan and charged to the respective participants' accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2-A. Basis of Accounting

The accounting principles and procedures followed by the Plan conform to accounting principles generally accepted in the United States of America (U.S. GAAP). The financial statements of the Plan are prepared under the accrual basis of accounting.

2-B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from estimates and differences could be material.

2-C. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

2-D. Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2-E. Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 3 - INVESTMENTS

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

At year end the Company held no inputs based on converting the shares into different units of fixed income.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee, Principal Trust Company, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- € Investments and notes receivable from participants, as shown in the accompanying statement of net assets available for benefits as of August 30, 2023.
- € Investment income and interest income on notes receivable from participants, as shown in the accompanying statement of changes in net assets available for benefits for the year ended August 30, 2023.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

NOTE 5 - TAX STATUS

The Internal Revenue Service (IRS) informed IAI North America Inc defined Benefit Pension Plan by an opinion letter dated November 16, 2017, that the pre-approved basic savings plan is acceptable under section 401 of the IRC. The plan has been amended since receiving the opinion letter. However, the Company and Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. No related party transactions of note besides proceeds being distributed to participants have been noted in the current year.

NOTE 7 - PLAN TERMINATION

The Company has agreed to terminate the plan effective December 31, 2022. The final annuity payments were scheduled to have been paid out in September and October of 2023. The Plan has essentially terminated as of August 30, 2023. The plan has provided documentation attesting to the winding down of the affairs of the Plan. All payments and transfers seem to be in order with the plan provisions as set forth in the Plan documentation.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 27th, 2024 the date of the financial statements of the Plan.
