INDEPENDENT AUDITORS' REPORT

**To the Plan Administrator of
Media Storm, LLC 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Media Storm, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of February 28, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period January 1, 2023 to February 28, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Media Storm, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of February 28, 2023 and December 31, 2022, and for the period January 1, 2023 to February 28, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Media Storm, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed further in Note 1 to the financial statements, a merger of the Plan was approved with an effective date of February 8, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Media Storm, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Media Storm, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the period ended February 28, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Media Storm, LLC 401(k) Plan

Notes to Financial Statements
February 28, 2023

1. Description of Plan

The following description of the Media Storm, LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering substantially all employees of Media Storm, LLC (the "Company" or "Employer"). An employee becomes eligible to participate in the Plan upon completion of 3 months of eligibility service and obtaining 21 years of age. Employees who are non-resident aliens, are members of a collective bargaining unit, leased or independent contractors are not eligible to participate in the Plan. Upon satisfying the eligibility requirements, an employee may enter the Plan on the first day of the payroll coinciding with or next following the date on which they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In 2023, Plan management approved the merger of the Plan into the BenefitsPlus 401(k) Profit Sharing Plan ("BenefitsPlus Plan"). The BenefitsPlus Plan is sponsored by the Company's parent company, Dentsu International Americas. The actual merger and transfer of assets occurred on February 8, 2023. Following the merger, no assets remain in the Plan.

Contributions

Each year, participants may contribute to the Plan a portion of their annual compensation, on a pre-tax or after-tax (Roth) basis, subject to a maximum annual limit as defined by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Transfers from qualified Plans (rollover contributions) are also permitted. Contributions are subject to certain limitations.

Effective November 1, 2012, all employees who have not made an affirmative election to defer under the Plan will have elective deferrals contributed to the Plan in the amount of 3% of their eligible compensation. For employees enrolled under this automatic enrollment provision there is an automatic escalation of elective deferrals in the amount of 1% each year thereafter not to exceed 6% of eligible compensation.

On July 21, 2021, the Company amended and restated the Plan to allow for employer matching contributions in an amount equal to 50% of each eligible participant's elective deferrals. No match shall be made on a participant's pre-tax contributions in excess of 6% of the participant's compensation. The Company may also elect to make non-elective contributions to the Plan. To be eligible for non-elective contributions, an employee must work more than 500 hours of service during the Plan year and be employed by the Company on the last day of the Plan year.

During the period January 1, 2023 to February 8, 2023, the Plan was in a blackout period and the Company did not make any non-elective contributions to the Plan, nor did participants make any contributions, pre-tax or after-tax basis, to the Plan.

1. Description of Plan (*continued*)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contributions and (b) Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

At all times, participants are fully vested in their contributions and earnings thereon; however, the Employer matching and Employer non-elective contributions are subject to a three-year graded vesting schedule as follows:

<u>Year of Vesting Service</u>	<u>Vesting Percentage</u>
0	0%
1	33%
2	66%

Notes Receivable from Participants

The Plan offers a loan feature whereby a participant ("borrower") enrolled in the Plan may borrow a minimum amount of \$1,000 up to a maximum of 50% of his/her vested account balance or \$50,000, whichever is less. Loans are collateralized by the balance in the participant's account and bear interest at 2% over Prime Rate in effect at the beginning of the month as determined at the time of loan origination. Principal and interest are paid ratably through payroll deductions. The loan must be repaid within a five-year period, unless the loan is used to acquire the principal residence of the borrower, which must be repaid within a twenty-year period.

Payment of Benefits

Benefits are paid upon retirement (age 65), death, disability, or termination of employment. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the vested value of the participant's account, an annuity contract to be distributed under an option of the participant's choice, or a combination of both.

Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2022, all investments that were measured at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. All mutual funds of the Plan are deemed to be actively traded. The money market fund is valued at quoted NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Trustee fees and fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in the NAV of the respective funds and, consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 31, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements including investments and notes receivable from participants held at February 28, 2023 and December 31, 2022, and net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the period January 1, 2023 to February 28, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company, a qualified institution.

5. Party-in-Interest Transactions

Certain administrative functions are performed by a Third-Party-Administrator, Paychex, Inc. and employees of the Company, which are party-in-interest transactions. No such employee received compensation from the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under the ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

6. Prohibited Transactions

During 2021, the Company failed to remit to the Plan certain participants' contributions totaling \$248 within the period prescribed by the DOL's Rules and regulations due to administrative errors. The Company fully corrected these late participant contributions in February 2023.

7. Tax Status

The Internal Revenue Service issued an opinion letter to the prototype Plan document preparer, EPlan Services Inc., dated June 30, 2020, which states that the form of the prototype Plan qualifies under the applicable provisions of the IRC. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020, however, there are currently no examinations for any periods in progress.
