Grace Management 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Grace Management 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Grace Management 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Grace Management 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grace Management 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Grace Management 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grace Management 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditor's Report

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H Part IV, Item 4i - Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grace Management 401(k) Plan

Notes to the Financial Statements

December 31, 2023

1. Description of Plan

The following brief description of the Grace Management 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information regarding the Plan's definitions, benefits, eligibility requirements, and other matters.

General

The Plan is a defined contribution plan covering eligible employees of Grace Management, Inc. controlled group (the "Controlled Group"; defined by the U.S. Code §414 as a combination of two or more corporations that are under common control) (the "Company" or "Plan Administrator"). The Plan was established on January 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code ("IRC"). Effective June 1, 2021, the Company amended and restated the Plan by adopting the Minnesota Life Insurance Company Defined Contribution Plan. The Plan allows other affiliated employers under the Controlled Group to adopt its provisions.

The Company is the Plan Sponsor and Plan Administrator. The Trustee of the Plan was Reliance Trust Company (the "former Trustee") until the restatement date. Upon restatement, the Plan elected an individual Trustee who is a director of the Company. Effective June 1, 2021, the Custodian of the Plan is Minnesota Life Insurance Company (the "Custodian").

Effective October 17, 2022, the Company amended and restated the Plan by adopting the CARES Act of 2020. The provisions within this amendment had an effective date of March 27, 2020. The Plan had been complying with the requirements operationally and this amendment conformed the Plan document to the operational procedures.

Eligibility

Employees who have served 12 consecutive months of employment, during which at least 1,000 hours of service are completed, and reached 21 years of age are eligible to participate in the Plan. Eligible employees may enter the Plan on their date of hire if eligibility requirements are met, or on the date when the eligibility requirements are met as defined by the Plan.

Contributions

Participants may contribute up to 100% of their pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may roll over amounts representing distributions from other qualified plans into the Plan. Upon enrollment in the Plan, participants may direct contributions into any combination of several investment options available through the Plan. Upon eligibility, each employee will be enrolled into the Plan by the Plan Administrator, automatically deferring 3.0% of their pre-tax annual compensation, with no automatic increase in deferral percentage. Employees may elect not to defer compensation or may change their percentage deferral at any time.

The Company has the ability to make a discretionary match to the Plan. During 2024 and 2023, the Company made a discretionary match to the Plan in the amount of approximately \$100,000, which was allocated based on the percentage of the employee's deferrals for 2023 and 2022 and has been recorded as a receivable to the Plan as of December 31, 2023 and 2022.

In addition, the Company may elect to make a discretionary profit sharing contribution to the Plan. Such contributions are allocated to participants' accounts according to a formula based on eligible compensation. The Company did not make a discretionary profit sharing contribution to the Plan during 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and the allocation of Plan earnings; each participant account is charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Certain expenses and administrative costs incurred in connection with the general administration of the Plan are paid out of Plan assets.

Notes to the Financial Statements

December 31, 2023

1. Description of Plan (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer contributions are subject to a graded vesting schedule and are fully vested after six years of service.

Investment Allocation

Assets of the Plan are held in various funds as determined by the Company. All accounts are participant-directed. Participants may change their investment allocation daily.

Forfeited Accounts

If a participant terminates employment before becoming fully vested in their account balance, the forfeited portion of the account balance is used to pay Plan expenses or reduce future employer contributions to the Plan. Forfeited amounts that were used to pay Plan expenses and offset employer matching contributions during 2023 totaled approximately \$17,000. There were approximately \$3,000 and \$5,000 in unallocated forfeitures at December 31, 2023 and 2022, respectively.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Certain mandatory distribution provisions may apply for smaller account balances of terminated employees.

Notes Receivable From Participants

Participants are permitted to borrow up to 50 percent of their vested account balance with a minimum of \$1,000 up to a maximum loan amount of \$50,000 or one-half of the participant's vested balance in the Plan, whichever is less. The notes are secured by a portion of the participant's vested account balance.

Participants may have one general purpose loan and one residential loan for the purchase of a primary residence. Loan terms are set by the Plan Administrator up to a maximum of 5 years, or 30 years for a residential loan. Payments of principal plus interest are to be made at least quarterly. The loans bear interest at a fixed rate which is commensurate with local prevailing rates as determined by the Plan Administrator at loan origination. At December 31, 2023, the notes bear interest from 4.25% to 9.50%. The notes mature at various dates through 2028.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Accounting Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the changes therein, and the disclosure of contingent assets and liabilities. The most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. See Note 4 for discussion of fair value of measurements for pooled separate accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year, are presented in the net appreciation in fair value of investments.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Plan administration expenses that have not been paid by the Company are first paid from the forfeitures account and secondly by the participants on a pro-rata basis, based on account balances or the number of participants.

Grace Management 401(k) Plan

Notes to the Financial Statements

December 31, 2023

2. Summary of Significant Accounting Policies (Continued)

Fair Value of Financial Instruments

The Company's accounting for fair value measurements of assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis adheres to the Financial Accounting Standards Board ("FASB") fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Company at the measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Recently Issued Regulations

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reform that began with the 2020 CARES act. Most of the provisions of SECURE 2.0 will become effective in 2024 and beyond. Therefore, there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan Administrator is in the process of determining which provisions are going to be adopted and their potential impact on the plan.

Subsequent Events

The Plan has evaluated subsequent events for recording or disclosure in the financial statements through November 12, 2024, the date which the financial statements were available to be issued.

3. Certification of Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee and Custodian have certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Interest income on notes receivable from participants and depreciation in fair value of investments, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023.

At the direction of the Plan Administrator, the Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Grace Management 401(k) Plan

Notes to the Financial Statements

December 31, 2023

4. Fair Value Measurements

Pooled separate accounts are measured at fair value using the net asset value practical expedient as determined by the Custodian based on the fair value of the underlying investments of each pooled separate account which is generally obtained by using quoted prices for similar assets in active markets, and include dividends and capital gains declared. The valuation of the underlying investments of each pooled separate account depends on the types of investments held by the pooled separate account and may be based on inputs other than quoted market prices.

The following tables provide information on those assets that are measured at fair value on a recurring basis:

Fair Value Measurement Using				
December 31, 2023	Fair Value Carrying Amount in the Statement of Net Assets Available for Benefits	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 7,391,865	\$ -	\$ -	\$ -
Totals	\$ 7,391,865	\$ -	\$ -	\$ -

Fair Value Measurement Using				
December 31, 2022	Fair Value Carrying Amount in the Statement of Net Assets Available for Benefits	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 5,040,408	\$ -	\$ -	\$ -
Totals	\$ 5,040,408	\$ -	\$ -	\$ -

5. Tax Status

The Minnesota Life Insurance Company Non-standardized Defined Contribution Plan obtained its latest Internal Revenue Service opinion letter on June 30, 2020, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan's management, Trustee, and tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the appropriate regulatory authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 there are no significant tax uncertainties that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. The Plan's investments are exposed to various risk factors, such as interest rates, market conditions, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will continue to occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Grace Management 401(k) Plan

Notes to the Financial Statements

December 31, 2023

7. Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their Employer contributions and the Plan assets will be distributed according to the provisions of the Plan documents.

8. Party-In-Interest Transactions

Fees paid by the Plan for investment management services amounted to approximately \$131,000 for the year ended December 31, 2023. Certain plan investments are managed by the Custodian, and therefore, these are party-in-interest transactions.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits from the financial statements at December 31, 2023 and 2022 to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 7,640,630	\$ 5,225,072
Adjustment for employer contributions receivable	(100,000)	(100,000)
Adjustment for distributions payable	16,005	34,331
Net assets available for benefits per Form 5500	\$ 7,556,635	\$ 5,159,403

The following is a reconciliation of the net increase in net assets available for benefits from the financial statements for the year ended December 31, 2023:

	2023
