Independent Auditor's Report

To the Plan Administrator and Management of
Angelic Health 401(k) Plan
Pleasantville, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Angelic Health 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Angelic Health 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelic Health 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Angelic Health 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Angelic Health 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the financial statements of Angelic Health 401(k) Plan (previously Atlantic Hospice, Inc. 401(k) Profit Sharing Plan, see Note 1) as of December 31, 2020, and for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 11, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN

The following summary of Angelic Health 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Angelic Practice Management, LLC., the Plan Sponsor, and its commonly-controlled affiliates, Angelic Hospice, Angelic Palliative Care LLC and Angelic Primary Medicine LLC (collectively, the “Company”), who are 21 or older and have completed three months of consecutive service starting from their employment commencement date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Any eligible employee is considered a participant in the Plan.

Angelic Palliative Care LLC finished operations in December, 2021. It merged its operations into Angelic Practice Management effective January 1, 2022 and the assets of its 401(k) Plan were transferred into Angelic Health 401(K) Plan.

Prior to the Plan amendment effective January 1, 2021, the Plan name was Atlantic Hospice Inc 401(k) Profit Sharing Plan and Trust.

COVID-19 and CARES Act

The continued global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan’s net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan’s net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act. The CARES Act took immediate effect and contains several provisions that temporarily impact 401(k) plans. Plan management has evaluated the relief options available to plan participants under the CARES Act and has implemented the following provisions:

- Coronavirus-related distributions up to \$100,000
- Increasing the available loan amount to the lesser of \$100,000 or 100% of the participants’ vested account balance for loans issued between March 27, 2020 to September 22, 2020
- Extending the period for loan repayments, if applicable, up to one year.

Contributions

Participants may contribute a percentage of their compensation on a pretax or after-tax basis, as defined in the Plan, not to exceed the maximum amount allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to limitations of the Internal Revenue Code. Participants

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as corrective distributions payable. Employer matching contributions to the Plan are at the discretion of management. No employer matching contributions were made in 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

A participant is 100% vested at all times in the participant's salary deferral amounts, rollover contributions and any earnings thereon regardless of the number of years of service.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, which was temporarily increased to the lesser of \$100,000 or 100% for new loans issued between March 27, 2020 and September 22, 2020 as part of the CARES Act. The notes receivable from participants are secured by the balance in the participant's account and bear interest based on the prime rate as reported in the Wall Street Journal plus 2%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, the vested portion of a participant's account, less any loans outstanding, may be distributed in a lump sum (or, in certain defined situations, in annual installments). The Plan provides that participants may receive in-service distribution of any or all of their account as of the date they attain age 59-1/2.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") as set forth in the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC").

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

Investment Valuation and Income Recognition

Under the terms of an agreement between Transamerica and Angelic Health 401(k), Transamerica maintains separate pooled accounts into which certain of the contributions made by its employees are invested as directed employees. The investments are valued at a daily calculated Net Asset Value (“NAV”) based on the fair value of the underlying investments. See Note 4 for a discussion of fair value measurements.

Other contributions may be made directly to various mutual funds, which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Interest income is recognized in the period earned. Dividend income is recorded on the ex-dividend date. Purchases and sales are recorded on a trade date basis. Net appreciation includes the Plan’s gain and losses on investments bought and sold as well as held during the year.

Under the terms of the agreement with Transamerica, the Plan entered into pooled separate account groups issued by Transamerica Life Insurance Company. Transamerica maintains the contributions to the accounts which are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefit payments are recorded as a deduction from Plan assets when paid. Corrective distributions are made for excess deferrals and contributions.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company, as provided by the Plan Document. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

Subsequent Events

Management has evaluated subsequent events through October 23, 2023, the date the financial statements were available to be issued.

(3) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Transamerica Financial Life Insurance Company, Inc and Reliance Trust Company were the trustees of the Plan as of and for the years ended December 31, 2021 and 2020. The investments of the plan were transferred from Reliance Trust Company to Transamerica Financial Life Insurance Company on December 1, 2021. Reliance Trust Company held the Plan's assets and executed investment transactions for the period of January 1, 2020 through November 30, 2021. Transamerica Financial Life Insurance Company held the Plan's assets and executed investment transactions for the period of December 1, 2021 through December 31, 2021. The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021. Accordingly, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statement of net assets available for benefits as of December 31, 2021 and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

(4) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted market prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Pooled Separate Accounts ("PSA") – These assets are valued based on the underlying investments. While the majority of the underlying assets values are based on quoted prices, the NAV of the pooled separate account is not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The PSAs held by the plan provide for daily redemption by the Plan at reported NAV with no advance notice. The Plan is permitted to redeem investment units at NAV on the measurement date.

Stable Collective Trust Fund – The investment in the Invesco Stable Asset Trust ("ISAT") is measured at NAV. If the Plan initiates a full redemption of the ISAT Fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The ISAT Fund's units are issued and redeemed daily at the constant NAV of \$1 per unit. The Fund's investment objective is preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

Mutual Funds-These Assets are valued at quoted market prices of shares held by the plan.

The follow table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Fair Value Measurement at December 31, 2021				
	Level 1	Level 2	Level 3	Total
Assets in fair value hierarchy:				
Mutual funds	\$ 34,925	\$ -	\$ -	\$ 34,925
Investments measured at net asset value:				
Pooled separate accounts(a)				1,143,563
Stable value collective trust fund(a)				-
				<u>\$ 1,178,488</u>
Fair Value Measurement at December 31, 2020				
	Level 1	Level 2	Level 3	Total
Assets in fair value hierarchy:				
Mutual funds	\$ 430,893	\$ -	\$ -	\$ 430,893
Investments measured at net asset value:				
Pooled separate accounts(a)				-
Stable value collective trust fund(a)				514
				<u>\$ 431,407</u>

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

- (a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits.

(5) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their employer contributions.

(6) PARTIES-IN-INTEREST TRANSACTIONS

Reliance Trust Company and Transamerica Life Insurance Company were the Trustees as defined by the Plan and, therefore, the services provided to the Plan qualify as party-in-interest transactions. Automatic Data Processing, Inc. (“ADP”) and Transamerica Retirement Services are the recordkeeper for the Plan and, therefore, the services provided to the Plan also qualify as party-in-interest transactions.

(7) PLAN TAX STATUS

The Internal Revenue Service has determined the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since that date. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. No provision for income taxes has been included in the Plan’s financial statements.

FASB ASC Topic 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. No liability for uncertain positions taken or expected to be taken has been recognized in the Plan’s financial statements.

The Plan failed to pass the Average Deferral Percentage Test (“ADP Test”) for the 2021 Plan year and did not make any corrective distribution payments prior to December 31, 2022, as required. The affect that this may have on the Plan’s tax status cannot be determined at this time.

(8) RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities of the Plan are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

ANGELIC HEALTH 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(9) PROHIBITED TRANSACTIONS

During 2021 the Company failed to remit to the Plan's trustee certain participant contributions and loan repayments within the period prescribed by Department of Labor regulations. The Company did not calculate lost earning on the late remittances or make corrective contributions subsequent to the Plan's year end.
