Independent Auditors' Report

To the Participants and Plan Administrator of
Pinnacle Medical Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pinnacle Medical Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2024, December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the period from January 1, 2024 to May 31, 2024, and for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of May 31, 2024, December 31, 2023 and 2022, and for the period from January 1, 2024 to May 31, 2024 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, effective May 31, 2024, the Plan was merged into the UnitedHealth Group 401(k) Savings Plan and the OptumCare 401(k) Retirement Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

As of May 31, 2024, and December 31, 2023 and 2022, and for the Period from January 1, 2024 to May 31, 2024 and for the Year Ended December 31, 2023

NOTE 1 - Description of the Plan

The following description of the Pinnacle Medical Group, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan sponsored by Pinnacle Medical Group, Inc. ("the Company") and was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Fidelity Management Trust Company was the trustee of the Plan ("the Trustee").

Employees who were age twenty-one (21) or older and had completed one year of service of 1,000 hours were eligible for all contributions to the Plan. Employees who were covered by a collective bargaining agreement unless the agreement required the employee to be included under the Plan, residents of Puerto Rico, non-resident aliens with no income from a U.S. source, and leased or independently contracted employees were not eligible to participate.

The UnitedHealth Group Employee Benefits Plans Administrative Committee ("Plan Administrator") was responsible for oversight of the Plan. The UnitedHealth Group Employee Benefits Plans Investment Committee ("Investment Committee") determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Effective January 1, 2024, the Plan was frozen to new participation and all future contributions.

Effective May 31, 2024, the Plan was merged into the UnitedHealth Group 401(k) Savings Plan and the OptumCare 401(k) Retirement Plan.

Contributions

Prior to the Plan being frozen, participants could contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). The Plan allowed participants to contribute up to the maximum amount allowed by law. Participant contributions included pre-tax deferrals and rollover contributions. Participants who had attained age 50 before the end of the plan year could make additional catch-up contributions, subject to limitations imposed by the Code. The Company could also make discretionary matching contributions based on eligible compensation, safe harbor profit-sharing contributions to be distributed among participants pro rata based upon eligible compensation within limitations as determined by the Code, and additional discretionary contributions to be based on an allocation determined by the Company.

Prior to the Plan being frozen, the Company made a 3% safe harbor profit-sharing contribution of \$262,728 for the year ended December 31, 2023. No discretionary contributions were made for the period from January 1, 2024 to May 31, 2024.

Participant Accounts

Each participant's account was credited with the participant's deferral contributions, rollover contributions, the Company's matching contributions, discretionary profit-sharing contributions, if any, and plan earnings or losses (net of administrative expenses). Allocations were based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant was entitled is the benefit that could be provided from the participant's vested account.

Pinnacle Medical Group, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of May 31, 2024, and December 31, 2023 and 2022, and for the Period from January 1, 2024 to May 31, 2024 and for the Year Ended December 31, 2023

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments were participant directed. The Plan was intended to comply with ERISA section 404(c). Participants had the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Prior to the Plan being frozen, participants were immediately vested in their salary deferral contributions, rollover contributions, employer safe harbor profit-sharing contributions, and earnings thereon. Employer matching and additional discretionary contributions and earnings thereon, vested in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notwithstanding the vesting schedule above, employer discretionary non safe harbor matching and profit-sharing contributions, if any, would become fully vested (100%) upon the occurrence of any of the following events while the participant was employed by the Company: death, attainment of normal retirement age (age 65), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions, a termination from employment as a result of certain corporate transactions or an acceleration date, as defined in the Plan document.

Participants became 100% vested in all contributions when the Plan was frozen.

Forfeited Accounts

As of May 31, 2024, and December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0, \$2,588 and \$2,330, respectively. Forfeitures could be used to reduce future employer contributions or to pay certain administrative expenses. For the period from January 1, 2024 to May 31, 2024 and for the year ended December 31, 2023, certain administrative expenses were reduced by \$2,130 and \$231, respectively, from forfeiture accounts.

Payment of Benefits

Benefits could be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance could be distributed in the form of a lump-sum or partial payment. Prior to the Plan being frozen, if a participant's account balance was valued at or less than \$1,000, it was distributed as soon as administratively practicable, without an application for distribution, in cash as a direct distribution to the participant. If the vested account balance exceeded \$1,000 but was less than \$5,000, the balance would be rolled over into an Individual Retirement Account ("IRA") designated by the Company, unless the participant requested that the amount be rolled over into another IRA or retirement plan. With Plan Administrator approval, participants could withdraw all or part of their employee contributions in the event of financial hardship.

Pinnacle Medical Group, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of May 31, 2024, and December 31, 2023 and 2022, and for the Period from January 1, 2024 to May 31, 2024 and for the Year Ended December 31, 2023

NOTE 1 - Description of the Plan (cont.)

There were no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of May 31, 2024, December 31, 2023 and 2022.

Notes Receivable from Participants

Participants could borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balances. These loans were secured by the balance in the participant's account. The loans bore interest commensurate with the local prevailing rate at origination as determined by the Plan Administrator. The maximum term for a loan was 60 months, except if the loan was used to acquire the participant's principal residence, in which case the term of the loan could not exceed 120 months. Principal and interest were paid ratably through payroll deductions. Participants were permitted to have one outstanding loan at a time.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of May 31, 2024, and December 31, 2023 or 2022.

Pinnacle Medical Group, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of May 31, 2024, and December 31, 2023 and 2022, and for the Period from January 1, 2024 to May 31, 2024 and for the Year Ended December 31, 2023

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through November 15, 2024, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2024, 2023 and 2022. Accordingly, the Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of May 31, 2024, and December 31, 2023 and 2022 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity and interest income on notes receivable from participants reported in the Statements of Changes in Net Assets Available for Benefits for the period from January 1, 2024 to May 31, 2024 and for the year ended December 31, 2023.

The Plan's investments in variable annuity contracts are held by Jackson National Life Insurance Company. Jackson did not certify to the completeness and accuracy of the variable annuities of \$0, \$2,557,891 and \$2,432,634 at May 31, 2024, December 31, 2023 and 2022, respectively, or the increase in the cash surrender value of variable annuities of \$73,724 and \$139,412 for the period from January 1, 2024 to May 31, 2024 and for the year ended December 31, 2023, respectively.

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

Pinnacle Medical Group, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of May 31, 2024, and December 31, 2023 and 2022, and for the Period from January 1, 2024 to May 31, 2024 and for the Year Ended December 31, 2023

NOTE 4 - Fair Value of Financial Instruments (cont.)

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Cash surrender value of variable annuity contracts: The cash surrender value of the variable annuity contracts is based on the surrender or conversion value of the contracts as reported by the insurance company. Management has determined that these surrender or conversion values represent the best available evidence of fair value. Cash surrender values are based on the fair values of the investments held within the contracts after adjustments for costs and other charges.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022, respectively. The Plan held no investments as of May 31, 2024.

	December 31, 2023			
	Total	Level 1	Level 2	Level 3

Total investments at fair value	<u>\$ 7,396,218</u>	<u>\$ 4,963,584</u>	<u>\$ 2,432,634</u>	<u>\$ -</u>

NOTE 5 - Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Trustee and Jackson National Life Insurance Company and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 - Tax Status

The Plan uses a non-standardized pre-approved plan document sponsored by FMR, LLC – Fidelity Management & Research. The pre-approved plan sponsor received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states the pre-approved document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and being operated in compliance with the applicable requirements of the Code, and therefore believe the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2023 and 2022, the Plan had investments of \$6,722,290 and \$5,678,293, respectively, concentrated in four investments that each accounted for more than 10% of plan investments.
