Plan Name: True Grit, Inc., 401k Plan

Effective January 1, 2010, retirement and welfare plans required to file an annual Form 5500 or 5500-SF must file electronically using the Department of Labor's new EFAST2 electronic filing system. There are two options available to small business plan sponsors – obtain signing credentials from the Department of Labor website and file the 5500-SF themselves or allow their service provider to file on their behalf.

Please select which option your plan would prefer:

- We will obtain our own signing credentials* through www.efast.dol.gov and electronically file the forms ourselves. Cadence will continue to prepare the return information for us and notify us when it is ready for our review. Cadence will walk us through the filing process if we need assistance.

Name of Individual to obtain credentials: _____

Email address for notifications: _____

- We direct Cadence to electronically file on our behalf. We understand that this option requires Cadence to scan the signature of the person who has physically signed the 5500-SF as an attachment prior to filing the return. This will make the signature a part of public information for anyone to view online. **This option is only available for plans that file a 5500-SF. Large plans will have to choose the first option.**

We reserve the right to change this option at any point by notifying Cadence. This will require a new option form to be signed by us at that time.
