Independent Auditor's Report

To the Plan Administrator
G.E.O. Heat Exchangers, L.L.C. 401(K) Plan
St. Gabriel, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of G.E.O. Heat Exchangers, L.L.C. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

HANS T. BOURGEOIS, LLP

G.E.O. HEAT EXCHANGERS, L.L.C. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1 - Description of Plan -

The following brief description of G.E.O. Heat Exchangers, L.L.C. 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for more complete information.

General

The Plan is a 401(k) defined contribution plan adopted July 1, 1998. It covers all eligible employees of G.E.O. Heat Exchangers, L.L.C. and G.E.O. Field Service, L.L.C (“the Companies”) who are at least 21 years of age and have one year (1,000 hours) of service with entry dates on the first day of each plan quarter. The Plan excludes employees covered by collective bargaining agreements and non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management oversees the governance of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Contributions

Participants may contribute an amount equal to a percentage of their compensation earned during the plan year not to exceed the limits imposed by the Internal Revenue Code. Participants are 100% vested in their contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan provides for safe harbor matching contributions by the Companies in an amount equal to 100% of the matched employee contributions that are not in excess of 3% of the participant’s compensation and 50% of the amount of the participant’s matched employee contributions that exceed 3% of the participant’s compensation, but do not exceed 5% of the participant’s compensation. For the year ended December 31, 2023, the Companies’ safe harbor contribution was \$339,916. The Companies may also make a discretionary profit-sharing contribution to all eligible participants of the Plan. For the year ended December 31, 2023, the Companies elected to make a discretionary profit-sharing contribution in the amount of \$50,000.

Participant Accounts

Each participant's account is credited or charged with the participant’s contribution and the allocation of the Companies' contribution, the Plan’s investment earnings or losses, certain Plan administrative costs not covered by the Plan sponsor, and forfeitures of terminated participants’ non-vested accounts. Allocations are based upon participant earnings and account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$6,003 and \$5,159, respectively. These accounts may be used to reduce future employer contributions and pay administrator fees. During 2023, no forfeiture accounts were used to reduce administrative expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one outstanding loan at any one time. The notes are secured by the balance in the participant's account and bear interest equal to 1% above the prime rate, which is commensurate with local prevailing rates. Currently interest rates range from 4.25% - 9.50%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, retirement or termination, participants are entitled to receive a lump sum payment equal to the value of their vested account balance.

Note 2 - Summary of Accounting Policies -

Basis of Accounting

The financial statements of the Plan are prepared in accordance with the accrual basis of accounting and investments are valued at current fair value as quoted by the custodian of the Plan. All assets of the Plan are participant directed.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. As of December 31, 2023 and 2022, the Plan has no fully benefit-responsive investment contracts.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies utilizing information provided by the Plan custodian. See Note 5 for discussion of fair value measurements.

Benefits are recorded when paid. Purchases and sales of securities are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Net investment income includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, and such differences may be material.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. For the year ended December 31, 2023, the Plan had deemed distributions of \$32,555 and are included these financial statements as benefits paid to participants.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Risks and Uncertainties

The Plan provides for various investment options in any combination of selected funds held by the custodian. These funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these funds, it is at least reasonably possible that changes in the values of these funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Investment related expenses are included in Net Investment Income.

Note 3 - Plan Termination -

Although they have not expressed any intent to do so, the Companies have the right to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

Note 4 - Tax Status -

The Plan sponsor has adopted a prototype plan which received a favorable determination from the Internal Revenue Service. The Plan itself has not separately applied for recognition of tax-exempt status. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax period in progress. With few exceptions, the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 5 - Fair Value Measurements -

The fair value measurement accounting literature provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels. Level 1 inputs to the valuation methodology are based on unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets and/or based on inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 inputs are unobservable and are based on assumptions market participants would utilize in pricing the asset.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Registered Investment Companies: Valued at fair value based on quoted net asset values, (NAV) of the shares held by the Plan at year end.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Interest-Bearing	\$ 18,682	\$ -	\$ -	\$ 18,682
Registered Investment Companies	4,821,467	-	-	4,821,467
Total	<u>\$ 4,840,149</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,840,149</u>

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2023, are reported in Net Investment Income.

Effective December 29, 2023, the investments of the Plan were liquidated into cash in preparation of the transfer of assets from Matrix to Fidelity as further discussed in Note 9 of these financial statements.

Note 6 - Information Prepared and Certified by the Custodian -

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Matrix Trust Company, the custodian.

	2023	2022
Noninterest-Bearing Cash	\$ 6,450,326	\$ -
Investments, at Fair Market Value:		
Interest Bearing Cash	-	18,682
Registered Investment Companies	-	4,821,467
	<u>\$ -</u>	<u>\$ 4,840,149</u>
Net Investment Income	<u>\$ 747,369</u>	

Note 7 - Related Party and Party-In-Interest Transactions -

Certain plan investments are managed by Matrix Trust Company. Since Matrix Trust Company is the custodian of the investments as defined by the Plan, these transactions qualify as party-in-interest. Fees incurred by the Plan for the investment management services are included in Net Investment Income as they are paid through revenue sharing, rather than a direct payment. The Companies may also pay directly other fees related to the Plan's operations. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 - Reconciliations of Financial Statements to Schedule H of Form 5500 -

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H of the Form 5500 as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net Assets Available for Benefits per the Financial Statements	\$ 6,799,136	\$ 5,100,062
Less: Additional Employer Contributions Receivable	(8,376)	-
Less: Participant Contributions Receivable	<u>(13,898)</u>	<u>-</u>
Net Assets Available for Benefits per Schedule H of Form 5500	<u><u>\$ 6,776,862</u></u>	<u><u>\$ 5,100,062</u></u>

The following is a reconciliation of total additions per the financial statements to the Schedule H of the Form 5500 as of December 31, 2023:

Total Additions per the Financial Statements	\$ 2,110,206
Less: Additional Employer Contributions Receivable	(8,376)
Less: Participant Contributions Receivable	<u>(13,898)</u>
Total Additions per Schedule H of Form 5500	<u><u>\$ 2,087,932</u></u>

Note 9 - Delinquent Participant Contributions -

During the year ended December 31, 2023, participant deferrals totaling \$15,243 were not timely remitted to the Plan in accordance with the requirements of the Department of Labor. The contributions were remitted to the Plan upon discovery of the errors. The employer will compute lost earnings on these deposits and will make corrective contributions in 2024 for lost earnings to the Plan.

Note 10 - Subsequent Events -

Effective January 1, 2024, Fidelity Management Trust Company became the custodian of the Plan. On February 6, 2024, the Plan assets were transferred from Matrix Trust Company to Fidelity Management Trust Company.

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 25, 2024, the date the financial statements were available to be issued.
