Independent Auditors' Report

To the Administrative Committee of
the Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to financial statements
December 31, 2023 and 2022

1. Plan Description

The following description of the Anesthesia Associates of Gainesville, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

- a) *General* – The Plan is a 401(k) defined contribution plan covering all full-time employees of Anesthesia Associates of Gainesville, LLC and participating affiliated companies (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- b) *Eligibility and Contributions* – All eligible employees who have completed one year of service and are not leased employees may participate in the Plan. Each year, participants may elect to make pre-tax or post-tax (Roth) contributions to the Plan, up to the maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Catch-up contributions, as defined in the Internal Revenue Code (IRC), are permissible for eligible participants who are at least age 50 or will attain age 50 before the end of the calendar year. All participant contributions during a Plan year are subject to maximum dollar limitations established by the IRC. For the year ended December 31, 2023, the total maximum allowable tax-deferred contribution to the Plan under the IRC from employee sources was \$22,500, plus catch-up contributions of \$7,500 for eligible employees.

The Company makes an annual safe-harbor contribution of 3% of each eligible participants' compensation. For the years ended December 31, 2023 and 2022, the Company made safe-harbor contributions of \$551,519 and \$456,700, respectively. In 2023 and 2022, the Company also made discretionary profit-sharing contributions. Profit sharing contributions are allocated based on employee classifications and participants who have completed more than 500 hours in the plan year are eligible. Profit sharing contributions in 2023 and 2022 were \$1,255,505 and \$1,055,999, respectively.

The Company may also make discretionary matching contributions up to 4% of compensation. No matching contributions were made in 2023 or 2022.

Notes to financial statements
December 31, 2023 and 2022

- c) *Participants Accounts* – A separate individual account is established for each participant in the Plan. Each participant's account is credited with the participant's contribution, any Company matching contribution and allocations of investment earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account
- d) *Vesting* – Participants' contributions, rollover contributions, and Company safe-harbor contributions, plus actual earnings thereon, are 100% vested at all times. Participants vest in Company profit-sharing and matching contributions based upon the following schedule:

<i>Years of Service</i>	<i>Vesting Percentage</i>
1	10%
2	20%
3	100%

- e) *Investment Options* – Upon enrollment in the Plan, a participant is required to direct their contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. The Plan currently offers investments in various mutual funds, a fully benefit-responsive investment contract, and self-directed brokerage accounts.
- f) *Payment of Benefits* – Upon termination of service due to death, disability or retirement, a participant becomes 100% vested and may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum payments. Participants may also withdraw funds from when they reach the age of 59½ or in the event of financial hardship. Benefits are recorded as deductions from net assets available for benefits when paid.
- g) *Forfeited accounts* –Forfeitures of non-vested account balances may be used to reduce Company's profit-sharing or matching contributions, as defined in the Plan document. In 2023 and 2022, forfeitures of \$0 were used to reduce Company contributions. As of December 31, 2023 and 2022, unallocated forfeited accounts were \$43,453 and \$29,441, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

3. Subsequent Events

The Plan has evaluated events and transactions occurring subsequent through October 14, 2024, which is the date the financial statements were issued.

4. Information Prepared and Certified by the Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulation for Reporting and Disclosure under ERISA.

Voya Institutional Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments including self-directed brokerage accounts, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income, interest and dividend income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.
- Schedule H, Part IV - Line 4i – Schedule of Assets (Held at End of Year), December 31, 2023.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information certified by Voya Institutional Trust Company to the related information included in the financial statements and supplemental schedule.

5. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Anesthesia Associates of Gainesville, LLC

401(k) Profit Sharing Plan

Notes to financial statements
December 31, 2023 and 2022

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are included in Level 1 of the fair value hierarchy.

Self-directed brokerage accounts – The securities held within self-directed brokerage accounts are standard assets such as mutual funds, equities, cash/cash equivalents and fixed income assets. These holdings are reported at quoted market prices. These assets are included in Level 1 of the fair value hierarchy.

Notes to financial statements
December 31, 2023 and 2022

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<i>Investment Assets at Fair Value As of December 31, 2023</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$33,761,507	–	–	\$33,761,507
Self-directed brokerage accounts	9,229,942	–	–	9,229,942
Total investments at fair value	\$42,991,449	–	–	\$42,991,449

<i>Investment Assets at Fair Value As of December 31, 2022</i>				
	Level 1	Level 1	Level 1	Level 1
Mutual funds	\$27,222,860	–	–	\$27,222,860
Self-directed brokerage accounts	8,550,913	–	–	8,550,913
Total investments at fair value	\$35,773,773	–	–	\$35,773,773

Transfers in and out of Level 1 and 2

There were no securities transferred between Level 1 and Level 2 for the years ended December 31, 2023 and 2022. The Plan's policy is to recognize transfers in and transfers out as of the beginning of the reporting period.

6. Guaranteed investment contract

As of December 31, 2023 and 2022, the Plan maintained a guaranteed investment contract option, the Voya Fixed Account. As of December 31, 2023 and 2022, the contract value of the guaranteed investment contract was \$587,033 and \$1,133,668, respectively. The contract underlying this investment potation is considered to be fully benefit-responsive. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate in 2023 and 2022 was 4% and 3%, respectively. The crediting rate is reviewed on a quarterly basis. The guaranteed investment contract does not permit Voya to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Anesthesia Associates of Gainesville, LLC

401(k) Profit Sharing Plan

Notes to financial statements
December 31, 2023 and 2022

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants is probable.

7. Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

8. Related Party Transactions

Fees for investment management and administrative services paid by the Plan to Voya, the recordkeeper of the Plan, qualify as party-in-interest transactions. The Plan paid Voya \$6,727 and \$1,600 for recordkeeping services in 2023 and 2022, respectively.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

10. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated September 1, 2014 that the Prototype Non-Standardized Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter,

Anesthesia Associates of Gainesville, LLC

401(k) Profit Sharing Plan

Notes to financial statements
December 31, 2023 and 2022

the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and accordingly is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2020.

11. Reconciliation of financial statements to Form 5500
