INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Gossett Motors 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gossett Motors 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gossett Motors 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gossett Motors 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gossett Motors 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gossett Motors 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gossett Motors 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOSSETT MOTORS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of the Gossett Motors 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all eligible employees of Gossett Motor Cars, Inc., We 3 Gossett, LLC, JALP Clothing, LLC, GMCE, LLC and ABDG, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. *Eligibility.* Employees who are at least 18 years of age and have 6 consecutive months of service with the Company are eligible to participate in the Plan as of the first day of each month coinciding with or following the date in which they satisfy the eligibility requirements.
3. *Contributions.* Each year, participants may contribute up to the lesser of 100% of eligible compensation, as defined in the Plan or the maximum amount allowable by law. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated qualified default investment alternative fund until changed by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions to the Plan equal to a discretionary percentage, to be determined by the Company, of the participants' elective deferrals. Contributions made by the Company are subject to certain limitations and vesting.
4. *Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

5. *Vesting.* Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant who, while employed by the Company, dies, attains normal retirement age, or incurs a disability will be 100% vested in his or her account balance.
6. *Notes Receivable From Participants.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through monthly payroll deductions. All loan fees are to be paid by the participant and the fees will be deducted from the participant's account at the time the loan is taken.
7. *Investment Options.* Upon enrollment in the Plan, a participant may direct employee contributions in increments of one percent or a specific dollar amount in various investment options.
8. *Payment of benefits.* On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, substantially equal installments, or partial withdrawals meeting certain requirements. If termination is for a reason other than death, disability or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant who maintains employment and has reached age 59 ½ may request an in-service withdrawal from their vested account balances subject to conditions (as defined by the Plan). The Plan also provides that a participant may receive liquidation of all or part of his or her vested benefits in the event of extreme economic hardship, subject to approval by the Plan's administrative committee. In accordance with the IRC, benefits withdrawn prior to age 59 ½ may be subject to additional taxes.

Participants with a vested account balance of less than \$1,000 upon severance from employment with the Company will receive a lump sum distribution equal to their vested balance, in accordance with the Plan.

9. *Forfeited Amounts.* Forfeited non-vested account balances are used to reduce future employer contributions or pay administrative expenses of the Plan. At December 31, 2022 and 2021 forfeited non-vested account balances were \$35,855 and \$20,603, respectively.

10. *Expenses.* The Plan's administrative expenses are paid by either the Plan or the Company. Expenses paid by the Company are excluded from these financial statements.
11. *Coronavirus Aid, Relief, and Economic Security Act (the CARES Act).* The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note G for discussion of fair value measurement.

Income from investments is recognized when earned. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Notes Receivable From Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. All loans bear interest at a reasonable rate of interest as provided in the loan policy.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Standards

In 2019, the Accounting Standards Board issued Statements on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. The standard is effective for plan years ending on or after December 15, 2021. The standard addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans (EBPs) subject to the Employee Retirement Income Security Act of 1974 (ERISA). It also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. The Plan implemented the new standard in 2021.

NOTE C - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE D - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's Form 5500 is prepared on the cash basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	\$ 9,918,090	\$ 10,554,374

The Plan's Form 5500 is prepared on the cash basis of accounting. The following is a reconciliation of the change in net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	2022	2021
Change in net assets available for benefits per the financial statements	\$ (636,284)	\$ 2,178,923
Change in contributions receivable	<u>(1,110)</u>	<u>(7,581)</u>
Change in net assets available for benefits per Form 5500	\$ <u>(637,394)</u>	\$ <u>2,171,342</u>

NOTE E - TAX STATUS

The Plan is operating under a prototype plan established by SunTrust Bank (now Truist). SunTrust Bank (now Truist) was issued a favorable determination letter dated March 31, 2014, stating that the Plan and related trust, as designed, qualifies under Code section 401(a) of the Internal Revenue Code. Once qualified, the Plan is required to operate in conformity with IRC to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified and that the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the plan's financial statements.

GOSSETT MOTORS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2019.

NOTE F - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplementary schedules are complete and accurate.

The information certified includes total investments of \$9,558,925 and \$10,250,494 and notes receivable from participants of \$346,771 and \$292,595 at December 31, 2022 and 2021, respectively. The Trustees also certified to the completeness and accuracy of net investment (loss) of \$(1,746,972) and interest income on notes receivable from participants of \$16,047.

In addition, the Trustee certified the information included in the supplemental schedule regarding the Schedule of Assets (Held at End of Year).

The Plan's independent accountants did not perform auditing procedures with respect to the information identified above, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE G - FAIR VALUE MEASUREMENTS

The Plans' investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GOSSETT MOTORS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

These fair value measurements are unobservable measurements for the asset and rely on management's own assumptions about the assumptions market participants would use in pricing the asset.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

GOSSETT MOTORS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: valued at the NAV, as provided by the trustee, used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

If the Plan initiates a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methodologies described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2022 and 2021.

- (b) If an investment is measured using the NAV per unit (or its equivalent) as the practical expedient in ASC 820 and that investment is in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy is not required.

For the years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE H - RELATED PARTY AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Resource Investment Advisors, LLC performed investment advisory services for the Plan, and therefore fees paid by the Plan qualify as party-in-interest transactions. Recordkeeping fees paid to Resource Investment Advisors, LLC totaled \$17,245.

Empower Annuity Insurance Company of America (“Empower”) performed recordkeeping services for the Plan, and therefore recordkeeping fees paid by the Plan qualify as party-in-interest transactions. Recordkeeping fees paid to Empower Annuity Insurance Company of America totaled \$62,594.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE I - RELATED PARTY AND NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2022 and 2021, the Company did not remit certain participant contributions to the plan in a timely manner, as defined by ERISA. The Company is in the process of fully correcting these violations. These contributions are considered nonexempt party-in-interest transactions. The Company intends to compensate participants for any lost earnings resulting from the delay in contributions. These nonexempt transactions do not affect the tax status determination of the plan, and the Company intends to pay all fines imposed.

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE K - SUBSEQUENT EVENTS

In March 2023, the Plan switched from Empower as the custodian, trustee and third party administrator to EPIC Retirement Plan Services as the third party administrator and Mid Atlantic Trust Company as custodian and trustee.

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through November 21, 2024, the date the financial statements were available to be issued.
