**The Plan Administrator
Premier Early Childhood Education Partners LLC 401(k) Plan:**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Premier Early Childhood Education Partners LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, and the supplemental schedule of delinquent participant contributions for the year then ended, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PREMIER EARLY CHILDHOOD EDUCATION PARTNERS LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

(1) Description of plan

The following description of the Premier Early Childhood Education Partners LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted to provide retirement benefits for employees of Premier Early Childhood Education Partners, LLC and the adopting employers (collectively, the "Employers"). The Plan covers substantially all employees of the Employers who are age eighteen or older and have completed three months of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In 2022, participants from a newly acquired Employer, Premier MO Lee's Summit S LLC, transferred \$103,288 in assets to the Plan.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants may also make contributions on an after-tax Roth basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions are permitted up to 90% of compensation, subject to IRC limitations.

The Employers may make a matching contribution of an amount at the Employer's discretion. During 2023 and 2022, the Employers made matching contributions equal to 50% of each participant's contributions up to the first 4% of each participant's compensation. Employees must be employed on the last day of the plan year to be eligible for a matching contribution. Employer contributions may not exceed the maximum amount allowable for federal income tax purposes.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's contributions, Employers' matching contributions, and allocations of investment earnings (losses), and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes to the Financial Statements

December 31, 2023 and 2022

(d) Vesting

Participants are immediately vested in their elective salary deferral contributions plus actual earnings (losses) thereon. Vesting in the Employers' matching contribution is based on years of continuous service. A participant is 25% vested after one year of service and vesting increases 25% each year until the participant is fully vested after four years of credited service.

(e) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump sum payment or annual installments over a specified period equal to their entire account balance. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in their account as a lump sum distribution.

(f) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Employers' matching contributions portion of their accounts. Such forfeitures are used to reduce future Employers' contributions.

(g) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if a participant is younger than age 59½. Hardship withdrawals are limited to a participant's elective account.

(h) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employers and are excluded from these financial statements. Other expenses of maintaining the Plan are paid from Plan assets and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

(i) Plan termination

Although it has not expressed any intent to do so, the Employers have the right under the plan document to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to the Financial Statements

December 31, 2023 and 2022

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value, except for the investment contract which is reported at contract value (Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by Principal Life Insurance Company and Principal Trust Company (collectively, "Principal") and Charles Schwab Trust Bank ("Schwab"). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid.

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after the reporting date

Management of the Plan has evaluated events and transactions that occurred between December 31, 2023, and November 21, 2024, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

PREMIER EARLY CHILDHOOD EDUCATION PARTNERS LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2023 and 2022

(3) Certified information

Certain information reported and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair and contract value of investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, and interest and dividend income for the years then ended was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Schwab for the period from January 1, 2022 through September 14, 2022, and by Principal as of December 31, 2023 and 2022 and for the period from September 15, 2022 through December 31, 2023.

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts and collective investment trust funds are measured at net asset value (NAV) as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy. The NAV is based on the market value of the underlying investments held by the pooled separate accounts and collective investment trust funds at year-end. The NAV as a practical expedient would not be used if it is determined to be probable that an account will sell the underlying investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to temporarily delay withdrawal from the pool in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table summarizes investments for which the fair value is measured using NAV as a practical expedient as of December 31, 2023 and 2022. There are no participant or Plan level restrictions for these investments.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2023</u>	<u>Fair Value</u> <u>12/31/2022</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (if</u> <u>Currently</u> <u>Eligible)</u>	<u>Redemption</u> <u>Notice</u> <u>Period</u>
Pooled separate accounts	\$ 71,434	\$ 21,991	n/a	Daily	n/a
Collective investment trust funds	\$ 2,249,168	\$ 1,244,110	n/a	Daily	n/a

Notes to the Financial Statements

December 31, 2023 and 2022

(5) Investment contract with insurance company

The Plan maintains a benefit-responsive insurance contract with Principal. Principal maintains the Plan's contributions in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. There is no stated minimum or maximum rate. The crediting rate is reviewed on an annual basis for resetting. The investment contract is considered terminated when all assets have been disbursed.

This contract meets the fully benefit-responsive insurance contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive insurance contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value as of December 31, 2023, is \$6,831. There are no participant redemption restrictions for these investments.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employers or other Employers events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probably occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Notes to the Financial Statements

December 31, 2023 and 2022

(6) Excess contributions

At December 31, 2023, there were \$14,105 of excess participant contributions and \$21,298 of excess Plan Sponsor contributions refundable by the Plan for contributions made in excess of amounts allowed. There were no excess contributions during 2022.

(7) Income tax status

The Employers adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the pre-approved Section 401(a) of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Untimely remittance of participant contributions

The Employers is required by Department of Labor regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain pay periods, participant contributions were not remitted timely.

(9) Related party and party-in-interest transactions

Plan investments are managed by Principal, and therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid administrative expenses to various service providers which also qualify as party-in-interest transactions.

(10) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
