Independent Auditors' Report

Plan Administrator
Wendell Foster's Campus for Developmental
Disabilities, Inc. 403(b) Plan
Owensboro, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wendell Foster's Campus for Developmental Disabilities, Inc. 403(b) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits, as of June 30, 2024 and 2023, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution, or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of June 30, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Qualified Opinion

In our opinion, except for the omission of the information discussed in the Basis for Qualified Opinion section of our report, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- The information in the financial statements referred to above related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Qualified Opinion

As more fully described in Note 8, the Plan's financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to former employees prior to January 1, 2009. The Plan administrator has elected to exclude those contracts, accounts, and related activity from the Plan's financial statements for the purposes of the annual reporting requirements of ERISA, as permitted by Department of Labor Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*. In our opinion, presentation of this information is required by GAAP.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of June 30, 2024, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, for the year ended June 30, 2024, are presented for purposes of additional analysis, and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to, or derived from, the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedules related to assets held and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Wendell Foster's Campus for Developmental Disabilities, Inc. 403(b) Plan

Notes to Financial Statements

June 30, 2024 and 2023

Note 1: Description of the Plan

The following description of the Wendell Foster's Campus for Developmental Disabilities, Inc. 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan administrator.

General

The Plan is a defined contribution 403(b) retirement plan sponsored by Wendell Foster's Campus for Developmental Disabilities, Inc. (Campus) for the benefit of substantially all of its employees. Collective bargaining and PRN employees are excluded from match and nonelective contributions to the Plan. Employees are eligible to make elective deferrals upon hire, and receive employer contributions after completion of one year of service.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Delaware Charter Guarantee and Trust Company, d/b/a Principal Trust Company, a member of the Principal Financial Group (Principal), is the custodian of the Plan, and holds the investments of the Plan.

Contributions

Each year, participants may contribute up to the maximum allowable contribution, as defined by the Internal Revenue Code (IRC). The Plan also accepts employee Roth, rollover, and catch-up contributions. Plan compensation excludes all fringe benefits (cash and noncash), reimbursements, or other expense allowances, moving expenses, deferred compensation, welfare benefits, and small balance benefits, such as uniform allowance, cell phone reimbursement, and gym memberships.

Employer contributions are discretionary. For the years ended June 30, 2024 and 2023, the Campus contributed 2% of eligible compensation for eligible participants, and matched up to 3% of eligible compensation contributed by Plan participants.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing contributions into any of the investment account options selected by the Campus and may change the allocation daily.

Developmental Disabilities, Inc. 403(b) Plan**
Notes to Financial Statements
June 30, 2024 and 2023

Participant Accounts

Each participant's account is credited with the participant's contribution, the Campus' contribution, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus earnings thereon. Employees become fully vested in the Campus' matching and nonelective contributions, plus earnings thereon, after three years of service. The non-vested balance is forfeited upon termination of service. Forfeitures are to be used to reduce employer nonelective contributions and employer match contributions, in addition to paying reasonable Plan expenses.

Payment of Benefits

Upon termination of service, a participant is eligible to receive either a lump-sum distribution up to the value of his or her account, or installments for required minimum distributions only. The Plan allows hardship distributions from elective deferrals. The Plan also allows in-service distributions at the participant's attainment of age 59 ½, but participants can take no more than one of each type of in-service distributions in a Plan year. Participants with account balances less than \$5,000 automatically receive a distribution upon termination.

Forfeited Accounts

At June 30, 2024 and 2023, forfeited non-vested accounts totaled \$7,187 and \$61, respectively. These amounts are to be used to reduce employer contributions and employer matching contributions, in addition to paying Plan expenses.

Participant Loans

Effective July 1, 2015, participant loans are not permitted to be taken within the Plan. Previously, the minimum amount of a loan was \$1,000. The maximum amount of a participant's loan was determined by the available loan balance, restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings, unless the participant is paying the loan in full. Interest on the loans is based on prime rate plus 1% when the loan originated.

Plan Termination

Although it has not expressed an intention to do so, the Campus has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America (GAAP), requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines valuation policies utilizing information provided by investment advisers, the custodian, and the insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Wendell Foster's Campus for
Developmental Disabilities, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023**

Plan Tax Status

The Plan operates under a 403(b) volume submitter plan (VSP) document sponsored by Retirement Management Services LLC. The VSP has received an Internal Revenue Service (IRS) Advisory Letter, in which the IRS stated the form of the Plan is acceptable under the IRC Section 403(b). The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, not subject to tax.

With a few exceptions, the Plan is no longer subject to U.S. federal, state, local, or non-U.S. income tax examinations by tax authorities for years before 2021.

Note Receivable from Participant

Note receivable from participant is measured at the unpaid principal balance plus any accrued but unpaid interest. A delinquent participant loan is reclassified as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative and Investment Expenses

Administrative expenses may be paid by the Campus or the Plan, at the Campus' discretion. Investment expenses are included in net appreciation in fair value of investments.

Note 3: Investments

The Plan's investment information included throughout the Plan's financial statements and supplemental schedule was prepared by, or derived from, information provided by Delaware Charter Guarantee and Trust Company, d/b/a Principal Trust Company, the Plan custodian, and furnished to the Plan administrator. The custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian, as of and for the years ended June 30, 2024 and 2023, that the information provided to the Plan administrator by the custodian is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information which appears throughout the financial statements and the supplemental schedule.

Notes to Financial Statements
June 30, 2024 and 2023

Note 4: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons. The Plan has a number of service providers. Such providers are parties-in-interest under ERISA.

The Campus provides certain administrative services at no cost to the Plan.

Note 5: Fair Value of Plan Assets

ASC Topic 820, *Fair Value Measurements*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy, which requires a plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities;
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 investments include mutual funds, target retirement funds, and a money market mutual fund. If quoted market prices are not available, then fair values are estimated by third-party pricing services using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy. There are no investments classified in Levels 2 or 3 of the valuation hierarchy.

Notes to Financial Statements

June 30, 2024 and 2023

The following tables present the fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy, in which the fair value measurements fall at June 30:

2024

Note 6: Fully Benefit-responsive Guaranteed Investment Contract

The Plan invests in the Principal Fixed Income Guaranteed Option (PFIGO), a guaranteed investment contract. PFIGO is a benefit-responsive contract entered into with Principal Life Insurance Company (Principal Life). Principal Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments, and charged for participant withdrawals and administrative expenses. The PFIGO is valued at contract value for presentation in the Plan's net assets available for benefits. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is that amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Note 7: Risks, Concentrations, and Uncertainties

Investment Securities

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Significant Concentrations

At June 30, Plan assets are concentrated in the following investments:

	2024	2023
American Funds 2025 Target Date Retirement Fund	12%	13%
American Funds 2030 Target Date Retirement Fund	17%	18%
American Funds 2035 Target Date Retirement Fund	16%	15%
American Funds 2045 Target Date Retirement Fund	12%	12%

Notes to Financial Statements
June 30, 2024 and 2023

Note 8: Excluded Contracts

The DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, allows a plan administrator of a 403(b) plan to exclude certain annuity contracts and custodial accounts from plan assets for purposes of ERISA's annual reporting and audit requirements under specified conditions. Accordingly, the Plan has excluded from investments in the accompanying Statements of Net Assets Available for Benefits annuity, certain contracts, and custodial accounts issued to former employees prior to January 1, 2009. The related investment income has also been excluded in the accompanying Statements of Changes in Net Assets Available for Benefits. These amounts relate to vendors, other than Principal, to whom contributions were made prior to January 1, 2009. GAAP requires these excluded contracts, accounts, and the related income to be included in the accompanying financial statements.

If the excluded contracts and accounts, as reported by the custodian, were included, net assets available for benefits would increase by approximately \$151,250 and \$135,400, as of June 30, 2024 and 2023, respectively. Further, investment income (loss) of approximately \$16,250 and \$12,800 related to such annuity contracts and custodial accounts, as identified by the custodian, have also been excluded from the accompanying Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2024 and 2023, respectively.

Note 9: Plan Provisions

Interim Plan Amendment

On March 27, 2020, the CARES Act became law. Provisions of the CARES Act may have affected certain Plan provisions. The provisions were effective at various times, and the Plan Administrator administered the provisions consistent with a "good-faith" interpretation of the CARES Act. On November 28, 2023, the Plan was amended to incorporate portions of the CARES Act, including changes to the required minimum distributions age, disaster-related distributions, repayment of Coronavirus-related distributions, and distribution of lifetime income investment.

Note 10: Subsequent Events

Subsequent events have been evaluated through November 11 2024, which is the date the financial statements were available to be issued.
