INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
United Air Temp 401(k) Profit Sharing Plan
Lorton, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United Air Temp 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of United Air Temp 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Air Temp 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Air Temp 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Air Temp 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Air Temp 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED AIR TEMP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the United Air Temp 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 1991. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2023, the Plan was amended to merge the Comfort First Heating & Cooling, LLC 401(k) Retirement Plan (Comfort First Plan) into the Plan. Comfort First Heating & Cooling, LLC (Comfort First) is a wholly owned subsidiary of the Company. The plan assets of Comfort First were transferred to the Plan on March 29, 2023.

Effective September 1, 2023, the Plan appointed a new trustee and recordkeeper - Fidelity Management Trust Company (Fidelity). Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively Nationwide) held and managed the Plan assets and served as a custodian and insurance company of the Plan until August 31, 2023, at which point all Plan assets (except for the balance of the Nationwide guaranteed investment contract, subject to contract termination restrictions) were transferred to Fidelity. As part of the restatement, there were several changes made to the Plan provisions regarding eligibility, vesting and notes receivables from participants.

Eligibility

The Plan covers all employees of United Air Temp (the Company) who are at least 18 years old and have completed one year of service defined as at least 1,000 hours. Employees may enter the Plan on the first day of the calendar quarter following the date they meet the eligibility requirements.

Effective September 1, 2023, the plan was amended to change the service requirement for employee contributions from one year to three months of service. Eligible employees may enter the plan on the first day of the month after meeting the eligibility requirements. There were no changes to eligibility requirements for discretionary match and discretionary nonelective employer contributions.

Contributions

Participants may contribute to the profit sharing plan a combination of pre-tax and Roth contributions up to 100% of their annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

UNITED AIR TEMP 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment company shares, common collective trusts and self-directed brokerage accounts as investment options for participants, as well as a guaranteed investment contract.

The Company may make matching contributions determined annually. The Company may also elect to make an additional discretionary profit sharing or qualified nonelective contributions to the plan. During 2023 and 2022 the Company made matching contribution for all eligible employees, equal to 100% of the first 1% of the participants' compensation contributed to the plan, and 50% of the next 4% of compensation contributed to the plan. During the years ended December 31, 2023 and 2022, the Company's matching contribution totaled \$485,637 and \$315,674, respectively. The Company did not make any discretionary profit sharing or qualified nonelective contributions during 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, and all earnings thereon. Vesting in the employer contributions is based on years of continuous service. After two years of service, a participant becomes 20% vested in the employer contributions in the Plan; the vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after six years of service.

Effective September 1, 2023, the plan was amended to change the vesting provisions as follows:

- After one year of service, participants become 20% vested in the employer contributions in the Plan; the vesting percentage increases by 20% each year until the participants become fully vested in their account after five years of service.
- For participants with discretionary match or nonelective contributions who had not completed at least an hour of service on or after January 1, 2023 and terminated participants with discretionary match and profit sharing contributions, the vesting schedule is as follows: after two years of service, participants become 20% vested in the employer contributions in the Plan; the vesting percentage increases by 20% each year until the participants become fully vested in their account after six years of service.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 2% above Prime. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Plan participants may only have two loans outstanding at any one time. Principal and interest are paid ratably through payroll deductions. During the years ended December 31, 2023 and 2022, the interest rates for outstanding loans ranged between 4.25% and 10.50%, and between 5.25% and 9.50%, respectively.

Effective September 1, 2023, the plan was amended to change the interest rate on notes receivables from participants from Prime plus 2% to Prime plus 1%.

Payment of Benefits

Upon termination of service, retirement, death, full and permanent disability or attaining age 65, participants may elect to receive either a lump-sum amount equal to the value of their account, or a direct rollover into a qualified retirement plan. In-service withdrawals at age 59 1/2 are also permitted, subject to the provisions described in the Plan document. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements. The Plan may make a mandatory distribution of a terminated participant's account balance that is less than \$5,000 and greater than \$1,000 to an individual retirement account.

Forfeited Accounts

Forfeitures may be used to reduce employer contributions or to pay plan expenses at the discretion of the Company. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$62,524 and \$23,049, respectively. During the years ended December 31, 2023 and 2022, forfeitures of nonvested accounts were used to pay administrative expenses in the amounts of \$-0- and \$5,087, respectively. No forfeitures were used to reduce employer contributions during 2023 or 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion

UNITED AIR TEMP 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are recognized as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Contributions

Contributions from Plan participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

UNITED AIR TEMP 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments and interest and dividend income for the years then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2023, is derived from statements which have been certified by Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively Nationwide) for the years ended December 31, 2023 and 2022 and by Fidelity Management Trust Company (Fidelity) effective September 1, 2023 through December 31, 2023, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Company Shares

For the registered investment company shares invested in mutual funds held by Nationwide Trust Company and offered outside of an annuity contract, Nationwide uses unit values to perform daily account valuations. The unit value is Nationwide's method for valuing accounts and is not the same as the net asset value (NAV) reported by the fund house, although the financial trend should be the same.

UNITED AIR TEMP 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

After the close of the stock market, Nationwide receives a daily price from each fund house. This figure includes the NAV and any dividends and capital gains declared and is adjusted by Nationwide with the addition of a daily admin charge to arrive at the unit value available daily to plan participants on the plan website. The calculated unit value is the basis for current transactions and the units held can be redeemed at that calculated unit value as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value.

Registered investment company shares invested in mutual funds held by Fidelity are valued at the daily closing price as reported by the fund. The mutual funds are open-end mutual funds registered with the Securities and Exchange Commission and are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts (CCT)

The Common collective trusts (CCT) invest in mainly in common stocks of U.S. companies, with a focus on value stocks that offer the potential for capital growth, current income, or both. The CCTs are valued at NAV of the units held by the Plan. The NAV is not a publicly quoted price in an active market but is available to current investors via the plan custodian website or when plan participants access their account values. Participant transactions (purchases and sales) may occur daily. Therefore, those investments are considered to have a readily determinable fair value.

Self-Directed Brokerage Accounts

Self-Directed Brokerage Accounts (SDBA) may include mutual funds and common stocks, which are valued at the closing price reported in the active market in which the securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - GUARANTEED INVESTMENT CONTRACT (FBRIC)

The Plan participates in fully benefit-responsive investment contract (FBRIC) with Nationwide Life Insurance Company. The Nationwide Fixed Select Contract is a group annuity contract supported by the general account of Nationwide. Deposits into the Fixed Select Contract are guaranteed in both principal and interest, minus any applicable fees and expenses (subject to the claims-paying ability of Nationwide). Participants in the Nationwide Fixed Select Contract may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Plan level liquidity options include either a two-way market value adjustment or a 5-year contract value out. Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Nationwide is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against account value for credit risk of the contract issuers or otherwise. The Fixed Select contract does not have a maturity date. The Fixed Select Contract continues in force until all assets have been distributed, or no further payments are due.

The Fixed Select Contract gross crediting rate is reset quarterly. The net rate, crediting rate and average yield earned are the same. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0.5%. Though the interest rate will never go below 0.5%, a loss to the principal may result after fees and expenses are reflected.

Certain events limit the ability of the Plan to transact at contract value with Nationwide. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively Nationwide) held and managed the Plan assets and served as a custodian and insurance company of the Plan until August 31, 2023, at which point all Plan assets (except for the balance of the Nationwide FBRIC, subject to contract termination restrictions) were transferred to Fidelity. Nationwide continues to hold and manage the Nationwide FBRIC until such point as the plan contractual obligations are met. The plan elected 20% installment payout at contract value to avoid the market value adjustment on the FBRIC. According to the contract, the FBRIC balance at the time of contract termination is divided into five portions, with the first one transferred to the new trustee at the initial discontinuance, and the rest over the next 4 years on the anniversary date of the contract termination, or earlier if participant directed.

December 31, 2023 and 2022

NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by of Nationwide (Plan custodian in 2022 and 2023) and Fidelity (Plan trustee starting September 1, 2023), and therefore, these transactions qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Notes receivable from participants also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 - TAX STATUS

The Plan has adopted a profit-sharing prototype plan sponsored by CCH Incorporated, DBA ftwilliam.com. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the prototype profit sharing plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Effective September 1, 2023, the Plan adopted a prototype profit-sharing plan sponsored by Fidelity (FMR LLC). The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype profit-sharing plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - LATE REMITTANCES

During the years ended December 31, 2023 and 2022, the Company failed to remit to the Plan custodian participant contributions totaling \$44,071 and \$32,002, within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. The Plan third-party administrator calculated lost earnings in the amount of \$259 on the previously reported delinquent remittances for 2022 and 2021. The plan sponsor remitted the amount to the Plan on September 1, 2023, at which time the lost earnings were allocated to the affected participants' accounts. The Company is in the process of calculating the lost earning on the late remittances for 2023. The amount will be remitted to the plan in 2024 at which point it will be allocated to the affected participants' accounts.

Reasonable Cause for Failure to Attach Accountant's Opinion

For the 2023 plan year, United Air Temp has not had sufficient time to complete the audit of United Air Temp 401(k) Profit Sharing Plan. The audit is still in process and is expected to be completed in the next few weeks. Once the audit has been completed, an amended Form 5500 for the plan year ending December 31, 2023 will be filed.

United Air Temp respectfully requests that any penalties that could apply to the failure to attach an audit report at this time be abated.
